

Bringing balance to HR demands

6 ways HR can benefit from a DXP

HR teams today are grappling with an imbalance caused by the urgent need to hire and retain workers, rising dissatisfaction and distrust among job seekers and employees, and stringent compliance requirements.

Leveraging digital experience platforms (DXPs) like Iron Mountain InSight® DXP can help address these challenges and restore balance in HR operations.

HR is juggling it all

77% of HR leaders say their team is fatigued¹

Employees are disgruntled

- 64% of workforce would consider looking for a new job if they were required to return to the office full time²
- 90% of companies plan to implement return-to-work office policies by the end of 2024³
- Only 50% of employees trust their organization¹

Businesses want more workers

- Unemployment rate remains low
- More open jobs than job seekers

Job seekers say market is tough

- Job seekers apply to an average of 30 positions, but only hear back from 4 of them⁴
- 55% of job seekers are burnt out⁴

How a DXP can bring balance

Ready to see how a DXP can bring balance to HR operations and build engaged employees?
