LIVE YOUR
STORIES
CB350
RS

Not all stories are written in ink, some are written in miles and memories. It begins on the roads less taken, where the Honda CB350RS carries your never-ending curiosity and your adventurous heart. Where each ride is a chance to chase the moments that move you and explore places that feel like an extension of yourself. Because the best stories aren't just told, they are lived every day. So, are you ready to *live your stories*?

DESIGNED TO TURN HEADS

The Honda CB350RS just naturally draws people's eyes with its perfect mix of classic style and modern edge. Riding it feels familiar, like you're carrying your own quiet confidence without even trying. It's the kind of bike that gets you noticed wherever you go.

ONE MARK. ENDLESS STORIES.

A distinctive new look for its classic roadster form. With new graphics tracing a fresh identity across the tank. Made for journeys that leave their mark. And countless stories still to unfold.

NEW-AGE HEADLIGHT

Techy new look
that brightens up
your every ride.

SMOKED BLACK SPORTY FENDER

The sporty fender is light and
sturdy, designed to add class
and style to your every move.

PERFORMANCE THAT ROARS

Power that makes its presence known with every roar. The 350 cc engine of the Honda CB350RS moves smoothly, almost like it's breathing alive beneath you. And that deep exhaust sound? It's like the bike's way of telling the world, "I'm here, and I mean business."

E20 COMPLIANT

Promoting cleaner
and more sustainable
mobility while supporting
a greener future.

ROARING EXHAUST NOTE

The exhaust system
carries a large tailpipe,
optimized with the
muffler capacity,
producing a bold
low-pitched sound.
Also, the single chamber
structure gives sharpness
to the sound of the exhaust.

TECH AND HANDLING MADE EFFORTLESS

Honda CB350RS's smart tech blends seamlessly with intuitive handling, working quietly behind the scenes and giving you the freedom to focus on the ride. The bike responds smoothly, making every turn and stop feel connected, easy and natural. It's a partnership that just clicks.

ASSIST SLIPPER CLUTCH

From brakes to gear shifting; the assist slipper clutch function makes your ride smooth and just right.

Control your motorcycle from the handlebars with Honda RoadSync via Honda Smartphone Voice Control system.

DUAL CHANNEL ABS

Dual Channel ABS prevents wheels from locking up when brakes are applied in an emergency or on slippery roads.
