Customer is not obligated to use and/or receive the Services, and may stop using and/or receiving the Services at any time, but will remain liable for all fees and charges otherwise due during the Service Term, whether or not it uses or receives the Services.

11.2 Termination for Cause. Either Party may terminate the Agreement immediately: (a) upon the occurrence of the bankruptcy or insolvency of the other Party, if such bankruptcy or insolvency is not discharged within sixty (60) days of any filing thereof; or (b) upon notice to the other Party if the other Party materially breaches these Terms and Conditions, and such breach remains uncured more than forty-five (45) days after receipt of written notice of such breach, subject to the fees in the applicable Statement of Work.

11.3 Termination for Changes to Applicable Law or Supplier Relationship. Either Party may terminate the Agreement upon written notice to the other Party if: (a) the relationship and/or the transactions contemplated in a Statement of Work would violate any applicable law; or (b) if an agreement between Iron Mountain and a supplier ("**Supplier Agreement**") expires or terminates or a supplier discontinues any portion or feature of the services supplier provides pursuant to a Supplier Agreement, resulting in Iron Mountain's inability to provide the applicable Services to Customer in whole or in part.

11.4 Suspension of Services by Iron Mountain. Iron Mountain may suspend or limit Customer's or any Authorised User's use of the Services provided subject to these Terms and Conditions (including, without limitation, its transmission or retrieval of Customer Data) immediately upon written notice to Customer, without liability, for any one of the following reasons: (a) Customer fails to pay any undisputed fees as and when due pursuant to these Terms and Conditions or the applicable Statement of Work and such failure

continues for a period of thirty (30) days; (b) the Services are being used by Customer or any of its Authorized Users in violation of any applicable federal, state or local law, ordinance or regulation; (c) the Services are being used by Customer or any of its Authorized Users in an unauthorized manner; (d) Customer's or any of its Authorized User's use of the Services violates the AUP, adversely affects Iron Mountain's provision of services to other customers or poses a security risk to Iron Mountain's systems; or (e) a court or other governmental authority having jurisdiction issues an order prohibiting Iron Mountain from furnishing the Services to Customer. During any such suspension, Customer shall remain responsible and liable for all fees due for the suspended Services. If any of the foregoing grounds for suspension continues for more than fifteen (15) days, Iron Mountain shall have the right to terminate the Agreement for cause and without an opportunity to cure by Customer.

11.5 Effect of Termination. If the Agreement expires or is terminated for any reason, then: (a) Customer's rights to access and use the Services shall immediately terminate; (b) all fees owed by Customer to Iron Mountain will be immediately due upon receipt of the final invoice; (c) Iron Mountain and the Customer shall delete all Customer Data from the InSight Services no later than thirty (30) days from the termination or expiration date of the Agreement; and (d) upon request, each Party will use commercially reasonable efforts to return or delete all Confidential Information of the other Party, provided that, for clarity, Iron Mountain's obligations under this Section 11.5 do not apply to any Usage Data. In the event that Customer Data remains on the InSight Services on the Host after the expiration or termination of the Agreement, these Terms and Conditions and all fees shall continue to apply until all Customer Data has been removed from the Host. The sections and subsections titled *Definitions*, *Restrictions on Use*, *Confidentiality*, *Warranties and Disclaimers*, *Limitation of Liability*, *Indemnification*, *Effect of Termination*, and *Miscellaneous* will survive expiration or termination of the Agreement for any reason.

12. MISCELLANEOUS

12.1 Governing Law and Venue. These Terms and Conditions and any action related thereto will be governed and interpreted by and under the laws of Norway. The United Nations Convention on Contracts for the International Sale of Goods does not apply to these Terms and Conditions. Customer shall always comply with all international and domestic laws, ordinances, regulations, and statutes that are applicable

to its purchase and use of the Services, Service Technology or the Documentation hereunder.

12.2 Dispute Resolution. The following procedure will be adhered to by the Parties to resolve any dispute concerning material obligations under these Terms and Conditions. The aggrieved Party shall notify the other Party in writing of the nature of the dispute with as much detail as possible about the nature of the dispute, all in accordance with the terms set forth in Section 12.12 of these Terms and Conditions. The persons identified for purposes of notices set forth in Section 12.12 or their designees, shall meet (in person or by telephone) within fourteen (14) days after the date of the written notification to attempt to resolve the dispute. If those persons are unable to agree on a resolution, then senior management personnel of each of Iron Mountain and Customer having authority to resolve the dispute without the further consent of any other person ("**Management**") shall meet or otherwise act promptly to facilitate an agreement. If Management cannot resolve the dispute within thirty (30) days after their initial meeting or other action (or in case either Party fails to participate in the dispute resolution), either Party may take such other and further action as it deems necessary. Iron Mountain and Customer agree that neither of them shall take any legal action unless and until this dispute resolution procedure has been employed or waived.

12.3 Publicity. Upon reasonable advance notice and approval, which shall not be unreasonably withheld, (i) Iron Mountain and Customer may issue joint external communications regarding the Services, and (ii) Customer may act as a reference for press and potential Iron Mountain customers' queries. Customer agrees to allow Iron Mountain to refer to Customer as a customer of the Services utilizing its name, trademarks, service marks, and logos (subject to any brand use guidelines Customer provides to Iron Mountain) in marketing communications and materials relating to the Services.

12.4 Compliance. Each Party shall comply with, and retain responsibility for its compliance with, all applicable export control laws and economic sanctions programs relating to its respective business, facilities, and the provision of services to third parties (collectively, "**Trade Control Laws**"). Iron Mountain shall not be required by the terms of these Terms and Conditions to be directly or indirectly involved in the provision of goods, software, services and/or technical data that may be prohibited by applicable Trade Control Laws if performed by Iron Mountain and it shall be in the sole discretion of Iron Mountain to refrain from being involved in such activities.

(a) **Export Laws.** Applicable Trade Control Laws may include U.S. export control laws such as the

Export Administration Regulations (“**EAR**”) and the International Traffic in Arms Regulations (“**ITAR**”), and U.S. economic sanctions programs that are or may be maintained by the U.S. Government, including sanctions and other controls currently imposed against Cuba, Iran, North Korea, Sudan, Syria and Crimea (territory of Ukraine) (collectively, “**Restricted Countries**”), as well as individuals and entities identified on, or owned or controlled by or acting on behalf of individual or entities identified on, applicable government restricted party lists such as the Specially Designated Nationals and Blocked Persons List, Sectoral Sanctions Identification List, Foreign Sanctions Evader List, Denied Persons List, Unverified List, Entity List and Debarred Parties List (collectively, “**Restricted Parties**”).

(b) **Restricted Parties.** Customer represents that neither the Customer nor any of its end users: (i) is a Restricted Party; (ii) is located in, organized under the laws of or ordinarily resident in a Restricted Country; (iii) will directly or indirectly export, re-export or otherwise transfer any goods, technology or Services covered by the Terms and Conditions to Restricted Countries or Restricted Parties; or (iv) will access or otherwise use the Services from or in a Restricted Country.

(c) **Restricted Activities.** Customer will not directly or indirectly use or transfer the Services: (i) in violation of any Trade Control Laws; (ii) in conjunction with technical information regarding defense articles or defense services within the meaning of the International Traffic in Arms Regulations (22 CFR 120) or technical data within the meaning of the Export Administration Regulations (15 CFR 730-774); (iii) in conjunction with controlled goods or controlled technology within the meaning of the Defense Production Act (R.S.C., 1985, c. D-1) and the Controlled Goods Regulations (SOR/2001-32) (iv); for activities directly or indirectly related to the design, development, production, stockpiling or use of nuclear explosive devices, missiles, chemical or biological weapons or other restricted end-uses; or (v) for activities directly or indirectly related to Restricted Countries or Restricted Parties. Customer will not use the Services or any component thereof to process, export, re-export, store, host or otherwise transfer any Customer Data that is subject to the ITAR or subject to the EAR. Customer is solely responsible for compliance with Trade Control Laws in the use of the Services and in the use and processing of Customer Data or access to Customer Data by Customer. Customer is solely responsible for obtaining and complying with any required licenses or other authorisations under applicable Trade Control Laws for such activities.

12.5 Severability. If any provision of these Terms and Conditions is, for any reason, held to be invalid or unenforceable, the other provisions of these Terms and Conditions will remain enforceable and the invalid or unenforceable provision will be deemed modified so that it is valid and enforceable to the maximum extent permitted by law. Without limiting the generality of the foregoing, Customer agrees that the section titled *Limitation of Liability* will remain in effect notwithstanding the unenforceability of any provision in the subsection titled *Limited Warranty*.

12.6 Waiver. Any waiver or failure to enforce any provision of these Terms and Conditions on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

12.7 Remedies. Except as provided in the sections titled *Limited Warranty for Professional Services* and *Indemnification*, the Parties’ rights and remedies under these Terms and Conditions are cumulative. Customer acknowledges that the Services, Services Technology and Documentation contain valuable trade secrets and proprietary information of Iron Mountain and its suppliers, that any actual or threatened breach of the sections titled *Services Use*, *Intellectual Property* or *Confidentiality* or any other breach by Customer of its obligations with respect to Intellectual Property Rights of Iron Mountain or its suppliers will constitute immediate, irreparable harm to Iron Mountain and its suppliers for which monetary damages would be an inadequate remedy. In such case, Iron Mountain and its suppliers will be entitled to immediate injunctive relief without the requirement of posting bond. If any legal action is brought to enforce these Terms and Conditions, the prevailing Party will be entitled to receive its attorneys’ fees, court costs, and other collection expenses, in addition to any other relief it may receive.

12.8 No Assignment. Neither Party shall assign or otherwise transfer the Agreement, or its rights and obligations herein, without obtaining the prior written consent of the other Party, which shall not be unreasonably withheld, and any attempted assignment or transfer in violation of the foregoing will be null and void; provided, however, that Iron Mountain may assign or transfer the Agreement to an Affiliate. The Terms and Conditions shall be binding upon the Parties and their respective successors and permitted assigns.

12.9 Force Majeure. Any failure or delay by either Party in the performance of its duties or obligations (except the payment of money owed) will not be considered a default, breach or ground for termination of

the Agreement if such failure or delay is caused by an act of God, war, civil commotion, terrorism, riot, labor dispute, shortage of materials, fire, earthquake, flood, or any other event beyond the reasonable control of such Party (a “**Force Majeure Event**”). Upon the occurrence of a Force Majeure Event, the affected Party shall be excused from any further performance of its obligations pursuant to these Terms and Conditions affected by the Force Majeure Event for as long as such Force Majeure Event continues. The affected Party shall use reasonable efforts, under the circumstances, to notify the other Party of the occurrence of a Force Majeure Event and use commercially reasonable efforts to resume performance in a timely manner.

12.10 Independent Contractors. Customer’s relationship to Iron Mountain is that of an independent contractor, and neither Party is an agent or partner of the other. Customer will not have, and will not represent to any third party that it has, any authority to act on behalf of Iron Mountain.

12.11 Third Parties. Certain software vendors are intended third party beneficiaries of Section 3 of these Terms and Conditions for the purposes of protecting their Intellectual Property Rights and for no other purposes.

12.12 Contact. Iron Mountain may use contact information for Customer representatives for administrative and account management purposes, to provide and bill for the Services, to advise Customers of new products and product updates, and to comply with our contractual and legal obligations.

12.13 Notices. Customer must deliver all notices or other communications required or permitted under these Terms and Conditions in writing to Iron Mountain by courier, by certified or registered mail (postage prepaid and return receipt requested) or by a nationally-recognized overnight delivery service to: FAO: Iron Mountain Norge AS, Hamrasletta 6, 4056 Tananger, Norway. Iron Mountain shall deliver all notices or other communications required or permitted under these Terms and Conditions in writing to Customer by courier, by certified or registered mail (postage prepaid and return receipt requested), by electronic mail or by a nationally-recognized overnight delivery service to Customer. If delivered by certified or registered mail, any such notice will be considered to have been given five (5) business days after it was mailed, as evidenced by the postmark. If delivered by courier, electronic mail or overnight delivery service, any such notice shall be considered to have been given on the delivery date.

12.14 Conflict of Terms; Purchase Orders. In the event of a conflict or inconsistency between these Terms and Conditions and the terms of any Statement of Work, these Terms and Conditions shall govern and control. Additional or conflicting terms and conditions on any purchase order shall not apply and are expressly rejected by Iron Mountain. Notwithstanding anything to the contrary, the Parties agree that in the event of a conflict between these Terms and Conditions and any terms agreed between the Parties relating to other services offered by Iron Mountain, including in relation to management of physical data, these Terms and Conditions shall prevail in relation to the Services (as defined hereunder) only.

13. TRIAL PERIOD TERMS AND CONDITIONS

13.1 Scope and Trial Term. To the extent an applicable SOW details Customer’s trial of InSight Services or a “proof of concept” or “pilot” (the “**Trial**”), these Trial Period Terms and Conditions (in addition to the Terms and Conditions of the Agreement) shall govern such Trial during the period of time designated for the Trial in the SOW, (the “**Trial Period**”). To the extent these Trial Period Terms and Conditions conflict with the rest of the Terms and Conditions in this Agreement, these Trial Period Terms and Conditions shall prevail only during the Trial Period. Notwithstanding anything to the contrary in the Agreement, SOW or any other written agreement between the parties, the Trial Period shall not extend beyond one (1) year from the effective date of the applicable SOW.

13.2 Waiver of Liability/No Warranty. Services performed during the Trial Period are provided “as-is” with no warranty whatsoever, whether express or implied, including without limitation any implied warranties of title, merchantability or fitness for a particular purpose. In no event shall Iron Mountain incur any liability for loss or damage that Customer or any third party suffers or claims to have suffered arising out of or in connection with the Trial Period.

13.3 Use of Services. Notwithstanding anything to the contrary under these Terms and Conditions, Iron Mountain grants to Customer a personal, limited, non-transferable, non-exclusive right solely to access and use the InSight Services and “Documentation” for the purpose of testing and evaluating the InSight Services during the Trial Period. Customer shall make the Services available only to its personnel who are involved in this proof of concept exercise.
