Subject: RE: Bitou Urban Edge

Good morning Marcel and Anje,

I hope this email finds you both well and lockdown is going well.

Alta Minnaar passed your email on to myself and Margaret Muller. With regards to the Upgrade of the DR 1797 Road, we are currently in the process of compiling the Draft Basic Assessment for the upgrade. We have complete the Minimum Applicability Checklist which has been sent to Jessica

Christie at the DEA&DP and are awaiting feedback.

Once we start with the Public Participation Process, as part of the Basic Assessment Process, we will include you in all emails to ensure you are updated on the progress of the project and kept informed.

When we get the Environmental Authorisation, the Western Cape Government will appoint an ECO and their information will be sent to you. To date, no construction has commenced for the DR 1797 Road Upgrade Project.

I hope this clarifies your question to Alta.

Kind regards

Michelle Miles Registered EAP

Dear Alta,

Please notify our Environmental Management Officer, Ms Anje Taljaard (copied herein) as to which ECO will be appointed for the project before the commencement of any works.

Regards,

Marcel

Good day Marcel,

We were appointed by the Western Cape govt for work on the DR1797 road in the Kurkland area.

Would you be able to assist with the shape files of the zoning of the area?

Kind regards

Alta Minnaar
