

FACT SHEET: EQT RESPONSIBLE INVESTMENT AUSTRALIAN SHARE FUND (CLASS B)

About the Fund

The EQT Responsible Investment Australian Share Fund offers a diverse portfolio comprising of high-quality companies that are currently included in, or suitable for inclusion in the ASX 200 index. The companies are selected through Equity Trustees' proprietary **Quality At a Reasonable Price (QARP)** investment process which identifies quality companies with an attractive industry structure, strong balance sheets, robust return on equity, substantial cashflows and good management.

Investment objective

The Fund is designed for investors seeking strong medium-long term capital growth potential, coupled with an increasing income stream payable from the dividends of the underlying shares. The Fund applies a framework of Responsible Investment practices and there is a distinct focus on the after-tax returns offered to investors. The Fund aims to outperform its Benchmark over a rolling 3-year period, after taking into account Fund fees and expenses.

About the Manager

Equity Trustees Limited (EQT) is the Investment Manager of the Fund, managing more than \$6 billion across various asset classes.

EQT is well resourced with an experienced team of investment professionals, managing funds across various client cohorts, such as large wholesale clients, superannuation funds, corporate trusts, philanthropic investors, not-for-profit organisations and individual investors.

EQT has been operating in Australia for more than 145 years, is listed on the Australian Stock Exchange and has a national presence.

Responsible Investing

Responsible investing principles are integrated into the investment process, targeting companies with sound ESG practices and a positive impact on economic, environmental, and social outcomes through the advancement of one or more of the United Nations Sustainable Development Goals (SDGs).

A negative screen is applied to the Fund, excluding companies that generate more than 10% of revenues from business activities involved in the manufacture of alcohol, tobacco, military armaments, the provision of adult entertainment and gaming products/services.

EQTAM has a zero-revenue tolerance for manufacturers of tobacco, tobacco-based products, nicotine alternatives, controversial weapons (as defined by MSCI) and nuclear weapons.

Certification by Responsible Investment Association Australasia

The Fund is certified by the Responsible Investment Association of Australasia (RIAA).

The Certification Symbol signifies that a product or services offers an investment style that takes into account environmental, social, governance or ethical considerations.

CERTIFIED BY RIAA

The symbol also signifies that the Fund adheres to the strict operational and disclosure practices required under the Responsible Investment Certification

Program for the category of Product Provider. The Certification Symbol is a Registered Trademark of RIAA. Detailed information about RIAA, the Symbol and the Fund's methodology, performance and stock holdings can be found at www.responsiblereturns.com.au, together with details about other responsible investment products certified by RIAA.

The Responsible Investment Certification Program does not constitute financial product advice. Neither the Certification Symbol nor RIAA recommends to any person that any financial product is a suitable investment or that returns are guaranteed. Appropriate professional advice should be sought prior to making an investment decision. RIAA does not hold an Australian Financial Services Licence.

Past performance should not be taken as an indicator of future performance. You should obtain a copy of the Product Disclosure Statement before making a decision about whether to invest in this product. The Fund's Target Market Determination is available here <https://www.eqt.com.au>. A Target Market Determination is a document which describes who this financial product is likely to be appropriate for (i.e. the target market), and any conditions around how the product can be distributed to investors. It also describes the events or circumstances where the Target Market Determination for this financial product may need to be reviewed.

^^Ratings are not the only factor to be taken into account when deciding whether to invest in a financial product. The rating contained in this document is issued by SQM Research Pty Ltd ABN 93 122 592 036 AFSL 421913. SQM Research is an investment research firm that undertakes research on investment products exclusively for its wholesale clients, utilising a proprietary review and star rating system. The SQM Research star rating system is of a general nature and does not take into account the particular circumstances or needs of any specific person. The rating may be subject to change at any time. Only licensed financial advisers may use the SQM Research star rating system in determining whether an investment is appropriate to a person's particular circumstances or needs. You should read the product disclosure statement and consult a licensed financial adviser before making an investment decision in relation to this investment product. SQM Research receives a fee from the Fund Manager for the research and rating of the managed investment scheme.
