This annual report covers PanAgora Dynamic Global Equity Fund as an individual entity.

The Responsible Entity of PanAgora Dynamic Global Equity Fund is Equity Trustees Limited (ABN 46 004 031 298) (AFSL 240975).

The Responsible Entity's registered office is:

Level 1, 575 Bourke Street
Melbourne, VIC 3000.

Directors' report

The directors of Equity Trustees Limited, the Responsible Entity of PanAgora Dynamic Global Equity Fund (the "Fund"), present their report together with the financial statements of the Fund for the year ended 30 June 2023.

Principal activities

Until its termination on 30 June 2023, the Fund invested primarily in common stocks, preferred stocks, and convertible equities traded on global stock exchanges in accordance with the Product Disclosure Statement and the provisions of the Fund's Constitution.

During the year, all assets of the Fund were liquidated and returned to unit holders.

The Fund did not have any employees during the year.

Apart from the termination, there were no significant changes in the nature of the Fund's activities during the year.

The various service providers for the Fund are detailed below:

| Service | Provider |
|-----------------------------|--------------------------------|
| Responsible Entity | Equity Trustees Limited |
| Investment Manager | PanAgora Asset Management, Inc |
| Custodian and Administrator | State Street Australia Limited |
| Statutory Auditor | PricewaterhouseCoopers |

Directors

The following persons held office as directors of Equity Trustees Limited during or since the end of the year and up to the date of this report:

| | |
|-------------------|--------------------------|
| Philip D Gentry | Chairman |
| Michael J O'Brien | |
| Russell W Beasley | |
| Mary A O'Connor | |
| David B Warren | (appointed 6 March 2023) |

Review and results of operations

These are the final financial statements for the Fund, which has terminated.

During the year, the Fund continued to invest its funds in accordance with the Product Disclosure Statement and the provisions of the Fund's Constitution.

Directors' report (continued)

Review and results of operations (continued)

The performance of the Fund, as represented by the results of its operations, was as follows:

| | Year ended | |
|-------------------------------------|-----------------|-----------------|
| | 30 June 2023 | 30 June 2022 |
| Profit/(loss) for the year (\$) | 54,990 | (26,637,953) |
| Distributions paid and payable (\$) | 112,419 | 46,481,779 |
| Distributions (cents per unit) | 2.32 | 19.61 |

Significant changes in the state of affairs

David B Warren was appointed as a director of Equity Trustee Limited on the 6 March 2023.

The Fund terminated on 30 June 2023 when all unit holders' entitlements were redeemed.

In the opinion of the directors, there were no other significant changes in the state of affairs of the Fund that occurred during the year ended 30 June 2023.

Matters subsequent to the end of the financial year

The Fund's financial report for the year ended 30 June 2023 will be the final financial report in respect of the Fund. The Fund had a residual cash balance as at the termination date which has been remitted to the unitholders subsequent to the year end.

Other than the above, no other matter or circumstance has arisen since 30 June 2023 that has significantly affected, or may have a significant effect on:

- (i) the operations of the Fund; or
- (ii) the results of those operations; or
- (iii) the state of affairs of the Fund.

Indemnification and insurance of officers

No insurance premiums are paid for out of the assets of the Fund in regards to insurance cover provided to the officers of Equity Trustees Limited. So long as the officers of Equity Trustees Limited act in accordance with the Fund's Constitution and the Law, the officers remain indemnified out of the assets of the Fund against losses incurred while acting on behalf of the Fund.

Indemnification of auditor

The auditor of the Fund is in no way indemnified out of the assets of the Fund.

Fees paid to and interests held in the Fund by the Responsible Entity and its associates

Fees paid to the Responsible Entity and its associates out of Fund property during the year are disclosed in Note 12 to the financial statements.

No fees were paid out of Fund property to the directors of the Responsible Entity during the year.

The number of interests in the Fund held by the Responsible Entity or its associates as at the end of the financial year are disclosed in Note 12 to the financial statements.

Directors' report (continued)

Interests in the Fund

The movement in units on issue in the Fund during the year is disclosed in Note 5 to the financial statements.

The value of the Fund's assets and liabilities is disclosed in the statement of financial position and derived using the basis set out in Note 2 to the financial statements.

Environmental regulation

The operations of the Fund are not subject to any particular or significant environmental regulations under Commonwealth, State or Territory law.

Rounding of amounts to the nearest dollar

Amounts in the Directors' report have been rounded to the nearest dollar following guidance from *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, unless otherwise indicated.

Auditor's independence declaration

A copy of the Auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 5.

This report is made in accordance with a resolution of the directors of Equity Trustees Limited through a delegated authority given by the Equity Trustees Limited's Board.

Philip D Gentry
Chairman

Melbourne
24 October 2023

Auditor's Independence Declaration

As lead auditor for the audit of PanAgora Dynamic Global Equity Fund for the year ended 30 June 2023, I declare that to the best of my knowledge and belief, there have been:

- (a) no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- (b) no contraventions of any applicable code of professional conduct in relation to the audit.

1 General information

These financial statements cover PanAgora Dynamic Global Equity Fund (the "Fund") as an individual entity. The Fund is an Australian registered managed investment scheme which was constituted on 4 February 2010 and terminated its operations on 30 June 2023 when all assets of the Fund were realised and all units were redeemed out of the Fund.

The Responsible Entity of the Fund is Equity Trustees Limited (ABN 46 004 031 298) (AFSL 240975) (the "Responsible Entity"). The Responsible Entity's registered office is Level 1, 575 Bourke Street, Melbourne, VIC 3000. The financial statements are presented in the Australian currency unless otherwise noted.

Until its termination on 30 June 2023, the Fund invested primarily in common stocks, preferred stocks, and convertible equities traded on global stock exchanges in accordance with its Product Disclosure Statement and with the provisions of the Fund's Constitution.

The financial statements were authorised for issue by the directors on the date the Directors' declaration was signed. The directors of the Responsible Entity have the power to amend and reissue the financial statements.

2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated in the following text.

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001* in Australia. The Fund is a for-profit entity for the purpose of preparing the financial statements.

As the Fund was terminated on 30 June 2023, the going concern basis of preparation is no longer appropriate and the financial statements have been prepared on a liquidation basis. The liquidation basis means assets have been written down to the lower of their carrying amounts and net realisable value and additional liabilities have been recognised to the extent there is a present obligation at the balance sheet date. The accounting policies set out below have been applied within this context. As there were no assets or liabilities at the reporting date, adopting the liquidation basis did not change the carrying amounts of any assets or liabilities.

(i) Compliance with International Financial Reporting Standards (IFRS)

The financial statements of the Fund also comply with IFRS as issued by the International Accounting Standards Board (IASB).

(ii) New and amended standards adopted by the Fund

There are no standards, interpretations or amendments to existing standards that are effective for the first time for the financial year beginning 1 July 2022 that have a material impact on the amounts recognised in the prior periods or will affect the current or future periods.

(iii) New standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 July 2023 and have not been early adopted in preparing these financial statements.

None of these are expected to have a material effect on the financial statements of the Fund.

2 Summary of significant accounting policies (continued)

(b) Financial instruments

(i) Classification

- Financial assets

Until its termination, the Fund classified its financial assets in the following measurement categories:

- those to be measured at fair value through profit or loss; and
- those to be measured at amortised cost.

The Fund classified its financial assets based on its business model for managing those financial assets and the contractual cash flow characteristics of the financial assets.

The Fund's portfolio of financial assets was managed and its performance was evaluated on a fair value basis in accordance with the Fund's documented investment strategy. The Fund's policy is for the Investment Manager to evaluate the information about these financial assets on a fair value basis together with other related financial information.

For cash and cash equivalents and receivables, these assets are held in order to collect the contractual cash flows. The contractual terms of these assets give rise, on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Consequently, these are measured at amortised cost.

- Financial liabilities

For financial liabilities that are not classified and measured at fair value through profit or loss, these are classified as financial liabilities at amortised cost (payables).

(ii) Recognition and derecognition

The Fund recognised financial assets and financial liabilities on the date it becomes party to the contractual agreement (trade date) and recognised changes in the fair value of the financial assets or financial liabilities from this date.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or the Fund has transferred substantially all the risks and rewards of ownership. Financial liabilities are derecognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of comprehensive income.

(iii) Measurement

- Financial instruments at fair value through profit or loss

At initial recognition, the Fund measured a financial asset and a financial liability at its fair value. Transaction costs of financial assets and liabilities carried at fair value through profit or loss are expensed in the statement of comprehensive income.

Subsequent to initial recognition, all financial assets and liabilities at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of 'financial assets or liabilities at fair value through profit or loss' category are presented in the statement of comprehensive income within 'net gains/(losses) on financial instruments at fair value through profit or loss' in the period in which they arise.

For further details on how the fair value of financial instruments is determined please see Note 4 to the financial statements.

- Financial instruments at amortised cost

For financial assets and financial liabilities at amortised cost, they are initially measured at fair value including directly attributable costs and are subsequently measured using the effective interest rate method less any allowance for expected credit losses.

2 Summary of significant accounting policies (continued)

(b) Financial instruments (continued)

(iii) Measurement (continued)

Cash and cash equivalents and receivables are carried at amortised cost.

(iv) Impairment

At each reporting date, the Fund shall estimate a loss allowance on each of the financial assets carried at amortised cost (cash and cash equivalents and receivables) at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. If, at the reporting date, the credit risk has not increased significantly since initial recognition, the Fund shall measure the loss allowance at an amount equal to 12-month expected credit losses. Significant financial difficulties of the counterparty, probability that the counterparty will enter bankruptcy or financial reorganisation, and default in payments are all considered indicators that the asset is credit impaired. If the credit risk increases to the point that it is considered to be credit impaired, interest income will be calculated based on the net carrying amount adjusted for the loss allowance. A significant increase in credit risk is defined by management as any contractual payment which is more than 30 days past due. Any contractual payment which is more than 90 days past due is considered credit impaired.

The expected credit loss (ECL) approach is based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Fund expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

The amount of the impairment loss is recognised in the statement of comprehensive income within other expenses. When a trade receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in the statement of comprehensive income.

(v) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position when the Fund has a legally enforceable right to offset the recognised amounts, and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

(c) Net assets attributable to unit holders

Units are redeemable at the unit holders' option;

The units can be put back to the Fund at any time for cash based on the redemption price which is equal to a proportionate share of the Fund's net asset value attributable to the unit holders.

The Fund was an illiquid unlisted Australian registered managed investment scheme and is not subject to redemptions.

The Fund's units were classified as equity as they satisfy the following criteria under AASB 132 *Financial Instruments: Presentation*:

- the puttable financial instrument entitles the holder to a pro-rata share of net assets in the event of the Fund's liquidation;
- the puttable financial instrument is in the class of instruments that is subordinate to all other classes of instruments and class features are identical;
- the puttable financial instrument does not include any contractual obligations to deliver cash or another financial asset, or to exchange financial instruments with another entity under potentially unfavourable conditions to the Fund, and is not a contract settled in the Fund's own equity instruments; and
- the total expected cash flows attributable to the puttable financial instrument over the life are based substantially on the profit or loss.

2 Summary of significant accounting policies (continued)

(d) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Payments and receipts relating to the purchase and sale of investment securities are classified as cash flows from operating activities, as trading of these securities represents the Fund's main income generating activity.

(e) Investment income

(i) Interest income

Interest income from financial assets at amortised cost is recognised using the effective interest method and includes interest from cash and cash equivalents.

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts throughout the expected life of the financial instrument, or a shorter period where appropriate, to the net carrying amount of the financial asset. When calculating the effective interest rate, the Fund estimates cash flows considering all contractual terms of the financial instruments (for example, prepayment options) but does not consider future credit losses. The calculation includes all fees paid or received between the parties to the contract that are an integral part of the effective interest rate, including transaction costs and all other premiums or discounts.

(ii) Dividends

Dividend income is recognised on the ex-dividend date with any related foreign withholding tax recorded as an expense. The Fund currently incurs withholding tax imposed by certain countries on investment income. Such income is recorded gross of withholding tax in the statement of comprehensive income.

Fund distributions are recognised on an entitlement basis.

(f) Expenses

All expenses are recognised in the statement of comprehensive income on an accruals basis.

Management fees and costs covers certain ordinary expenses such as Responsible Entity fees, investment management fees, custodian fees, and administration and audit fees.

(g) Income tax

Under current legislation, the Fund is not subject to income tax provided it attributes the entirety of its taxable income to its unit holders on present entitlement basis.

The Fund currently incurs withholding taxes imposed by certain countries on investment income and capital gains. Such income or gains are recorded gross of withholding taxes in the statement of comprehensive income. Withholding taxes are included in the statement of comprehensive income as an expense.

(h) Distributions

The Fund may distribute its distributable income, in accordance with the Fund's Constitution, to unit holders by cash or reinvestment. The distributions are recognised in the statement of comprehensive income as finance costs attributable to unit holders.

2 Summary of significant accounting policies (continued)

(i) Foreign currency translation

(i) *Functional and presentation currency*

Balances included in the Fund's financial statements are measured using the currency of the primary economic environment in which it operates (the "functional currency"). This is the Australian dollar which reflects the currency of the economy in which the Fund competes for funds and is regulated. The Australian dollar is also the Fund's presentation currency.

(ii) *Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of comprehensive income.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when fair value was determined.

The Fund does not isolate that portion of unrealised gains or losses on financial instruments at fair value through profit or loss which is due to changes in foreign exchange rates. Such fluctuations are included in the net gains/(losses) on financial instruments at fair value through profit or loss.

(j) Due from/to brokers

Amounts due from/to brokers represent receivables for securities sold and payables for securities purchased that have been contracted for but not yet delivered by the end of the year. The due from brokers balance is held for collection and is recognised initially at fair value and subsequently measured at amortised cost.

(k) Receivables

Receivables may include amounts for interest, dividends and trust distributions. Dividends and trust distributions are accrued when the right to receive payment is established. Where applicable, interest is accrued on a daily basis. Amounts are generally received within 30 days of being recorded as receivables.

(l) Payables

Payables include liabilities and accrued expenses owed by the Fund which are unpaid as at the end of the reporting period.

A separate distribution payable is recognised in the statement of financial position.

(m) Applications and redemptions

Applications received for units in the Fund are recorded net of any entry fees payable prior to the issue of units in the Fund. Redemptions from the Fund are recorded gross of any exit fees payable after the cancellation of units redeemed.

(n) Goods and services tax (GST)

The GST incurred on the costs of various services provided to the Fund by third parties such as management, administration and custodian services where applicable, have been passed on to the Fund. The Fund qualifies for Reduced Input Tax Credits (RITC) at a rate of at least 55%. Hence, fees for these services and any other expenses have been recognised in the statement of comprehensive income net of the amount of GST recoverable from the Australian Taxation Office (ATO). Amounts payable are inclusive of GST. The net amount of GST recoverable from the ATO is included in receivables in the statement of financial position. Cash flows relating to GST are included in the statement of cash flows on a gross basis.

2 Summary of significant accounting policies (continued)

(o) Use of estimates and judgements

The Fund makes estimates, assumptions and judgements that affect the reported amounts of assets and liabilities within the current financial year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

For the majority of the Fund's financial instruments, quoted market prices are readily available. However, certain financial instruments, for example over-the-counter derivatives or unquoted securities, are fair valued using valuation techniques. Where valuation techniques (for example, pricing models) are used to determine fair values, they are validated and periodically reviewed by experienced personnel of the Investment Manager.

Models use observable data, to the extent practicable. However, areas such as credit risk (both own and counterparty), volatilities and correlations, require management to make estimates and judgements. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

The Fund estimates that the resultant expected credit loss (ECL) derived from using impairment model, has not materially impacted the Fund. Please see Note 3 for more information on credit risk.

For more information on how fair value is calculated refer to Note 5 to the financial statements.

(p) Rounding of amounts

The Fund is an entity of a kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* relating to the "rounding off" of amounts in the financial statements. Amounts in the financial statements have been rounded to the nearest dollar, unless otherwise indicated.

(q) Comparative revisions

Comparative information has been revised where appropriate to enhance comparability. Where necessary, comparative figures have been adjusted to conform with changes in presentation in the current year.

3 Financial risk management

The Fund's activities expose it to a variety of financial risks including market risk (which incorporates price risk, foreign exchange risk and interest rate risk), credit risk and liquidity risk.

The Fund's overall risk management programme focuses on ensuring compliance with the Fund's Product Disclosure Statement and the investment guidelines of the Fund. It also seeks to maximise the returns derived for the level of risk to which the Fund is exposed and seeks to minimise potential adverse effects on the Fund's financial performance. The Fund's policy allows it to use derivative instruments in managing its financial risks.

All investments present a risk of loss of capital. The maximum loss of capital on long equity securities and unit trusts is limited to the fair value of those positions. The maximum loss of capital on derivatives is limited to the notional contract values of those positions.

The investments of the Fund, and associated risks, are managed by a specialist Investment Manager, PanAgora Asset Management Inc under an Investment Management Agreement (the "IMA") approved by the Responsible Entity, and containing the investment strategy and guidelines of the Fund, consistent with those stated in the Product Disclosure Statement.

3 Financial risk management (continued)

The Fund uses different methods to measure different types of risk to which it is exposed. These methods are explained below.

(a) Market risk

(i) Price risk

The Fund is exposed to price risk on equity securities listed or quoted on recognised securities exchanges. Price risk arises from investments held by the Fund for which prices in the future are uncertain. Where non-monetary financial instruments are denominated in currencies other than the Australian dollar, the price in the future will also fluctuate because of changes in foreign exchange rates which are considered a component of price risk.

The Investment Manager seeks to mitigate price risk to the Fund by ensuring that the Fund is managed in line with its IMA. Under the IMA the Fund's investment portfolio is broadly diversified across companies, sectors and countries and typically holds between 200 and 300 securities. The IMA contains the following maximum investment restrictions:

- any single stock up to 2% above the issuer weight in the benchmark index at the time of investment;
- any industry sector included within the Global Industry Classification Standard (GICS) up to 4% above the sector weight in the benchmark index;
- country weightings shall be within +/- 5% of the benchmark index's country weightings.

The Investment Manager monitors the portfolio on a daily basis to ensure compliance with IMA requirements.

There were no financial assets and financial liabilities as at 30 June 2023 and 30 June 2022.

(ii) Foreign exchange risk

The Fund operates internationally and holds both monetary and non-monetary assets denominated in currencies other than the Australian dollar. Foreign exchange risk arises as the value of monetary securities denominated in other currencies fluctuate due to changes in exchange rates. The foreign exchange risk relating to non-monetary assets and liabilities is a component of price risk and not foreign exchange risk. However, the Investment Manager monitors the exposure of all foreign currency denominated assets and liabilities.

Foreign exchange risk is managed by PanAgora Asset Management, Inc. The Fund aims to be predominantly hedged into Australian dollars with the goal of reducing the impact of adverse movements in overseas currencies. The Fund uses forward currency contracts to manage foreign exchange risk.

However, for accounting purposes, the Fund does not designate any derivatives as hedges in a hedging relationship, and hence, these derivative financial instruments are classified as at fair value through profit or loss.

3 Financial risk management (continued)

(a) Market risk (continued)

(ii) Foreign exchange risk (continued)

The Fund is not exposed to foreign exchange risk as the Fund does not hold financial assets and liabilities, monetary and non-monetary assets as at 30 June 2023. The table below summarises the fair value of the Fund's financial assets and liabilities, monetary and non-monetary, which are denominated in a currency other than the Australian dollar as at June 2022.

| As at 30 June 2022 | US Dollars A\$ | Japanese Yen A\$ | HK Dollars A\$ | All other foreign currencies A\$ |
|---------------------------|-------------------|------------------------|-------------------|--|
| Cash and cash equivalents | 1,989,678 | 89,809 | 15,883 | 7,492 |
| Receivables | 96,197 | - | 5,013 | 52,748 |
| Payables | (14,770) | - | (49) | (5,051) |
| Net exposure | <u>2,071,105</u> | <u>89,809</u> | <u>20,847</u> | <u>55,189</u> |

There were no financial assets and financial liabilities as at 30 June 2023. The table at Note 3(b) summarises the sensitivities of the Fund's monetary assets and liabilities to foreign exchange risk as at 30 June 2022. The analysis is based on the reasonably possible shift that the Australian dollar weakened and strengthened by 10% against the material foreign currencies to which the Fund is exposed.

(iii) Interest rate risk

The Fund is exposed to cash flow interest rate risk on financial instruments with variable interest rates. Financial instruments with fixed rates expose the Fund to fair value interest rate risk.

The Fund's interest bearing financial instruments expose them to risks associated with the effects of fluctuations in the prevailing market interest rates on its financial position and cash flows. The impact of interest rate risk on profit and the profit and net assets attributable to unit holders is considered immaterial to the Fund.

The majority of the Fund's financial assets and liabilities are non-interest bearing. Any excess cash and cash equivalents are invested at short term market interest rates. Interest rate risk management is undertaken by maintaining as close to a fully invested position as possible, thus limiting the exposure of the Fund to interest rate risk.

(b) Summarised sensitivity analysis

As at 30 June 2023, the Fund is not exposed to market risks as the Fund has been terminated. The following table summarises the sensitivity of the Fund's operating profit and net assets attributable to unit holders to Foreign exchange rate risk as at 30 June 2022, given the fund holds only Cash and Cash equivalents. The reasonably possible movements in the risk variables have been determined based on management's best estimate, having regard to a number of factors, including historical levels of changes in foreign exchange rates, interest rates and the historical correlation of the Fund's investments with the relevant benchmark and market volatility. However, actual movements in the risk variables may be greater or less than anticipated due to a number of factors, including unusually large market movements resulting from changes in the performance of and/or correlation between the performances of the economies, markets and securities in which the Fund invests. As a result, historic variations in risk variables should not be used to predict future variances in the risk variables.

| | Impact on operating profit/Net assets attributable to unit holders | | | | | |
|--------------------|--|-----------|-----------|-----------|-----------|-----------|
| | Foreign exchange risk | | | | | |
| | +10% | -10% | +10% | -10% | +10% | -10% |
| | USD \$ | USD \$ | JPY \$ | JPY \$ | HKD \$ | HKD \$ |
| As at 30 June 2022 | 217,572 | (217,572) | 10,981 | (10,981) | 4,085 | (4,085) |

The sensitivity factor for 30 June 2022 was +/-10% for foreign exchange risk.

3 Financial risk management (continued)

(c) Credit risk

The Fund is exposed to credit risk, which is the risk that a counterparty will be unable to pay its obligations in full when they fall due, causing a financial loss to the Fund.

The Fund is not exposed to credit risk as at 30 June 2023, given there's no cash and cash equivalent.

As at 30 June 2022, the Fund does not have a significant concentration of credit risk that arises from an exposure to a single counterparty or group of counterparties having similar characteristics. The main concentration of credit risk, to which the Fund is exposed, arises from cash and cash equivalents and amounts due from brokers balances. None of these assets are impaired nor past their due date. The maximum exposure to credit risk is the carrying of these balances as at the reporting date.

The Fund determines credit risk and measures expected credit losses for financial assets measured at amortised cost using probability of default, exposure at default and loss given default. Management consider both historical analysis and forward looking information in determining any expected credit loss. At 30 June 2022, all receivables, amounts due from brokers, cash and short-term deposits are held with counterparties with a credit rating of A-1 or higher and are either callable on demand or due to be settled within 1 week. Management consider the probability of default to be close to zero as these instruments have a low risk of default and the counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognised based on 12-month expected credit losses as any such impairment would be wholly insignificant to the Fund.

(d) Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

Exposure to liquidity risk for the Fund may arise from the requirement or to fund foreign exchange related cash flow requirements.

Liquidity risk is managed only by investing in assets that can be readily disposed of.

In order to manage the Fund's overall liquidity, the Responsible Entity has the discretion to reject an application for units and to defer or adjust redemption of units if the exercise of such discretion is in the best interests of unit holders. The Responsible Entity did not reject or withhold any redemptions during the financial year ended 30 June 2023 and 30 June 2022.

(i) *Maturities of non-derivative financial liabilities*

There were no non-derivative financial liabilities at the end of the current reporting period.

4 Fair value measurement

The Fund measures and recognises financial assets and liabilities at fair value through profit or loss on a recurring basis.

- Financial assets/liabilities at fair value through profit or loss

The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 *Fair Value Measurement* requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

The Fund values its investments in accordance with the accounting policies set out in Note 2 to the financial statements.

4 Fair value measurement (continued)

(a) Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets (such as publicly traded derivatives and listed equity securities) are based on quoted market prices at the close of trading at the end of the reporting period without any deduction for estimated future selling costs.

The quoted market price used for financial assets and liabilities held by the Fund is the last trade price. When the Fund holds derivatives with offsetting market risks, it uses mid-market prices as a basis for establishing fair values for the offsetting risk positions and applies this bid or asking price to the net open position, as appropriate.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

(b) Fair value in an inactive or unquoted market (level 2)

The fair value of financial assets and liabilities that are not traded in an active market is determined using valuation techniques. These include the use of recent arm's length market transactions, reference to the current fair value of a substantially similar other instrument, discounted cash flow techniques, option pricing models or any other valuation technique that provides a reliable estimate of prices obtained in actual market transactions.

The fair value of derivatives that are not exchange traded is estimated at the amount that the Fund would receive or pay to terminate the contract at the end of the reporting period taking into account current market conditions (volatility and appropriate yield curve) and the current creditworthiness of the counterparties.

(c) Recognised fair value measurements

The fair value of financial assets and liabilities are nil as at 30 June 2023 and 30 June 2022.

(d) Transfer between levels

Management's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

There were no transfers between levels in the fair value hierarchy at the end of the reporting period.

(e) Financial instruments not carried at fair value

The carrying values of cash and cash equivalents measured at amortised cost, receivables and payables approximate their fair values due to their short-term nature.

5 Net assets attributable to unit holders - equity

Under AASB 132 Financial Instruments: Presentation, puttable financial instruments are classified as equity where certain criteria are met. The Fund shall classify a financial instrument as an equity instrument from the date when the instrument has all the features and meets the conditions. The Fund's units are classified as equity as they meet the definition of a financial instrument to be classified as equity.

Movements in the number of units and net assets attributable to unit holders during the year were as follows:

| | Year ended | | | |
|--------------------------------|-----------------|-----------------|------------------|------------------|
| | 30 June 2023 | 30 June 2023 | 30 June 2022 | 30 June 2022 |
| | Units | \$ | Units | \$ |
| Opening balance | 4,836,699 | 6,210,519 | 194,762,190 | 272,995,333 |
| Applications | - | - | 36,056,826 | 50,000,000 |
| Redemptions | (4,836,699) | (6,153,090) | (236,977,318) | (259,076,775) |
| Reinvestment of distributions | - | - | 10,995,001 | 15,411,693 |
| Distributions paid and payable | - | (112,419) | - | (46,481,779) |
| Profit/(loss) for the year | - | 54,990 | - | (26,637,953) |
| Closing balance | - | - | 4,836,699 | 6,210,519 |

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right in the underlying assets of the Fund.

There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

Units are redeemed on demand at the unit holders' option. However, holders of these instruments typically retain them for the medium to long term. As such, the amount expected to be settled within twelve months after the end of the reporting period cannot be reliably determined.

6 Distributions to unit holders

The distributions declared during the year were as follows:

| | Year ended | | | |
|----------------------------|-----------------|-----------------|-------------------|-----------------|
| | 30 June 2023 | 30 June 2023 | 30 June 2022 | 30 June 2022 |
| | \$ | CPU | \$ | CPU |
| Distributions | | | | |
| June* | 112,419 | 2.32 | 46,481,779 | 19.61 |
| Total distributions | 112,419 | | 46,481,779 | |

*The June 2023 distribution (CPU: 2.32) represents a special distribution paid by the PanAgora Dynamic Global Equity Fund which is due to a unit holder redemption of greater than 5% of the net assets of the Fund. Due to this redemption, as outlined in the Product Disclosure Statement, a portion of the withdrawal proceeds represented distributable income to the redeeming unit holder. Refer to the Fund's Product Disclosure Statement for details on special distributions.

7 Cash and cash equivalents

| | As at | |
|--|-----------------|------------------|
| | 30 June 2023 | 30 June 2022 |
| | \$ | \$ |
| Cash at bank | - | 6,197,988 |
| Total cash and cash equivalents | - | <u>6,197,988</u> |

8 Reconciliation of profit/(loss) to net cash inflow/(outflow) from operating activities

| | Year ended | |
|---|----------------------|--------------------|
| | 30 June 2023 | 30 June 2022 |
| | \$ | \$ |
| (a) Reconciliation of profit/(loss) to net cash inflow/(outflow) from operating activities | | |
| Profit/(loss) for the year | 54,990 | (26,637,953) |
| Proceeds from sale of financial instruments at fair value through profit or loss | 4,076 | 527,486,733 |
| Payments for purchase of financial instruments at fair value through profit or loss | - | (272,055,459) |
| Net (gains)/losses on financial instruments at fair value through profit or loss | (4,076) | 31,518,289 |
| Net foreign exchange (gain)/loss | - | 50,480 |
| Dividend income reinvested | - | (10,711) |
| Net change in receivables | 162,564 | 575,269 |
| Net change in payables | (150,033) | 14,981 |
| Net cash inflow/(outflow) from operating activities | <u>67,521</u> | <u>260,941,629</u> |
| (b) Non-cash operating and financing activities | | |
| The following distribution payments to unit holders were satisfied by the issue of units under the distribution reinvestment plan | - | 15,411,693 |
| The following purchases of investments were satisfied by the participation in dividend and distribution reinvestment plans | - | 10,711 |
| Total non-cash operating and financing activities | - | <u>15,422,404</u> |

9 Receivables

| | As at | |
|--------------------------|-----------------|-----------------|
| | 30 June 2023 | 30 June 2022 |
| | \$ | \$ |
| Dividends receivable | - | 154,301 |
| GST receivable | - | 8,263 |
| Total receivables | - | <u>162,564</u> |

10 Payables

| | As at | |
|-----------------------------------|-----------------|-----------------|
| | 30 June 2023 | 30 June 2022 |
| | \$ | \$ |
| Interest payable | - | 1,989 |
| Management fees and costs payable | - | 96,333 |
| Audit fees payable | - | 33,830 |
| Withholding tax payable | - | 17,881 |
| Total payables | <u>-</u> | <u>150,033</u> |

11 Remuneration of auditor

During the year the following fees were paid or payable for services provided by the auditor of the Fund:

| | Year ended | |
|---|-----------------|-----------------|
| | 30 June 2023 | 30 June 2022 |
| | \$ | \$ |
| PricewaterhouseCoopers | | |
| <i>Audit and other assurance services</i> | | |
| Audit of financial statements | 4,400 | 17,350 |
| Audit of compliance plan | <u>2,346</u> | <u>2,346</u> |
| Total auditor remuneration and other assurance services | <u>6,746</u> | <u>19,696</u> |
| <i>Taxation services</i> | | |
| Tax compliance services | - | 15,146 |
| Total remuneration for taxation services | <u>-</u> | <u>15,146</u> |
| Total remuneration of PricewaterhouseCoopers | <u>6,746</u> | <u>34,842</u> |

The auditor's remuneration is borne by the Fund. Fees are stated exclusive of GST.

12 Related party transactions

The Responsible Entity of PanAgora Dynamic Global Equity Fund is Equity Trustees Limited (ABN 46 004 031 298) (AFSL 240975). Accordingly, transactions with entities related to Equity Trustees Limited are disclosed below.

The Responsible Entity has contracted services to PanAgora Asset Management Inc to act as Investment Manager for the Fund and State Street Australia Limited to act as Custodian and Administrator for the Fund. The contracts are on normal commercial terms and conditions.

(a) Key management personnel

(i) Directors

Key management personnel include persons who were directors of Equity Trustees Limited at any time during or since the end of the financial year and up to the date of this report.

| | |
|-------------------|--------------------------|
| Philip D Gentry | Chairman |
| Michael J O'Brien | |
| Russell W Beasley | |
| Mary A O'Connor | |
| David B Warren | (appointed 6 March 2023) |

12 Related party transactions (continued)

(a) Key management personnel (continued)

(ii) Responsible Entity

Other than fees paid to the Responsible Entity, there were no other transactions.

(iii) Other key management personnel

There were no other key management personnel with responsibility for planning, directing and controlling activities of the Fund, directly or indirectly during the financial year.

(b) Transactions with key management personnel

There were no transactions with key management personnel during the reporting period.

(c) Key management personnel unit holdings

Key management personnel did not hold units in the Fund as at 30 June 2023 (30 June 2022:nil).

(d) Key management personnel compensation

Key management personnel are paid by EQT Services Pty Ltd. Payments made from the Fund to Equity Trustees Limited do not include any amounts directly attributable to the compensation of key management personnel.

(e) Key management personnel loans

The Fund has not made, guaranteed or secured, directly or indirectly, any loans to key management personnel or their personally related entities at any time during the reporting period.

(f) Other transactions within the Fund

Apart from those details disclosed in this note, no key management personnel have entered into a material contract with the Fund during the financial year and there were no material contracts involving management personnel's interests existing at year end.

(g) Responsible Entity fees, Investment Manager's fees and other transactions

The transactions during the year and amounts payable as at year end between the Fund, the Responsible Entity and the Investment Manager were as follows:

| | Year ended | |
|---|-----------------|-----------------|
| | 30 June 2023 | 30 June 2022 |
| | \$ | \$ |
| Responsible Entity fees for the year | - | 101,105 |
| Responsible Entity fees payable at year end | - | 21,333 |

Under the terms of the Fund's Constitution and Product Disclosure Statement, management fees and costs includes responsible entity fees paid to the Responsible Entity, management fees paid to the Investment Manager and other costs (such as custody fees, administration fees and audit fees) paid to other unrelated parties. Please refer to the Fund's Product Disclosure Statement for information on how management fees and costs are calculated.

12 Related party transactions (continued)

(h) Related party unit holdings

Parties related to the Fund (including Equity Trustees Limited, its related parties and other schemes managed by Equity Trustees Limited and the Investment Manager) held no units in the Fund as at 30 June 2023 (30 June 2022: nil).

(i) Investments

The Fund did not hold any investments in Equity Trustees Limited or its related parties as at 30 June 2023 (30 June 2022: nil).

13 Events occurring after the reporting year

The Fund's financial report for the year ended 30 June 2023 will be the final financial report in respect of the Fund. The Fund had a residual cash balance as at the termination date which has been remitted to the unitholders subsequent to the year end.

Other than the above, no other significant events have occurred since the end of the year which would impact on the financial position of the Fund as disclosed in the statement of financial position as at 30 June 2023 or on the results and cash flows of the Fund for the year ended on that date.

14 Contingent assets and liabilities and commitments

There were no outstanding contingent assets, liabilities or commitments as at 30 June 2023 and 30 June 2022.

Directors' declaration

In the opinion of the directors of the Responsible Entity:

- (a) The financial statements and notes set out on pages 6 to 25 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Australian Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Fund's financial position as at 30 June 2023 and of its performance for the financial year ended on that date.
- (b) There are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable; and
- (c) Note 2(a) confirms that the financial statements also comply with the International Financial Reporting Standards as issued by the International Accounting Standards Board.

This declaration is made in accordance with a resolution of the directors of Equity Trustees Limited through a delegated authority given by Equity Trustees Limited's Board.

Philip D Gentry

Melbourne
24 October 2023

Independent auditor's report

To the unit holders of PanAgora Dynamic Global Equity Fund

Our opinion

In our opinion:

The accompanying financial report of PanAgora Dynamic Global Equity Fund (the Fund) is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Fund's financial position as at 30 June 2023 and of its financial performance for the year then ended
- (b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

What we have audited

The financial report comprises:

- the statement of financial position as at 30 June 2023
- the statement of comprehensive income for the year then ended
- the statement of changes in equity for the year then ended
- the statement of cash flows for the year then ended
- the notes to the financial statements, which include significant accounting policies and other explanatory information
- the directors' declaration.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Emphasis of matter - going concern no longer appropriate

We draw attention to Note 2(a) in the financial report, which outlines that the Fund was terminated on 30 June 2023. As a result, the financial report has been prepared on a liquidation basis and not on a going concern basis. Our opinion is not modified in respect of this matter.

Other information

The directors of Equity Trustees Limited (the Responsible Entity) are responsible for the other information. The other information comprises the information included in the annual report for the year ended 30 June 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon through our opinion on the financial report.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors of the Responsible Entity for the financial report

The directors of the Responsible Entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors of the Responsible Entity determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors of the Responsible Entity are responsible for assessing the ability of the Fund to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Responsible Entity either intend to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.
