

GOLDWING

THE ART OF
LUXURY TOURING

**Product shown in the picture may vary from actual product available in the market.*

LEGENDARY RIDING EXPERIENCE ELEVATED TO A WHOLE NEW LEVEL.

Beginning its journey on the incredible Gold Wing as a base, Honda GL1800 Gold Wing Tour delivers an even more enriched riding experience, with added carrying capacity, more comfort for the pillion and cutting-edge riding technology. Get ready to experience the ultimate in performance and luxury every time you ride through the city, or out on the open road.

PERFECTION MEETS PERFORMANCE.

Powered by an elegantly sculpted 1833 cc flat six-cylinder that is nothing short of a masterpiece, the Gold Wing Tour delivers 170 Nm torque at just 4500 rpm. Its Aluminium twin-beam frame leads with double wishbone front suspension and electronic damping control that provides precise suspension reaction. Add to this, the Honda Selectable Torque Control (HSTC) and what you get is the world's most impressive and enjoyable motorcycle.

YOUR JOURNEYS, YOUR CHOICE.

With a 7-speed Dual Clutch Transmission (DCT) gearbox as standard, the Gold Wing Tour gives the best of both worlds. Choose Manual to unleash the thrill-packed power in its engine and for longer rides you can always use automatic modes such as Drive and Sport that are intuitively designed to anticipate your every move.

**Product shown in the picture may vary from actual product available in the market.*

REDISCOVER COMFORT AS YOU DISCOVER THE WORLD.

The Gold Wing Tour is designed to enamour both the rider and the pillion. While the rider enjoys the rush of a powerful engine and dynamic handling, the pillion can relish the comfort of the plush and expansive seats. With features like easy access to panniers while seated, an audio switch for soundtrack control and smartphone charging point, and more, the Gold Wing Tour takes the pillion experience to a whole new level of comfort. Adding to the ease are the two walking modes – forwards and backwards – that make parking with a pillion a breeze.

A MACHINE THAT CONNECTS WITH YOU.

The Gold Wing Tour seamlessly blends ride management systems and infotainment into one expansive, 7-inch full-colour TFT display. Apart from giving you control of riding modes, suspension adjustment, navigation, and more, it also comes with Wireless Apple Car Play™ and Android Auto™. A new home bar has been integrated to further enhance user controls and improve usability of rider functions.

A FEATURE-PACKED RIDE FOR
EXCITEMENT-PACKED JOURNEYS.

RIDE WITH THE WIND.

Enjoy an immersive riding experience minus the windblast. With an electronically adjustable windscreen that also memorizes your favourite positions and auto-adjusts, the Gold Wing Tour offers excellent wind protection and adds more joy to your rides.

DISCOVER THE WORLD IN A NEW LIGHT.

With a distinct Jewel Eye low-beam light signature created by 10 polished optical lenses and a stereoscopic impression created by high beam, the Gold Wing Tour enhances your riding visibility in all kinds of riding conditions.

THE JOY OF RIDING SAFE.

the Gold Wing Tour comes with an airbag, available exclusively on Gold Wing Tour DCT, this inclusion enhances rider safety.

KNOW-ON-THE-GO.

Equipped with the Tyre Pressure Monitoring System (TPMS), the Gold Wing Tour keeps you updated about changes in the tyre pressure wherever you are.

A FEATURE-PACKED RIDE FOR
EXCITEMENT-PACKED JOURNEYS.

LARGE STORAGE FOR CONVENIENCE ON THE GO.

With a 61 L rear top box and a 60 L between both panniers, the Gold Wing Tour offers ample room for all your riding needs. The luggage compartment opens at the push of a button or via the Smart Key, with a smooth action, powered by hydraulic dampers.

COMFORT REDEFINED FOR THE PILLION.

No matter how long the journey gets, comfort never leaves the backseat of the Gold Wing Tour. With a more relaxed 23-degree angle for the pillion back support and luxurious suede/synthetic material, long-haul rides are pure bliss.

ENHANCED CONNECTIVITY ON EVERY RIDE.

The Gold Wing Tour now comes with improved speaker quality at high speeds to ensure better sound clarity for the rider and the pillion. Bluetooth connectivity has also been enhanced for uninterrupted interactivity between the rider and the pillion.

CONDITIONS WON'T SHAKE YOUR CONFIDENCE.

Enjoy an extra layer of confidence in all riding conditions with the Honda Selectable Torque Control (HSTC) that works with the Throttle By Wire engine management to monitor and maintain rear wheel traction.
