Completing a South Central FS Commercial Credit Application

1. On your phone or computer, visit www.southcentralfs.com or scan the QR code to go directly to the credit app.
 - **If accessing from a computer** - click on Credit Application at the top of the website.

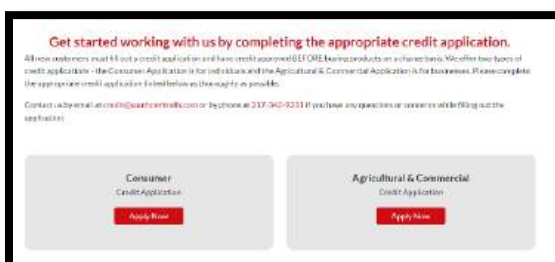

- **If accessing from a phone** - click on the 3 red lines in the upper right corner and then scroll down to Credit Application.

2. Choose the appropriate Credit Application

- **Consumer** – intended for residential or single product customers.
- **Agricultural & Commercial** – intended for businesses, farms, and multi-product customers.

- 3. Commercial Applicant Information** - Fill in the name and email for applicant. Click **Begin Signing**.
- 4. Complete the Credit Application in DocuSign** – Click the yellow Continue button to get started. Click on the blank fields to fill in your information. The red fields are required. Once completed, click the yellow Finish button at the bottom of the screen.

PowerForm Signer Information

Fill in the name and email for each signing role listed below. Signers will receive an email inviting them to sign this document.

Please enter your name and email to begin the signing process.

Applicant

Your Name: *

Full Name

Your Email: *

Email Address

- 5. Download a Copy** – Immediately after clicking Finish, you can download a copy of your document. You will also receive an email from DocuSign with the completed document, which gives you the option again to download the final copy.

- 6. Application Approval** - Upon approval of your application, your account will be setup in our system, and you will receive a welcome letter as shown here. At this point, you may begin making purchases.
