Resolutions proposed by the Board of Directors

a. Authorisation of the Board of Directors to permit the company to acquire treasury shares

The Board of Directors proposes that the general meeting authorises the Board of Directors, until the next annual general meeting, to allow the company to acquire treasury shares on an ongoing basis up to an aggregate nominal maximum amount corresponding to 10% of the company's share capital in accordance with section 198 of the Danish Companies Act. The purchase price paid in connection with the acquisition of the treasury shares must not deviate by more than 10% from the most recently quoted market price of the shares on NASDAQ Copenhagen A/S at the time of acquisition.

b. Reduction of the company's share capital

In accordance with the objectives being hedging of share-based incentive programmes and cancellation of shares of the share buy-back programme announced in company announcement no. 402 on 4 March 2021 and company announcement no. 410 on 18 March 2021, the Board of Directors proposes to reduce the company's share capital.

The proposal is to reduce the share capital by a nominal amount of DKK 4,833,650 from DKK 179,833,650 to DKK 175,000,000 through cancellation of 483,365 treasury shares of nominally DKK 10.00 each, corresponding to 2.69% of the total share capital.

The amount of the reduction will be distributed to the shareholders in accordance with section 188 of the Danish Companies Act. The shares for cancellation were acquired in the period 4 March 2021 to 18 February 2022 for a total amount of DKK 97,539,330, corresponding to an average price of DKK 201.79 per share (rounded), meaning that DKK 92,705,680 has been distributed to the shareholders in addition to the nominal reduction amount of DKK 4,833,650.

Before the share capital reduction is implemented, the company's creditors will be requested, through the IT system of the Danish Business Authority (Erhvervsstyrelsen), to file their claims within four weeks in accordance with section 192(1) of the Danish Companies Act. Under section 193(1) of the Danish Companies Act, the share capital reduction and the resulting amendment of the company's Articles of Association will be registered as final by the Danish Business Authority no later than four weeks after expiry of the time limit for the filing of claims by creditors, unless the share capital reduction cannot be implemented at such time under the provisions of the Danish Companies Act. Article 2.1 of the Articles of Association will be changed accordingly to reflect the new nominal share capital of DKK 175,000,000.

Following the capital reduction Article 2.1 of the Articles of Association will have the following wording:
" *The share capital of the company is DKK 175,000,000. The share capital has been admitted to listing on NASDAQ Copenhagen A/S, and the shares are registered with VP Securities A/S (CVR No. 21599336).*"

c. Authorisation to the chairman of the annual general meeting

The Board of Directors proposes that the chairman of the annual general meeting is, with a right of substitution, authorised to make such amendments and additions to the resolutions passed by the general meeting including to the Articles of Association, and to file any necessary application for registration with the Danish Business Authority.

8. Appointment of auditor

The Board of Directors proposes appointment of PricewaterhouseCoopers Statsautoriseret Revisionspartnerselskab, reg.no. 33771231, Strandvejen 44, 2900 Hellerup, Denmark.

The company has carried out a tender process regarding the company's audit services. The tender process was managed by the Audit Committee which assessed three accountancy firms based on selected criteria and recommended to the Board of Directors that PricewaterhouseCoopers Statsautoriseret Revisionspartnerselskab be proposed as auditor at the general meeting. The Board of Directors has decided to follow the Audit Committee's recommendation.

The Audit Committee's recommendation was not influenced by any third parties or by any agreements with third parties restricting the general meeting's choice of election of auditor to certain auditors or auditing firms.

9. Election of members to the Board of Directors

The term for all current board members expires at the annual general meeting, and all members are elected at the annual general meeting for a period expiring at the annual general meeting in 2023.

Accordingly, the Board of Directors proposes re-election of:
