Health Alliance Plan®
by Henry Ford Health

Prior Authorization List Summary

Coverage of services for members is based on the member's subscriber documents and is subject to all terms and conditions including specific exclusions and limitations. These documents include:

- Schedule of Benefits
- Subscriber contract
- Member Benefit Guide
- Evidence of Coverage document (for Medicare Advantage Members)

Our *Benefit Administration Manual* policies are developed to provide guidance to members and providers.

A summary of the services/procedures that require prior authorization from Health Alliance Plan can be found on the following page. For details, please see the *Services that Require Prior Authorization List* when you log in at **hap.org** and select *Procedure Reference Lists* under *Quick Links*.

DISCLAIMER
This list is not all inclusive. Coverage limitations or exclusions may exist for certain types of members, providers and places of service. To ensure your service does not require an authorization, log in at **hap.org** and choose one of the options below.

- Check the *Procedure References Lists* under *Quick Links*

- Select the *Authorizations* link from the home page to submit a request through our online application, If the requested service does not require internal review, you will receive a message from our system.
