THE BOLD MOVE

Every road is an open invitation. Answer it with the Honda CB350C Special Edition. Featuring bold stripes on the tank and side panels that gives it a muscular stance while turning heads from every angle. Make The Bold Move. Because when you do, something shifts within.

FULL LED HEADLAMP AND TAIL LAMP WITH FIRE-RING TYPE LED WINKERS

Light up your route. _____

Light up your journey brighter than before with these circular full LED headlamps and fire ring-type LED wipers, adding a touch of class to your ride.

E20 COMPLIANT

Responsible mobility.

Promoting cleaner and more sustainable mobility, supporting a greener future.

DUAL-CHANNEL ABS

Always in control.

The CB350C boasts dual-channel ABS, featuring a large 310mm front-disc brake and a 240mm rear-disc brake to maintain control even in emergency braking situations.

FRONT SUSPENSION COVER

Timeless aesthetic.

Elevating its strong and massive stance, the front suspension proudly wears metallic covers on its upper part. Serving as the authentic soul of the CB350C's retro design.

POWERFUL 350_{cc} ENGINE

Take the roads with power.

Unleash the power of 350 cc air-cooled, 4-stroke OHC single-cylinder engine for exhilarating acceleration and riding pleasure.

ASSIST SLIPPER CLUTCH

Seamless control, effortless riding.

Experience effortless clutch control with the Assist function, while the Slipper function helps prevent rear-wheel lock for smoother downshifts.

ROBUST TANK AESTHETIC

Fueling passion.

Ignite your enthusiasm and experience the raw might beneath your grasp with the bulky tank design of the CB350C, exuding an unmistakable aura of strength and dominance.

ROARING EXHAUST NOTE

Timeless aesthetic.

Your CB350C emits a distinctive throb, creating a rich and distinctive exhaust note.

SPLIT SEAT

Retro meets massive. _____

The split seat design gives a retro touch and provides ultimate comfort for both the riders.

LONG AND WIDE FENDERS

Crafted with precision. _____

Stay stylish and clean with these retro fenders that are a reflection of timeless aesthetics, designed to shield you from dirt and debris.

Honda SELECTABLE TORQUE CONTROL (HSTC)*

Powering your ride with enhanced security. _____

The HSTC* system maintains tire-to-surface traction, preventing slips and enhancing control.

SIDE STAND WITH ENGINE INHIBITOR

Stand bold, ride on. _____

No looking down to check your side stand, a glance on your meter is enough. Additionally, the inhibitor function restricts the engine from starting if the side stand is down.

Honda RoadSync

Take command of your ride. _____

Honda RoadSync links your phone to the bike via Bluetooth, allowing you to handle calls, read messages, play music, navigate, and check the weather on the go. It can be easily operated by a handle-mounted switch unit supported by voice prompts.

ENGINE START STOP SWITCH

Power at your fingertips.

The CB350C is equipped with an engine start/stop switch for added convenience, allowing the rider to start and stop the engine with a simple flick of the same switch.

HAZARD SWITCH

Safety in flash.

Flashing indicator lights provide a crucial safety feature for emergency stops and low visibility situations.

ESS (EMERGENCY STOP SIGNAL)

Always keeps you safe.

Honda CB350C's Emergency Stop Signal not only keeps you safe but extends its protection to fellow riders on the road.

THREE VARIANTS. ONE BOLD RIDE.
