REBEL 300 EXPRESS YOURSELF

More than a motorcycle, it's an extension of who you are. The Rebel 300's low-slung bobber stance and blacked-out attitude make it a canvas of self-expression — built for young, aspirational riders who refuse to blend in. Connected to global cruiser culture, made in India.

ENGINE

Type	Liquid-cooled, Single-cylinder
Displacement	286.01 cc
Max Engine Output	20.3 kW @ 8,000 rpm
Max Torque	24.5 Nm @ 6,250 rpm
