November 14

Final day to make your 2026 benefit elections.

November 17

Watch your ERIE email for a Confirmation Statement, which is a summary of your 2026 benefits elections; double-check it for accuracy.

This is your final opportunity to review your 2026 elections to ensure that you have enrolled in the benefits coverage you intended for yourself and each of your eligible dependents. Notify the Benefits team by email, benefits.operations@erieinsurance.com, by November 25 if there are any corrections to your enrollment information.

November 25

Final deadline to notify the Benefits team by email, benefits.operations@erieinsurance.com, if there are any corrections to your enrollment information. **Legal restrictions prevent changes to your elections after this deadline.**

Week of December 30

If you newly enroll in ERIE's medical coverage or switch plan options for 2026, you'll receive a new medical ID card before January 1, either in the mail or digitally if you elected electronic statements. Physical ID cards can be requested from UnitedHealthcare, if desired.
