Directors' declaration

Independent auditor's report to the unit holders of Vontobel Global Equity Fund

This annual report covers Vontobel Global Equity Fund as an individual entity.

The Responsible Entity of Vontobel Global Equity Fund is Equity Trustees Limited (ABN 46 004 031 298) (AFSL 240975).

The Responsible Entity's registered office is:

Level 1, 575 Bourke Street
Melbourne, VIC 3000.

Directors' report

The directors of Equity Trustees Limited, the Responsible Entity of the Vontobel Global Equity Fund (the "Fund"), present their report together with the financial statements of the Fund for the year ended 30 June 2024.

Principal activities

The Fund invests in a portfolio of global equity securities consisting of common stocks and securities convertible into common stocks such as warrants, rights, convertible bonds, debentures and cash equivalents in accordance with its Information Memorandum and the provisions of the Fund's Constitution.

The Fund did not have any employees during the year.

There were no significant changes in the nature of the Fund's activities during the year.

The various service providers for the Fund are detailed below:

Service	Provider
Responsible Entity	Equity Trustees Limited
Investment Manager	Vontobel Asset Management, Inc.
Custodian and Administrator	The Northern Trust Company
Statutory Auditor	Deloitte Touche Tohmatsu

Directors

The following persons held office as directors of Equity Trustees Limited during or since the end of the year and up to the date of this report:

Philip D Gentry	Chairman (resigned 6 June 2024)
Michael J O'Brien	Chairman (appointed 6 June 2024)
Russell W Beasley	
Mary A O'Connor	
David B Warren	
Andrew P Godfrey	(appointed 1 May 2024)

Review and results of operations

During the year, the Fund continued to invest funds in accordance with its Information Memorandum and the provisions of the Fund's Constitution.

The Fund's performance was 10.89%, (net of fees) for the year ended 30 June 2024. The Fund's benchmark, the MSCI ACWI Free Index returned 18.98% for the same year.

Net Fund performance is based on end of the month hard close redemption prices assuming the reinvestment of all distributions and capital gains. Net return is calculated after the deduction of actual trading expenses and is net of taxes withheld on foreign dividends, interest and capital gains and after deducting the stated management fees and costs, which includes management and other administrative fees (custody, legal, administration, audit and other fees).

The performance of the Fund, as represented by the results of its operations, was as follows:

	Year ended	
	30 June 2024	30 June 2023
Profit/(loss) for the year (\$'000)	5,685	8,477
Distributions paid and payable (\$'000)	1,215	799
Distributions (cents per unit)	4.21	2.77

Directors' report (continued)

Significant changes in the state of affairs

Andrew P Godfrey was appointed as a director of Equity Trustees Limited on 1 May 2024.

Philip D Gentry resigned as director of Equity Trustees Limited on 6 June 2024.

In the opinion of the directors, there were no other significant changes in the state of affairs of the Fund that occurred during the financial year.

Matters subsequent to the end of the financial year

No matter or circumstance has arisen since 30 June 2024 that has significantly affected, or may have a significant effect on:

- (i) the operations of the Fund in future financial years; or
- (ii) the results of those operations in future financial years; or
- (iii) the state of affairs of the Fund in future financial years.

Likely developments and expected results of operations

The Fund will continue to be managed in accordance with the investment objectives and guidelines as set out in the Information Memorandum and the provisions of the Fund's Constitution.

The results of the Fund's operations will be affected by a number of factors, including the performance of investment markets in which the Fund invests. Investment performance is not guaranteed and future returns may differ from past returns. As investment conditions change over time, past returns should not be used to predict future returns.

Indemnification and insurance of officers

No insurance premiums are paid for out of the assets of the Fund in regard to insurance cover provided to the officers of Equity Trustees Limited. So long as the officers of Equity Trustees Limited act in accordance with the Fund's Constitutions and the Law, the officers remain indemnified out of the assets of the Fund against losses incurred while acting on behalf of the Fund.

Indemnification of auditor

The auditor of the Fund is in no way indemnified out of the assets of the Fund.

Fees paid to and interests held in the Fund by the Responsible Entity and its associates

Fees paid to the Responsible Entity and its associates out of the Fund's property during the year are disclosed in Note 13 to the financial statements.

No fees were paid out of the Fund's property to the directors of the Responsible Entity during the year.

The number of interests in the Fund held by the Responsible Entity or its associates as at the end of the financial year are disclosed in Note 13 to the financial statements.

Interests in the Fund

The movement in units on issue in the Fund during the year is disclosed in Note 6 to the financial statements.

The value of the Fund's assets and liabilities is disclosed in the statement of financial position and derived using the basis set out in Note 2 to the financial statements.

Environmental regulation

The operations of the Fund are not subject to any particular or significant environmental regulations under Commonwealth, State or Territory law.

Rounding of amounts to the nearest thousand dollars

Amounts in the Directors' report have been rounded to the nearest thousand dollars in accordance with *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, unless otherwise indicated.

Directors' report (continued)

Auditor's independence declaration

A copy of the Auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 5.

This report is made in accordance with a resolution of the directors of Equity Trustees Limited through a delegated authority given by Equity Trustees Limited's Board.

Andrew P Godfrey
Director

Melbourne
11 September 2024

11 September 2024

The Board of Directors
Equity Trustees Limited
Level 1, 575 Bourke Street
MELBOURNE VIC 3000

Dear Board Members,

Auditor's Independence Declaration- Vontobel Global Equity Fund

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the Directors of Equity Trustees Limited, the Responsible Entity, regarding the financial report of Vontobel Global Equity Fund (the "Fund").

As lead audit partner for the audit of the financial report of the Fund for the financial year ended 30 June 2024, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- any applicable code of professional conduct in relation to the audit.

Yours faithfully

DELOITTE TOUCHE TOHMATSU

Jonathon Corbett

1 General information

These financial statements cover Vontobel Global Equity Fund (the "Fund") as an individual entity. The Fund is an Australian registered managed investment scheme which was constituted on 8 July 2011 and will terminate in accordance with the provisions of the Fund's Constitution or by Law.

The Responsible Entity of the Fund is Equity Trustees Limited (ABN 46 004 031 298) (AFSL 240975) (the "Responsible Entity"). The Responsible Entity's registered office is Level 1, 575 Bourke Street, Melbourne, VIC 3000. The financial statements are presented in the Australian currency unless otherwise noted.

The Fund invests in a portfolio of global equity securities consisting of common stocks and securities convertible into common stocks such as warrants, rights, convertible bonds, debentures and cash equivalents in accordance with the Fund's Information Memorandum and the provisions of the Fund's Constitution.

The financial statements were authorised for issue by the directors on the date the Directors' declaration was signed. The directors of the Responsible Entity have the power to amend and reissue the financial statements.

2 Summary of material accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated in the following text.

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001* in Australia. The Fund is a for-profit entity for the purpose of preparing the financial statements.

The financial statements are prepared on the basis of fair value measurement of assets and liabilities, except where otherwise stated.

The statement of financial position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and do not distinguish between current and non-current. All balances are expected to be recovered or settled within 12 months, except for investments in financial assets and financial liabilities and net assets attributable to unit holders.

The Fund manages financial assets at fair value through profit or loss based on the economic circumstances at any given point in time, as well as to meet any liquidity requirements. As such, it is expected that a portion of the portfolio will be realised within 12 months, however, an estimate of that amount cannot be determined as at reporting date.

In the case of net assets attributable to unit holders, the units are redeemable on demand at the unit holders' option. However, holders of these instruments typically retain them for the medium to long term. As such, the amount expected to be settled within 12 months cannot be reliably determined.

(i) Compliance with International Financial Reporting Standards (IFRS)

The financial statements of the Fund also comply with IFRS as issued by the International Accounting Standards Board (IASB).

(ii) New and amended standards adopted by the Fund

The Fund has applied the following standards and amendments for the first time for its financial year beginning 1 July 2023:

- AASB 2021-2 Amendments to Australian Accounting Standards – Disclosure of Accounting Policies and Definition of Accounting Estimates [AASB 7, AASB 101, AASB 108, AASB 134 & AASB Practice Statement 2].

The amendments have had an impact on the Fund's disclosures of accounting policies, including the requirement to disclose 'material' rather than 'significant' accounting policies, but not on the measurement, recognition or presentation of any items in the Fund's financial statements.

None of the other standards, interpretations or amendments to existing standards that are effective for the first time for the financial year beginning 1 July 2023 have a material impact on the amounts recognised in the prior periods or will affect the current or future periods.

(iii) New standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 July 2024, and have not been early adopted in preparing these financial statements.

None of these are expected to have a material effect on the financial statements of the Fund.

2 Summary of material accounting policies (continued)

(b) Financial instruments

(i) Classification

- Financial assets

The Fund classifies its financial assets in the following measurement categories:

- those to be measured at fair value through profit or loss; and
- those to be measured at amortised cost.

The Fund classifies its financial assets based on its business model for managing those financial assets and the contractual cash flow characteristics of the financial assets.

The Fund's portfolio of financial assets is managed and its performance is evaluated on a fair value basis in accordance with the Fund's documented investment strategy. The Fund's policy is for the Investment Manager to evaluate the information about these financial assets on a fair value basis together with other related financial information.

For equity securities and derivatives, the contractual cash flows of these instruments do not represent solely payments of principal and interest. Consequently, these investments are measured at fair value through profit or loss.

For cash and cash equivalents, due from brokers and receivables, these assets are held in order to collect the contractual cash flows. The contractual terms of these assets give rise, on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Consequently, these are measured at amortised cost.

- Financial liabilities

For financial liabilities that are not classified and measured at fair value through profit or loss, these are classified as financial liabilities at amortised cost (due to brokers, distributions payable, management fees payable, custodian fees payable and other payables).

(ii) Recognition and derecognition

The Fund recognises financial assets and financial liabilities on the date it becomes party to the contractual agreement (trade date) and recognises changes in fair value of the financial assets and financial liabilities from this date.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or the Fund has transferred substantially all the risks and rewards of ownership. Financial liabilities are derecognised when the obligation under the liability is discharged, cancelled or expires.

(iii) Measurement

- Financial instruments at fair value through profit or loss

At initial recognition, the Fund measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of comprehensive income.

Subsequent to initial recognition, all financial assets at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of 'financial assets at fair value through profit or loss' category are presented in the statements of comprehensive income within 'net gains/(losses) on financial instruments at fair value through profit or loss' in the period in which they arise.

For further details on how the fair value of financial instruments is determined please see Note 4 to the financial statements.

- Financial instruments at amortised cost

For financial assets and financial liabilities at amortised cost, they are initially measured at fair value including directly attributable costs and are subsequently measured using the effective interest rate method less any allowance for expected credit losses.

Cash and cash equivalents, due from brokers and receivables are carried at amortised cost.

2 Summary of material accounting policies (continued)

(b) Financial instruments (continued)

(iv) Impairment

At each reporting date, the Fund shall estimate a loss allowance on each of the financial assets carried at amortised cost (cash and cash equivalents, due from broker and receivables) at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. If, at the reporting date, the credit risk has not increased significantly since initial recognition, the Fund shall measure the loss allowance at an amount equal to 12-month expected credit losses. Significant financial difficulties of the counter party, probability that the counter party will enter bankruptcy or financial reorganisation, and default in payments are all considered indicators that the asset is credit impaired. If the credit risk increases to the point that it is considered to be credit impaired, interest income will be calculated based on the net carrying amount adjusted for the loss allowance. A significant increase in credit risk is defined by management as any contractual payment which is more than 30 days past due. Any contractual payment which is more than 90 days past due is considered credit impaired.

The expected credit loss (ECL) approach is based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Fund expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

The amount of the impairment loss is recognised in the statement of comprehensive income within other expenses. When a trade receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in the statement of comprehensive income.

(v) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position when the Fund has a legally enforceable right to offset the recognised amounts, and there is an intention to settle on a net basis or realise an asset and settle a liability simultaneously.

As at the end of the reporting period, there are no financial assets or liabilities offset or with the right to offset in the statement of financial position.

(c) Net assets attributable to unit holders

Units are redeemable at the unit holders' option; however, applications and redemptions may be suspended by the Responsible Entity if it is in the best interests of the unit holders.

The units can be put back to the Fund at any time for cash based on the redemption price, which is equal to a proportionate share of the Fund's net asset value attributable to the unit holders.

The units are carried at the redemption amount that is payable at the reporting date if the holder exercises the right to put the units back to the Fund.

The Fund's units are classified as equity as they satisfy the following criteria under AASB 132 *Financial Instruments: Presentation*:

- the puttable financial instrument entitles the holder to a pro-rata share of net assets in the event of the Fund's liquidation;
- the puttable financial instrument is in the class of instruments that is subordinate to all other classes of instruments and class features are identical;
- the puttable financial instrument does not include any contractual obligations to deliver cash or another financial asset, or to exchange financial instruments with another entity under potentially unfavourable conditions to the Fund, and it is not a contract settled in the Fund's own equity instruments; and
- the total expected cash flows attributable to the puttable financial instrument over the life are based substantially on the profit or loss.

(d) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Payments and receipts relating to the purchase and sale of investment securities are classified as cash flows from operating activities, as trading of these securities represents the Fund's main income generating activity.

2 Summary of material accounting policies (continued)

(e) Income

(i) Interest income

Interest income from financial assets at amortised cost is recognised using the effective interest method and includes interest from cash and cash equivalents.

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts throughout the expected life of the financial instrument, or a shorter period where appropriate, to the net carrying amount of the financial asset. When calculating the effective interest rate, the Fund estimates cash flows considering all contractual terms of the financial instruments (for example, prepayment options) but does not consider future credit losses. The calculation includes all fees paid or received between the parties to the contract that are an integral part of the effective interest rate, including transaction costs and all other premiums or discounts.

(ii) Dividends

Dividend income is recognised on the ex-dividend date with any related foreign withholding tax recorded as an expense. The Fund currently incurs withholding tax imposed by certain countries on investment income. Such income is recorded gross of withholding tax in the statement of comprehensive income.

(f) Expenses

All expenses are recognised in the statement of comprehensive income on an accruals basis.

Management fees and costs covers certain ordinary expenses such as Responsible Entity fees, investment management fees, custodian fees, and administration and audit fees and other operating expenses.

(g) Income tax

Under current legislation, the Fund is not subject to income tax provided it attributes the entirety of its taxable income to its unit holders.

The Fund currently incurs withholding taxes imposed by certain countries on investment income and capital gains. Such income or gains are recorded gross of withholding taxes in the statement of comprehensive income. Withholding taxes are included in the statement of comprehensive income as an expense.

(h) Distributions

The Fund may distribute its distributable income, in accordance with the Fund's Constitution, to unit holders by cash or reinvestment. The distributions are recognised in the statement of changes in equity.

(i) Foreign currency translation

(i) Functional and presentation currency

Balances included in the Fund's financial statements are measured using the currency of the primary economic environment in which it operates (the "functional currency"). This is the Australian dollar which reflects the currency of the economy in which the Fund competes for funds and is regulated. The Australian dollar is also the Fund's presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of comprehensive income.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when fair value was determined.

The Fund does not isolate that portion of unrealised gains and losses on financial instruments at fair value through profit or loss which is due to changes in foreign exchange rates. Such fluctuations are included in the net gains/(losses) on financial instruments at fair value through profit or loss.

2 Summary of material accounting policies (continued)

(j) Due from/to brokers

Amounts due from/to brokers represent receivables for securities sold and payables for securities purchased that have been contracted for but not yet delivered by the end of the year. The due from brokers balance is held for collection and is recognised initially at fair value and subsequently measured at amortised cost.

(k) Receivables

Receivables may include amounts for interest and dividends. Dividends are accrued when the right to receive payment is established. Where applicable, interest is accrued on a daily basis. Amounts are generally received within 30 days of being recorded as receivables.

(l) Payables

Payables include liabilities, accrued expenses owed by the Fund and any distributions declared which are unpaid as at the end of the reporting period.

A separate distribution payable is recognised in the statement of financial position.

Distributions declared effective 30 June in relation to unit holders who have previously elected to reinvest distributions are recognised as reinvested effective 1 July of the following financial year.

(m) Applications and redemptions

Applications received for units in the Fund are recorded net of any entry fees payable prior to the issue of units in the Fund. Redemptions from the Fund are recorded gross of any exit fees payable after the cancellation of units redeemed.

(n) Goods and services tax (GST)

The GST incurred on the costs of various services provided to the Fund by third parties such as management, administration and custodian services where applicable, have been passed on to the Fund. The Fund qualifies for Reduced Input Tax Credits (RITC) at a rate of at least 55%. Hence, fees for these services and any other expenses have been recognised in the statement of comprehensive income net of the amount of GST recoverable from the Australian Taxation Office (ATO). Amounts payable are inclusive of GST. The net amount of GST recoverable from the ATO is included in receivables in the statement of financial position. Cash flows relating to GST are included in the statement of cash flows on a gross basis.

(o) Use of estimates and judgements

The Fund makes estimates, assumptions and judgements that affect the reported amounts of assets and liabilities within the current and next financial year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods effected.

For the majority of the Fund's financial instruments, quoted market prices are readily available.

Models use observable data, to the extent practicable. However, areas such as credit risk (both own and counterparty), volatilities and correlations, require management to make estimates and judgements. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

For more information on how fair value is calculated refer to Note 4 to the financial statements.

(p) Rounding of amounts

The Fund is an entity of a kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* relating to the "rounding off" of amounts in the financial statements. Amounts in the financial statements have been rounded to the nearest thousand dollars, unless otherwise indicated.

3 Financial risk management

The Fund's activities exposes it to a variety of financial risks including market risk (which incorporates price risk, foreign exchange risk and interest rate risk), credit risk and liquidity risk.

The Fund's overall risk management programme focuses on ensuring compliance with the Fund's Information Memorandum and the investment guidelines of the Fund. It also seeks to maximise the returns derived for the level of risk to which the Fund is exposed and seeks to minimise potential effects on the Fund's financial performance. The Fund's policy allows it to use derivative financial instruments in managing its financial risks.

All investments present a risk of loss of capital. The maximum loss on long equity securities is limited to the fair value of those positions. The maximum loss on capital on futures and forward currency contracts is limited to the notional contract values of those positions.

The investments of the Fund, and the associated risks, are managed by the Investment Manager, Vontobel Asset Management Inc. in accordance with the investment strategy and investment guidelines of the Fund. The Fund invests in global stocks. They are actively managed portfolios of global securities, managed on a thematic basis.

The Fund uses different methods to measure different types of risk to which it is exposed. These methods are explained below.

(a) Market risk

(i) Price risk

The Fund is exposed to price risk on equity securities listed or quoted on recognised securities exchanges and derivatives. Price risk arises from investments held by the Fund for which prices in the future are uncertain. Where non-monetary financial instruments are denominated in currencies other than the Australian dollar, the price in the future will also fluctuate because of changes in foreign exchange rates which are considered a component of price risk.

Price risk is managed with specific risk controls. Individual position weights generally do not exceed 5% of the portfolio. A concentration of 5% in a stock would normally trigger a reduction in the percentage held. Portfolios are also diversified by investment themes and by sector. The Sub Investment Manager's investment and compliance teams monitor the portfolio on a daily basis to ensure compliance with the investment guidelines.

The table at Note 3(b) summarises the sensitivities of the Fund's assets and liabilities to price risk. The analysis is based on the reasonably possible shift that the investment portfolio in which the Fund invests moves by +/- 10% (2023: +/- 10%).

(ii) Foreign exchange risk

The Fund operates internationally and hold both monetary and non-monetary assets denominated in currencies other than the Australian dollar. Foreign exchange risk arises as the value of monetary securities denominated in other currencies fluctuate due to changes in exchange rates. The foreign exchange risk relating to non-monetary assets and liabilities is a component of price risk and not foreign exchange risk. However, the Investment Manager monitors the exposure of all foreign currency denominated assets and liabilities.

Foreign exchange risk is managed by the use of foreign currency derivative financial instruments to hedge against foreign currency exposure. However, for accounting purposes, the Fund does not designate any derivatives hedges in a hedging relationship, and hence these derivative financial instruments are classified as at fair value through profit or loss.

When the Investment Manager formulates a view on the future direction of foreign exchange rates and the potential impact on the Fund, the Investment Manager factors that into its portfolio allocation decisions. While the Fund has direct exposure to foreign exchange rate changes on the price of non-Australian dollar-denominated securities, it may also be indirectly affected by the impact of foreign exchange rate changes on the earnings of certain companies in which the Fund invests, even if those companies' securities are denominated in Australian dollars.

3 Financial risk management (continued)

(a) Market risk (continued)

(ii) Foreign exchange risk (continued)

The table below summarises the fair value of the Fund's financial assets and liabilities, monetary and non-monetary, which are denominated in a currency other than the Australian dollar.

	As at 30 June 2024		As at 30 June 2023	
	US Dollars A\$'000	All other foreign currencies A\$'000	US Dollars A\$'000	All other foreign currencies A\$'000
Cash and cash equivalents	-	-	3	-
Receivables	35	62	19	52
Due from brokers - receivable for securities sold	115	-	-	80
Financial assets at fair value through profit or loss	37,529	19,942	26,197	25,736
Foreign exchange contracts	-	-	-	5
Due to brokers - payable for securities purchased	-	-	-	(132)
Net exposure	37,679	20,004	26,219	25,741

The table at Note 3(b) summarises the sensitivities of the Fund's monetary assets and liabilities to foreign exchange risk. The analysis is based on the reasonably possible shift that the Australian dollar weakened and strengthened by 10% (2023: +/- 10%) against the material foreign currencies to which the Fund is exposed.

(iii) Cash flow and fair value interest rate risk

The Fund is exposed to cash flow interest rate risk on financial instruments with variable interest rates.

The Fund's interest bearing financial instruments expose them to risks associated with the effects of fluctuation in the prevailing market interest rate on its financial positions and cash flows. The impact of interest rate risk on the-profit and net assets attributable to unit holders and operating profit are is considered immaterial to the Fund.

Interest rate risk management is undertaken by maintaining as close to a fully invested position as possible, thus limiting the exposure of the Fund to interest rate risk.

(b) Summarised sensitivity analysis

The following table summarises the sensitivity of the Fund's operating profit and net assets attributable to unit holders to market risks. The reasonably possible movements in the risk variables have been determined based on management's best estimate, having regard to a number of factors, including historical levels of changes in foreign exchange rates, interest rates and the historical correlation of the Fund's investments with the relevant benchmark and market volatility. However, actual movements in the risk variables may be greater or less than anticipated due to a number of factors, including unusually large market movements resulting from changes in the performance of, and/or correlation between, the performances of the economies, markets and securities in which the Fund invests. As a result, historic variations in risk variables should not be used to predict future variances in the risk variables.

	Impact on operating profit/net assets attributable to unit holders			
	Price risk		Foreign exchange risk	
	+10% \$'000	-10% \$'000	+10% \$'000	-10% \$'000
As at 30 June 2024	5,747	(5,747)	(21)	21
As at 30 June 2023	5,193	(5,193)	(2)	2

3 Financial risk management (continued)

(c) Credit risk

The Fund is exposed to credit risk, which is the risk that a counterparty will be unable to pay its obligations in full when they fall due, causing a financial loss to the Fund.

The Fund does not have a significant concentration of credit risk that arises from an exposure to a single counterparty or group of counterparties having similar characteristics. The main concentration of credit risk, to which the Fund is exposed, arises from cash and cash equivalents and amounts due from brokers balances. None of these assets are impaired nor past their due date. The maximum exposure to credit risk is the carrying of these balances at the reporting date.

(d) Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle their obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

Exposure to liquidity risk for the Fund may arise from the requirement to meet daily unit holder redemption requests or to fund foreign exchange related cash flow requirements.

Liquidity risk is managed by holding assets that are actively priced and can be readily disposed of.

In order to manage the Fund's overall liquidity, the Responsible Entity has the discretion to reject an application for units and to defer or adjust redemption of units if the exercise of such discretion is in the best interests of unit holders. The Fund did not reject or withhold any redemptions during 2024 and 2023.

(i) Maturities of non-derivative financial liabilities

The table below analyses the Fund's non-derivative financial liabilities into relevant maturity groupings based on the remaining period at reporting date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows. Units are redeemed on demand at the unit holders' option. However, the Responsible Entity does not envisage that the contractual maturity disclosed in the table below will be representative of the actual cash outflows, as holders of these instruments typically retain them for the medium to long term.

	Less than 1 month \$'000	1 to 6 months \$'000	6 to 12 months \$'000	Over 12 months \$'000	Total \$'000
As at 30 June 2024					
Distributions payable	1,215	-	-	-	1,215
Payables	18	303	-	-	321
Due to brokers - payable for securities purchased	-	-	-	-	-
Contractual cash flows (excluding derivatives)	1,233	303	-	-	1,536
As at 30 June 2023					
Distributions payable	799	-	-	-	799
Payables	-	344	-	-	344
Due to brokers - payable for securities purchased	131	-	-	-	131
Contractual cash flows (excluding derivatives)	930	344	-	-	1,274

4 Fair value measurement

The Fund measures and recognises financial assets and liabilities at fair value through profit or loss on a recurring basis.

- Financial assets at fair value through profit or loss (see Note 5)

The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 *Fair Value Measurement* requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

4 Fair value measurement (continued)

The Fund values its investments in accordance with the accounting policies set out in Note 2 to the financial statements. For the majority of its investments, the Fund relies on information provided by independent pricing services for the valuation of its investments.

(a) Valuation using level 1 inputs

The fair value of financial instruments traded in active markets are based on quoted market prices at the close of trading at the end of the reporting period without any deduction for estimated future selling costs.

The quoted market price used for financial assets held by the Fund is the current bid price; the quoted market price for financial liabilities is the current asking price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

(b) Recognised fair value measurements

The table below presents the Fund's financial assets and liabilities measured and recognised at fair value as at 30 June 2024.

	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
As at 30 June 2024				
Financial assets				
Listed equity securities	<u>57,472</u>	<u>-</u>	<u>-</u>	<u>57,472</u>
Total financial assets	<u>57,472</u>	<u>-</u>	<u>-</u>	<u>57,472</u>

As at 30 June 2023

Financial assets				
Listed equity securities	<u>51,932</u>	<u>-</u>	<u>-</u>	<u>51,932</u>
Total financial assets	<u>51,932</u>	<u>-</u>	<u>-</u>	<u>51,932</u>

(c) Transfer between levels

Management's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

There were no transfers between levels in the fair value hierarchy at the end of the reporting period.

(d) Financial instruments not carried at fair value

The carrying values of cash and cash equivalents, due from/due to brokers, receivables and payables approximate their fair values due to their short term nature.

5 Financial assets at fair value through profit or loss

	As at	
	30 June 2024 \$'000	30 June 2023 \$'000
Listed equity securities	<u>57,472</u>	<u>51,932</u>
Total financial assets at fair value through profit or loss	<u>57,472</u>	<u>51,932</u>

An overview of the risk exposures and fair value measurements relating to financial assets at fair value through profit or loss is included in Note 3 and Note 4 to the financial statements.

6 Net assets attributable to unit holders - equity

Under AASB 132 *Financial Instruments: Presentation*, puttable financial instruments are classified as equity where certain criteria are met. The Fund shall classify a financial instrument as an equity instrument from the date when the instrument has all the features and meets the conditions. The Fund's units are classified as equity as they meet the definition of a financial instrument to be classified as equity.

Movements in the number of units and net assets attributable to unit holders during the year were as follows:

	Year ended		Year ended	
	30 June 2024 Units '000	30 June 2024 \$'000	30 June 2023 Units '000	30 June 2023 \$'000
Opening balance	28,868	52,128	17,579	26,644
Applications	-	-	9,834	15,600
Redemptions	(496)	(1,000)	-	-
Reinvestment of distributions	442	799	1,455	2,206
Distributions paid and payable	-	(1,215)	-	(799)
Profit/(loss) for the year	-	5,685	-	8,477
Closing balance	<u>28,814</u>	<u>56,397</u>	<u>28,868</u>	<u>52,128</u>

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right in the underlying assets of the Fund.

There are no separate classes of units and a unit has the same rights attaching to it as all other units of the Fund.

Units are redeemed on demand at the unit holders' option. However, holders of these instruments typically retain them for the medium to long term. As such, the amount expected to be settled within twelve months after the end of the reporting period cannot be reliably determined.

Capital risk management

The Fund considers its net assets attributable to unitholders as capital which is classified as equity. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Fund's underlying assets on a daily basis by the Responsible Entity. Under the terms of the Fund's Constitution, the Responsible Entity has the discretion to reject an application for units and to defer or adjust a redemption of units if the exercise of such discretion is in the best interests of unitholders.

7 Distributions to unit holders

The distributions declared during the year were as follows:

	Year ended		Year ended	
	30 June 2024	30 June 2024	30 June 2023	30 June 2023
	\$'000	CPU	\$'000	CPU
June (payable)	<u>1,215</u>	<u>4.21</u>	<u>799</u>	<u>2.77</u>
Total distributions	<u>1,215</u>	<u>4.21</u>	<u>799</u>	<u>2.77</u>

8 Cash and cash equivalents

	As at	
	30 June 2024	30 June 2023
	\$'000	\$'000
Cash at bank	<u>247</u>	<u>1,314</u>
Total cash and cash equivalents	<u>247</u>	<u>1,314</u>

9 Reconciliation of profit/(loss) to net cash inflow/(outflow) from operating activities

(a) Reconciliation of profit/(loss) to net cash inflow/(outflow) from operating activities

	Year ended	
	30 June 2024	30 June 2023
	\$'000	\$'000
Profit/(loss) for the year	5,685	8,477
Proceeds from sale of financial instruments at fair value through profit or loss	19,484	8,849
Payments for purchase of financial instruments at fair value through profit or loss	(19,763)	(23,703)
Net (gains)/losses on financial instruments at fair value through profit or loss	(5,426)	(8,320)
Net change in receivables	(24)	92
Net change in payables	<u>(23)</u>	<u>65</u>
Net cash inflow/(outflow) from operating activities	<u>(67)</u>	<u>(14,540)</u>

(b) Non-cash operating and financing activities

The following distribution payments to unit holders were satisfied by the issue of units under the distribution reinvestment plan

	<u>799</u>	<u>2,206</u>
Total non-cash operating and financing activities	<u>799</u>	<u>2,206</u>

10 Receivables

	As at	
	30 June 2024	30 June 2023
	\$'000	\$'000
Interest receivable	-	2
Dividends receivable	44	29
Tax reclaims receivable	53	42
GST receivable	3	3
Total receivables	100	76

11 Payables

	As at	
	30 June 2024	30 June 2023
	\$'000	\$'000
Management fees and costs payable	321	344
Total payables	321	344

12 Remuneration of auditors

During the year the following fees were paid or payable for services provided by the auditors of the Fund:

	Year ended	
	30 June 2024	30 June 2023
	\$	\$
Deloitte Touche Tohmatsu		
<i>Audit and other assurance services</i>		
Audit of financial statements	13,619	12,593
Total auditor remuneration and other assurance services	13,619	12,593
<i>Taxation services</i>		
Tax compliance services	9,969	9,494
Total remuneration for taxation services	9,969	9,494
Total remuneration of Deloitte Touche Tohmatsu	23,588	22,087
PricewaterhouseCoopers		
<i>Audit and other assurance services</i>		
Audit of compliance plan	2,400	2,346
Total auditor remuneration and other assurance services	2,400	2,346
Total remuneration of PricewaterhouseCoopers	2,400	2,346

The auditors' remuneration is borne by the Fund. Fees are stated exclusive of GST.

13 Related party transactions

The Responsible Entity of Vontobel Global Equity Fund is Equity Trustees Limited (ABN 46 004 031 298) (AFSL 240975). Accordingly, transactions with entities related to Equity Trustees Limited are disclosed below.

The Responsible Entity has contracted services to Vontobel Asset Management Inc to act as Investment Manager for the Fund and The Northern Trust Company to act as Custodian and Administrator for the Fund. The contracts are on normal commercial terms and conditions.

(a) Key management personnel

(i) Directors

Key management personnel include persons who were directors of Equity Trustees Limited at any time during or since the end of the financial year and up to the date of this report.

Philip D Gentry	Chairman (resigned 6 June 2024)
Michael J O'Brien	Chairman (appointed 6 June 2024)
Russell W Beasley	
Mary A O'Connor	
David B Warren	
Andrew P Godfrey	(appointed 1 May 2024)

(ii) Responsible Entity

Other than fees paid to the Responsible Entity, there were no other transactions.

(iii) Other key management personnel

There were no other key management personnel with responsibility for planning, directing and controlling activities of the Fund, directly or indirectly during the financial year.

(b) Transactions with key management personnel

There were no transactions with key management personnel during the reporting period.

(c) Key management personnel unit holdings

Key management personnel did not hold units in the Fund as at 30 June 2024 (30 June 2023: nil).

(d) Key management personnel compensation

Key management personnel are paid by EQT Services Pty Ltd. Payments made from the Fund to Equity Trustees Limited do not include any amounts directly attributable to the compensation of key management personnel.

(e) Key management personnel loans

The Fund has not made, guaranteed or secured, directly or indirectly, any loans to key management personnel or their personally related entities at any time during the reporting period.

(f) Other transactions within the Fund

Apart from those details disclosed in this note, no key management personnel have entered into a material contract with the Fund during the reporting period and there were no material contracts involving management personnel's interests existing at year end.

13 Related party transactions (continued)

(g) Responsible Entity's fees, Investment Manager's fees and other transactions

The transactions during the year and amounts payable as at year end between the Fund, the Responsible Entity and the Investment Manager were as follows:

	Year ended	
	30 June 2024	30 June 2023
	\$	\$
Responsible Entity fees for the year	47,714	30,135
Management fees for the year	216,057	143,309
Responsible Entity fees payable at year end	4,185	3,348
Management fees payable at year end	263,646	288,349

Under the terms of the Fund's Constitution and Information Memorandum, management fees and costs includes responsible entity fees paid to the Responsible Entity, management fees paid to the Investment Manager and other costs (such as custody fees, administration fees and audit fees) paid to other unrelated parties. Please refer to the Fund's Information Memorandum for information on how management fees and costs are calculated.

(h) Related party unit holdings

Parties related to the Fund (including Equity Trustees Limited, their related parties and other schemes managed by Equity Trustees Limited and the Investment Manager) hold units in the Fund, as follows:

Unit holder As at 30 June 2024	Number of units held opening	Number of units held closing	Fair value of investment \$	Interest held %	Number of units acquired	Number of units disposed	Distributions paid/payable by the Fund \$
EQT Responsible Investment Global Share Fund (formerly known as EQT core International Fund)	28,868,043	28,814,595	56,398,809	100.00%	442,387	495,835	1,214,436
Unit holder As at 30 June 2023							
EQT Responsible Investment Global Share Fund (formerly known as EQT core International Fund)	17,579,236	28,868,043	52,127,027	100.00%	11,288,807	-	798,818

(i) Investments

The Fund did not hold any investments in Equity Trustees Limited or its related parties during the year (30 June 2023: nil).

14 Events occurring after the reporting period

No significant events have occurred since the end of the year which would impact on the financial position of the Fund as disclosed in the statement of financial position as at 30 June 2024 or on the results and cash flows of the Fund for the year ended on that date.

15 Contingent assets and liabilities and commitments

There were no outstanding contingent assets, liabilities or commitments as at 30 June 2024 and 30 June 2023.

Directors' declaration

In the opinion of the directors of the Responsible Entity:

- (a) The financial statements and notes set out on pages 6 to 24 are in accordance with the *Corporations Act 2001*, including:
- (i) complying with Australian Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Fund's financial position as at 30 June 2024 and of its performance for the financial year ended on that date.
- (b) There are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable; and
- (c) Note 2(a) confirms that the financial statements also comply with the International Financial Reporting Standards as issued by the International Accounting Standards Board.

This declaration is made in accordance with a resolution of the directors of Equity Trustees Limited through a delegated authority given by Equity Trustees Limited's Board.

Independent Auditor's Report to the Unit Holders of Vontobel Global Equity Fund

Opinion

We have audited the financial report of Vontobel Global Equity Fund (the "Fund") which comprises the statement of financial position as at 30 June 2024, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity for the year ended on that date, and notes to the financial statements, including material accounting policy information and other explanatory information, and the Directors' declaration.

In our opinion, the accompanying financial report of the the Fund is in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the Fund's financial position as at 30 June 2024 and of its financial performance for the year then ended; and
- complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the Directors of the Responsible Entity of the Fund (the "Directors"), would be in the same terms if given to the Directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Directors are responsible for the other information. The other information comprises the information included in the Directors' report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The Directors are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the ability of the Fund to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
