

EQT MORTGAGE INCOME FUND (CLASS B)

About the Fund

The EQT Mortgage Income Fund is designed for investors seeking income returns higher than short-term money market returns.

The EQT Mortgage Income Fund invests in cash and mortgage loans secured by a first registered mortgage over selected improved retail, commercial, industrial, and residential real estate within Australia.

This is a conservatively managed Fund which seeks to produce income by providing loans to selected borrowers that meet the strict lending guidelines. The Fund does not provide loans in respect of development properties, construction projects, vacant land or shares in companies. The maximum Loan to Value ratio (LVR) for the loans are 66.67%.

Investment objective

The Fund aims to outperform its Benchmark over rolling three-year periods.

About the Manager

Equity Trustees Limited (EQT) is the Investment Manager of the Fund, managing more than \$6 billion across various asset classes.

EQT is well resourced with an experienced team of investment professionals, managing funds across various client cohorts, such as large wholesale clients, superannuation funds, corporate trusts, philanthropic investors, not-for-profit organisations and individual investors.

EQT has been operating in Australia for more than 145 years, is listed on the Australian Stock Exchange and has a national presence.
