

Enterprise Administrator Form

Enterprise Administrator Form to the IMConnect system

Iron Mountain Customer Service
Fax: +36 1 815 3690
Telephone: + 36 1 815 3600
E-mail: budapest@emea.ironmountain.com

The Enterprise Administrator named in this form will be entitled to use all applications of Iron Mountain's online customer service system, the IMConnect.

The Enterprise Administrator may delegate full or limited administrator rights to Client User Administrators, or may indicate Endusers who have no administrator rights.

Personal data of the Enterprise Administrator

Surname:	Forename:
Customer Number(s):	Address:
E-mail address:	Postal code:

Legal Disclaimer: Customer accepts that the login passwords must be changed upon first entering IMConnect. Therefore, Iron Mountain has no knowledge of the changed password. It is the sole responsibility of Customer to ensure that the changed password may be known to and will be used by authorised persons only. Given the fact that the Enterprise Administrator may delegate full or limited access rights to Client User Administrators or to Endusers, and taking into account that Client User Administrators are also entitled to delegate their access rights (fully or partly) to further Endusers, only the Customer can determine and control which private individuals proceed on its behalf when using IMConnect. Given this, the Customer accepts that the applications, Services used/ordered with the application of correct usernames and passwords shall be treated as if were given by the Customer's representative. Iron Mountain excludes any liability for damages connected to any changes in the Customer data, in the inventory information regarding the Articles - provided that such changes were made by Customer's representative.
