- monitoring compliance by requiring customer-facing or supplier-facing employees of GLORY to review and confirm their compliance with our Legal Code of Conduct every year;
- training relevant employees who have responsibility for our supply chain and procurement about the risk and process for ensuring there is no slavery and human trafficking within GLORY's supply chains;
- ensuring GLORY has suitable contractual undertakings from our third-party suppliers as to their compliance with the law in this area;
- setting a 100% response rate KPI target (100% target reached in FY2023) from GLORY LTD's new suppliers and tier 1 suppliers to its corporate and social responsibility checklist which includes, amongst other things, questions on forced labour, inhumane treatment of individuals and child labour;
