

Top 5 Reasons To Use Iron Mountain

Records and Information Management (RIM) and Information Governance (IG) Staffing

- 1 | Trusted Partner:** Iron Mountain is an enterprise-wide partner for information management and is probably already providing services to your company. This means that you won't have to worry about training additional staff on your specific policies and procedures for these services.
- 2 | Expertise and Analysis:** Iron Mountain is a recognized leader in the RIM/IG area and is trusted for its expertise and robust reporting capabilities. We use this insight to enable data-driven decision-making for your organization and to provide an advanced level of operational insight.
- 3 | Comprehensive Coverage:** Our global service footprint and resources bring the power of Iron Mountain to you with program management and accountability. Wherever you have operational locations, we have resources—and we can provide the services that you need where you need them.
- 4 | Single Supplier:** We provide you with everything you need for a comprehensive RIM/IG solution: services, supplies, and staff. You work with just one vendor, one set of governing agreements, and one bill so that costs can easily be distributed across individual departments as needed.
- 5 | Superior Support:** Iron Mountain is a leader in the RIM/IG space with widely used records storage, document scanning, and document destruction services. With Iron Mountain Professional Staffing you get a new level of support and integration for the RIM services you are already using.
