

# Resources for more affordable medications

Sometimes the drugs you need to stay healthy can be hard on your wallet. Use this list of helpful resources to spend less money at the pharmacy.

## Medicare Part D Extra Help Program

This program helps people with limited income pay for Medicare prescription drug costs like copays and deductibles. Many manufacturer assistance programs require you to apply for the Extra Help program before you can apply for their programs.

Visit [ssa.gov/medicare/part-d-extra-help](https://ssa.gov/medicare/part-d-extra-help)  
Call **1-800-772-1213**

## NeedyMeds®

NeedyMeds offers free information on ways to reduce medication and healthcare costs. They can also help you find prescription assistance programs that you qualify for.

Visit [needymeds.org](https://needymeds.org)  
Call **1-800-503-6897**

## Cost Plus Drugs

Cost Plus Drugs works directly with manufacturers to lower medication prices. While they do not accept most insurances, their prices are lower than most pharmacies even without insurance coverage.

Visit [costplusdrugs.com](https://costplusdrugs.com)  
Call **1-971-251-4425**

## RX Outreach

This non-profit mail order pharmacy is dedicated to helping people get affordable medication. They do not accept insurance, but many of their prices are lower than copays with insurance.

Visit [rxoutreach.org](https://rxoutreach.org)  
Call **1-888-796-1234**

## GoodRx®

GoodRx provides coupons to use at the pharmacy that reduce prescription costs. The coupons are free to use but cannot be combined with insurance.

Visit [goodrx.com](https://goodrx.com)  
Call **1-855-268-2822**

## We are here to help

Your care team can help you find more information about medications and ways to save.
