

Global Urban Adventure

SUV-like toughness meets scooter convenience. India's first scooter to run on flex-fuel (up to E85) with proven Honda FlexTech, it conquers rough city roads and weekend escapes alike. Segment-leading 27L under-seat storage and rugged ADV styling — future-ready, and built for those who explore more.

WHAT SETS IT APART

156.9cc Water-cooled Engine

E85 Flex-Fuel (FlexTech)

India's First Flex-fuel Scooter
