

## Elevating Women in Cybersecurity Leadership Terms and Conditions of Attendance and Participation

These are the terms (the “Agreement”) that govern your attendance at and/or participation in an ISC2 event (collectively referred to herein as Elevating Women in Cybersecurity Leadership (the “Event”).

By registering for the Event, you are agreeing to these terms, which form a legal contract between International Information System Security Certification Consortium, Inc. (ISC2), and the registered attendee and/or participant (“you”). If you are registering on behalf of another it is your responsibility to ensure that the person attending is aware of these terms and accepts them, and by completing the registration you are warranting that you have made the attendee aware of these terms and that they have accepted these terms.

### 1. Event admission

- 1.1. **Admittance.** Your registration entitles you to admittance to the Event. You will receive essential information for registered attendees electronically at the email address provided on your registration form. Please ensure that your valid email is entered correctly on the registration form. Any and all other costs associated with your attendance (including without limitation any travel and/or accommodation expenses) shall be borne solely by you and ISC2 shall have not liability for such costs. You agree to not sell, trade, transfer, or share your event access code/link, unless such transfer is granted by ISC2. If ISC2 determines that you have violated this policy, ISC2 may cancel your access, retain any payments made by you, ban you from future Events, and take any additional action it deems necessary.

Attendees must be at least 16 years of age to attend the Elevating Women in Cybersecurity Leadership.

ISC2, where applicable, provides technology and/or event related services in accordance with all applicable laws within the United States and in other jurisdictions where it conducts business. As such, ISC2 may prohibit an individual or entity on the US Department of the Treasury’s Office of Foreign Assets Control Specially Designated Nationals and Blocked Persons List (the “OFAC List”), or an individual from a restricted country or territory from registering for the Elevating Women in Cybersecurity Leadership. All decisions are in ISC2 sole discretion and shall be considered final.

- 1.2. **Minors Policy:** ISC2 acknowledges that there may be circumstances in which a guardian has to bring an individual younger than 16 years of age (a “Minor”) to the Event in the absence of adequate childcare. Please keep in mind that the Event environment may not be suitable for all Minors. Should you decide to still bring a Minor to the Event, we are committed to providing you and your Minor with a safe experience.

**Pre-Approval:** Any guardian desiring to bring a Minor to the Event must request approval from ISC2 (approval is at the sole discretion of ISC2) prior to entering the Event. Please email [events@isc2.org](mailto:events@isc2.org) with your request. Please note that the approval process can take up to 72 hours.

**General Event Requirements:** The guardian must accompany the Minor at all times and is responsible for ensuring both the Minor’s safety and the Minor’s compliance with all rules and regulations, including all health and safety protocols. Guardians are asked to help maintain a professional, disturbance-free environment. For safety reasons, Minors are not permitted entry to

the Event venue during build-up and dismantling. No exceptions are provided.

- 1.3. **Termination.** You acknowledge that ISC2 reserves the right to request your removal from the Event if ISC2, in its sole discretion, considers your presence and/or behavior to create a disruption or to hinder the Event (either in person or online) and/or the enjoyment of the Event by other attendees or speakers. Refer to the ISC2 [Events Code of Conduct](#) and [Privacy Policy](#).
- 1.4. **Photography, Audio and Video Recording.** By attending the Event you acknowledge and agree to grant ISC2 the right at the Event to record, film, photograph or capture your likeness in any media now available and hereafter developed and to distribute, broadcast, use or otherwise globally to disseminate, in perpetuity, such media without any further approval from you or any payment to you. This grant to ISC2 includes, but is not limited to, the right to edit such media, the right to use the media alone or together with other information, and the right to allow others to use and/or disseminate the media.
- 1.5. **Event Content.** You acknowledge and agree that ISC2, in its sole discretion, reserves the right to change any and all aspects of the Event, including but not limited to, the Event name, format, programming, theme, content, speakers, performers, hosts, moderators, venue and time.
- 1.6. **Views and Opinions.** The views and opinions expressed in the program sessions are those of the speaker(s) and do not necessarily reflect the position of ISC2.

    - i. If such payment is insufficient or declined for any reason, ISC2 may refuse to admit you to the Event and shall have no liability in that regard.

#### 4. CPE Credits & Badge Scan Policy

- 4.1. **Sessions & CPE Credit.** ISC2 credential holders are required to earn Continuing Professional Education (CPE) credits to remain a member in good standing. The CPE requirement is intended to ensure one maintains competencies following initial certification. To ensure CPE credits automatically post to ISC2 members' accounts, they must include their ISC2 member number when registering. It will take approximately 5-10 business days post-event for ISC2 to apply the earned CPE credits. Those who do not include their member ID number upon registering will need to manually submit their CPEs post-conference.
  - a) **In person attendees** (Member, Non-Member, Government) - In person attendees have access to all sessions offered during the main conference during the dates of their pass. In person attendees can claim CPE credits for all sessions that offer CPE by having their attendee badge scanned on entry to the session room. This process will allow for automated CPE transcript creation within their Elevating Women in Cybersecurity Leadership account. Attendees will only be eligible for 1 CPE credit per time slot.
  - b) For more information about CPEs, please refer to <https://www.isc2.org/Member-Resources/CPE-Overview> upon logging in to the ISC2 Member Portal.
- 4.2. **Exhibit Hall Badge Scanning.** While at the conference, exhibitors may want to scan your ID badge. When attendees allow an exhibitor to scan your badge, or by visiting a virtual exhibitor listing, they are opting in to receiving communications from that exhibitor and agree to the specific privacy policy of the exhibitor or sponsor. Attendees understand that scanning the badge in this instance is NOT for earning ISC2 CPE credits.

#### 5. Privacy Policy

- 5.1. ISC2 respects your privacy and is committed to protecting it through our compliance with this policy. For more information about the Elevating Women in Cybersecurity Leadership privacy policy see <https://www.isc2.org/Policies-Procedures/Privacy-Policy>. - 6.1. You are required to adhere to the ISC2 Events Code of Conduct available at <https://www.isc2.org/Policies-Procedures/Events-Code-of-Conduct>. ISC2 will enforce this code and expect cooperation from all Event participants to help us promote a safe and enjoyable Elevating Women in Cybersecurity Leadership experience for everyone.

## 7. Intellectual property

- 7.1. All intellectual property rights in and to the Event, the Event content and all materials distributed at or in connection with the Event are owned by ISC2, and/or the Event sponsors or speakers presenting at the Event. You may not use or reproduce or allow anyone to use or reproduce any trademarks or other trade names appearing at the Event, in any Event content and/or in any materials distributed at or in connection with the Event for any reason without the prior written permission of ISC2.
- 7.2. For the avoidance of doubt, nothing in this Agreement shall be deemed to vest in you any legal or beneficial right in or to any trademarks or other intellectual property rights owned or used under license by ISC2 or grant to you any right or license to any other intellectual property rights of ISC2, all of which shall at all times remain the exclusive property of ISC2.

## 8. Warranties and Limitation of Liability

- 8.1. ISC2 gives no warranties in respect of any aspect of the Event or any materials related thereto or offered at the Event, and, to the fullest extent possible under the laws governing this Agreement, disclaims all implied warranties, including but not limited to warranties or fitness for a particular purpose, accuracy, timeliness and merchantability. ISC2 cannot accept responsibility or liability for reliance by the attendee or any person on any aspect of the Event and/or any information provided at the Event.
- 8.2. Other than to the extent required as a matter of law, ISC2 shall not be liable for any direct, indirect, special, incidental or consequential costs, damages or losses arising directly or indirectly from the Event or any aspect thereto or in connection with this Agreement.
- 8.3. You are aware of the inherent risk of exposure to COVID-19 in any public places where people are present. Knowing the contagious nature of COVID-19, you are voluntarily choosing to participate in the Event if the Event is being held in-person. You acknowledge that although ISC2 takes precautions to reduce the likelihood of transmission of COVID-19, it cannot guarantee that you will not become infected with COVID-19. You agree to assume all the foregoing risks and accept personal responsibility for yourself, including, but not limited to, personal injury, disability, death, illness, damage, loss, claim, liability, or expense, of any kind or nature, that you may suffer arising out of or in connection with becoming exposed to or infected by COVID-19 while participating in the Event. You hereby release, covenant not to sue, and forever discharge ISC2, its clients, and any of its affiliates, directors, officers, employees, agents, contractors, volunteers, and representatives, of and from all liabilities, claims, actions, damages, costs, or expenses of any nature ("Claims") arising out of or in any way connected with yourself becoming exposed to or infected by COVID-19. You understand that this release includes any Claims based on the negligence, action, or inaction of any of ISC2, its client, any of their affiliates, directors, officers, employees, agents, contractors, volunteers, and representatives, and covers bodily injury (including death) due to COVID-19, whether a COVID-19 infection occurs before, during, or after your participation in the Event.
- 8.4. The maximum aggregate liability of ISC2 for any claim in any way connected therewith or this Agreement whether in contract, tort or otherwise (including any negligent act or omission) shall be limited to the amount paid by the attendee to ISC2 under this Agreement to attend the Event.
