

SECURE BUSINESS STORAGE AND DELIVERY

For Retail, Wholesale & Distribution

ORGANISATIONS AROUND THE WORLD ARE TRANSFORMING THEIR END-TO-END SUPPLY CHAIN MANAGEMENT TO REMAIN AGILE AND RESPONSIVE TO MARKET FLUCTUATIONS. BY REFINING YOUR INVENTORY STORAGE AND DELIVERY STRATEGY, YOU CAN MITIGATE THE RISK OF SUPPLY SHORTAGES. IRON MOUNTAIN CAN HELP.

MANAGE CRITICAL INVENTORY WITH SECURITY, SCALE AND SPEED

- **Store** raw materials and stockpiles of finished goods across a global network of secured facilities.
- **Protect** critical inventory from loss, theft, or damage.
- **Rely** on a fleet of vehicles and trained staff to deliver what you need when you need it.
- **Scale** up or down as your space requirements change.

MINIMISE DISRUPTION TO YOUR SUPPLY CHAIN

With Iron Mountain **Secure Business Storage**, you can securely store and rapidly deliver inventory to meet current and future needs. Our fulfillment processes and global network of facilities, strategically located near major cities, airports, and roadways, ensure a fast and seamless response to a wide variety of storage and delivery requests – no matter where you're located. You'll also have complete visibility and control of your assets at all times.

STORE AND DELIVER WHAT YOU NEED WHEN YOU NEED IT*

- Boxes or pallets of goods
- Floor-loaded containers with services to unload, sort, and separate
- Pick and pack services available

SECURE STORAGE

Iron Mountain facilities are reputed for security: perimeter, entry, and interior. Only authorised users will have access to your inventory, and proven fire safety and environmental safeguards ensure their continued viability. Assets are tagged and classified using your own terminology for easy access and retrieval.

AUDITABLE CHAIN OF CUSTODY

Iron Mountain facilities are governed by strict, industry-leading chain-of-custody procedures. Our proven workflows and technology-enabled tagging means you'll have complete visibility and control over your inventory at all times.

RESOURCES AT THE READY

WHY IRON MOUNTAIN?

For over 65 years, organisations worldwide have trusted Iron Mountain to store and manage their sensitive and critical assets. Inventory management, regardless of type, is the foundation upon which our company is built.

**Iron Mountain cannot accept biohazards, material that is flammable, material that is regulated by laws and/or regulations relating to the environment, items that may attract pests, items that are dangerous or unsafe to handle, or hazardous materials.*

ACCESS IS JUST A CLICK AWAY

The Iron Mountain portal provides online management of your inventory. With just a few clicks, you can search through your inventory, locate what's required, and arrange for delivery by our vetted and trained employees.

SEAMLESS, EXPEDITED DELIVERY

Iron Mountain's network of storage and distribution facilities makes shipping items fast, easy, and convenient. We are located close to major cities, airports, and interstate highways, which means we can deliver what you need quickly and efficiently.
