New brand for superannuation business

Equity Trustees Limited (ASX: EQT) today announced a change of name for its superannuation business unit.

The business formerly known as Wealthpac Australia Limited will now be named **Equity Trustees Superannuation Limited** (ETSL). The change of name is made with immediate effect.

Wealthpac Australia Limited (WAL) was acquired by Equity Trustees in March 2003. The business has in excess of \$400m in superannuation funds under management, and contributes around 19% of Equity Trustees' total operating revenue.

Equity Trustees Superannuation Limited comprises the Wealthpac Superannuation Service (master-trust) as well as the Templetons Master Plan. There is no change to the management of the business, with Adrian Young, Managing Director of WAL continuing in that role with ETSL. Rob Dillon, the founding Managing Director of WAL, remains the non-executive Chairman of ETSL.

"The change of name clearly identifies us as an Equity Trustees company," said Mr Young.

"We have recently strengthened our Sales and Marketing team through the appointment of a new General Manager, Jonathan Anderson, and through the appointment of an Equity Trustees Manager in Queensland, Russell Hanlon. We are also seeking growth through acquisition and it is important that our corporate brand reflects the ties to our parent company."

"The change of name will not have any impact at all on our members and participants. The identity and branding of the Wealthpac Master Trust and the underlying investment plans remains unchanged."
