

# 5 reasons consulates are going paperless

## 01

### RRF Opportunity

The EU Recovery and Resilience Facility (RRF) provides countries with funding to digitise faster

People are moving to new countries and travelling more, requiring more work with fewer staff

## 02

### Lingering pandemic effects

## 03

### Citizen expectations

While government offices modernise and digitise, they aren't changing quickly enough to meet citizen expectations

EU Path to the Digital Decade policy sets digitisation targets for member states to reach by 2030

## 04

### Government mandates

## 05

### Climate change

Countries must create 55% fewer emissions by 2030
