

Core Funds

Choosing investments from a large range of funds can sometimes feel overwhelming. To make this easier for you, PMG have selected 10 Core Funds from L&G's wider Group Pension Plan investment range.

These were selected following a structured review, which considered factors including long-term performance, diversification and charges.

Please note that the Core Funds are intended to make the investment range easier to navigate and do not represent personal investment advice.

Equity Funds	Name	Benchmark	Expenses (%)	Fund Performance (%)		
				1Y	3Y	5Y
