

UNDERSTANDING YOUR INVOICE

Your new invoice layout is designed to be easy to read. The number key explains the various sections and entries of a typical invoice (as shown).

Please note that the first page of your invoice clearly indicates the Service Charges along with Invoice Number, Payment erms, Due Date as well as Contact Information. When paying your invoice, please provide your Debtor Account ID and Invoice number(s) with each payment.

For more information about how to read your invoice, please contact us:
