General Mills

List of supplying mills Jan-Dec 2025

This represents the list of mills in General Mills' global supply chain in 2025, which are sourced indirectly through third-party refineries and traders.

The updated list includes the names of mills and suppliers that have subsequently been suspended in part due to the timing of the reporting period, which lags behind our most recent suspensions. We continue to work with suppliers to effectively remove all mills suspended by General Mills in accordance with our Responsible Palm Oil Sourcing Policy as part of our Palm Oil Grievance Log process. Any suspended mill or parent company that continues to appear in this list are marked with an asterisk.

As of September 2026, Group: Pasifik Agro Sentosa; Parent: Mitra Aneka Rezeki; Mill: Banyuasin in Indonesia is SUSPENDED and not part of General Mills' global supply chain
