Forward Looking Statements Disclaimer

Important Notice

The purpose of this presentation is to provide general information about Fortescue Ltd and its subsidiaries (“Fortescue”). It is not recommended that any person makes any investment decision in relation to Fortescue based on this presentation. This presentation contains certain statements which may constitute “forward-looking statements”. Such statements are only predictions and are subject to inherent risks and uncertainties which could cause actual decisions, values, results, performance or achievements to differ materially from those expressed or implied in any forward-looking statement. Forward-looking statements are based on assumptions regarding Fortescue’s present and future business strategies and the future conditions in which Fortescue expects to operate. Accordingly, Fortescue cautions against undue reliance on such statements. Fortescue makes no representation, warranty or assurance, express or implied, as to the accuracy or likelihood of the forward-looking statements or any outcomes expressed or implied in any forward-looking statements contained in this presentation being achieved or proved to be correct. Except for statutory liability which cannot be excluded, Fortescue and its respective officers, employees and advisers expressly disclaims any responsibility for the accuracy or completeness of the material contained in this presentation and excludes all liability whatsoever (including in negligence) for any loss or damage which may be suffered by any person as a consequence of any information in this presentation or any error or omission therefrom. Except as required by applicable regulations or by law, Fortescue disclaims any obligation to publicly update or review any forward-looking statements, whether as a result of new information or future events.

Additional Information

This presentation should be read in conjunction with the Annual Report at 30 June 2024 together with any announcements made by Fortescue in accordance with Fortescue’s continuous disclosure obligations applying to it as a company listed on the Australian Securities Exchange. Any references to reserve and resources estimations should be read in conjunction with Fortescue’s Ore Reserves and Mineral Resources statements included in the FY24 Annual Report released to the Australian Securities Exchange on 28 August 2024. Fortescue confirms in the subsequent public report that it is not aware of any new information or data that materially affects the information included in the relevant market announcement and, in the case of estimates of mineral resources or ore reserves, that all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed. All amounts within this presentation are stated in United States Dollars consistent with the functional currency of Fortescue, unless otherwise stated. Tables contained within this presentation may contain immaterial rounding differences.
