Selector Funds Management Limited

Selector Funds Management Limited (Selector) is a Sydney based Australian equities fund manager founded in 2002. Selector's approach is to invest for the long-term using a bottom-up stock selection process. Our Funds are high conviction and benchmark agnostic.

The business remains founder led, and majority owned by management.

Selector Australian Equities Fund

The Selector Australian Equities Fund invests in a concentrated portfolio of Australian listed companies. The portfolio will generally consist of 25 to 40 investments and individual holdings may represent up to 10% of the total portfolio.

The Responsible Entity and issuer of the Selector Australian Equities Fund is Equity Trustees Limited (ABN 46 004 031 298 | AFSL 240975), a subsidiary of EQT Holdings Limited (ABN 22 607 797 615)

Investment Philosophy & Approach

Selector's investment philosophy is to seek businesses with:

1. Competent management teams
2. Business leadership qualities
3. Strong balance sheets
4. A focus on capital management

All research is undertaken in-house. It is an intensive, granular approach guided by our investment roadmap which is both qualitative and quantitative in nature.

Selector's investment approach has been consistent since inception and provides a repeatable framework that drives our three-part research process of company engagement, financial modelling, and our internal voting program.

This is a low turnover approach that aims to capture the benefits of real earnings per share growth and compounding.

Disclaimer

This Fact Sheet has been prepared by Selector to provide you with general information only. In preparing this update, we did not take into account the investment objectives, financial situation or particular needs of any particular person. It is not intended to take the place of professional advice, and you should not take action on specific issues in reliance on this information. Neither Selector, Equity Trustees nor any of its related parties, their employees or directors, provide and warranty of accuracy or reliability in relation to such information or accepts any liability to any person who relies on it. Past performance should not be taken as an indicator of future performance. You should obtain a copy of the Product Disclosure Statement before making a decision about whether to invest in this product. Selector does not guarantee the repayment of capital, payment of income or performance.

Selector's Target Market Determination is available [here](#). A Target Market Determination is a document which is required to be made available from 5 October 2021. It describes who this financial product is likely to be appropriate for (i.e. the target market), and any conditions around how the product can be distributed to investors. It also describes the events or circumstances where the Target Market Determination for this financial product may need to be reviewed.

Unauthorised use, copying, distribution, replication, posting, transmitting, publication, display, or reproduction in whole or in part of the information contained in this material is prohibited without obtaining prior written consent from Selector.

In regard to the Selector Australian Equities Fund, the responsible entity will provide a financial services guide as soon as practicable after it becomes apparent to the providing entity that the financial service will be, or is likely to be, provided to the client, and must in any event be given to the client before the financial service is provided to a retail client.

The rating contained in this document is issued by SQM Research Pty Ltd ABN 93 122 592 036 AFSL 421913. SQM Research is an investment research firm that undertakes research on investment products exclusively for its wholesale clients, utilising a proprietary review and star rating system. The SQM Research star rating system is of a general nature and does not take into account the particular circumstances or needs of any specific person. The rating may be subject to change at any time. Only licensed financial advisers may use the SQM Research star rating system in determining whether an investment is appropriate to a person's particular circumstances or needs. You should read the product disclosure statement and consult a licensed financial adviser before making an investment decision in relation to this investment product. SQM Research receives a fee from the Fund Manager for the research and rating of the managed investment scheme.
