IRON MOUNTAIN® SECURE E-WASTE AND IT ASSET DISPOSITION (ITAD) SERVICES

A solid IT asset disposition program is one that meets your disposal needs, while maximizing retired asset value, in a secure, efficient and green manner. Iron Mountain offers you all of that and more – above and beyond the competition. We combine industry leading secure chain-of-custody with the world's largest IT asset distribution channel to minimize your risk and maximize your asset value recovery.

- » Industry-leading chain of custody, secure logistics and patented Babco vehicle security
- » Consistently extract maximum value from your retired assets with the world's largest IT asset distribution network
- » Data erasure procedures adhere to U.S. Department of Defense and National Institute of Standards and Technology standards for all data bearing devices
- » Responsible green recycling: e-Stewards® Enterprise with 0% landfill and 0% e-waste export policy
