For warranty claims related to vinyl products manufactured in the United States and sold in Canada, please call (888)JWHELPU for assistance.

We can respond quickly and efficiently if you provide the following: a) how to contact you, b) the address of where the product can be inspected, c) a description of the problem and the product (photographs are useful), d) proof of purchase (an invoice is helpful), and e) serial number of the product as indicated in the insulated glass unit.

What We Will Do...

Upon receiving your notification, we will send out an acknowledgement within three business days. We will investigate your claim and will take appropriate action within 30 days after notification. If it is determined that the product does not have a defect covered by the warranty, we may charge an inspection fee for any onsite inspection that is required or requested by you. Because manufacturing materials and techniques can change, replacement part(s) may not be an aesthetic match to the original

and we, at our sole discretion and determination, reserves the right to discontinue, alter or replace its products (with equal value and/or quality). If we are unable to provide replacement and repair is not practicable or cannot be made timely, then we will refund the purchase price. This guarantee gives you specific legal rights, and you may have other rights that vary from province or state.

What This Warranty Does Not Cover...

We are not liable for:

- Damage or poor product performance resulting from improper installation/assembly or not in conformance with our installation/assembly instructions, including installation under conditions that exceed or violate product design standards and/or certified performance specifications and/or is not in compliance with building codes; problems related to water and/or air infiltration/leaking as a result of improper installation or flaws in building design or construction.
- Repairs on product located more than 150 kilometers from an authorized dealer or distributor without prior agreement on travel costs and/or product not accessible by road. We will not be responsible for acquiring, erecting, or dismantling scaffolding.
- Normal wear and tear; and natural weathering of surfaces and/or hardware finishes (e.g. corrosion); and damage to surfaces caused by chemicals (e.g. brick wash) or a harsh environment (e.g. salt spray or airborne pollutants).
- Glass breakage (other than noted under Special Coverages above); failure due to misuse or abuse; and damage caused by failure to provide maintenance, by alteration or modification to the window (e.g. customer applied tints or films, paint finishes, security systems), or as a result of any cause beyond our control (e.g. fire, flood, earthquake, chemicals, other acts of nature).
- Slight imperfections or wavy distortions in the glass that don't impair structural integrity.
- Structural integrity issues or problems caused by improper fitting of hardware not provided by JELD-WEN; hardware or inserts that are not provided by us, such as locksets, door handles, strikes, etc.
- Condensation (Note: unless due to insulating glass failure, most condensation problems are related to excessive humidity levels in a structure. Contact a heating/air conditioning specialist for help).
- Labor and materials for repainting or refinishing activities.
- Product failure due to improper sizing of product for its application; improper sizing of a door panel.
- Damage caused by extreme temperature buildup where storm doors/windows are present.
- Problems related to: improper finishing of all surfaces and edges of a door panel or other product; variation or unsatisfactory results in sheen or texture due to finishing; or finishing a door panel with high gloss or dark colors.
- Warp not exceeding 1/4" in the plane of the door panel, bow or misalignment in the door frame in which the door panel is hung (if such is purchased from JELD-WEN unmachined and not prehung).
- Incidental or consequential damage. Some provinces and jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this may not apply to you.

Note: Non-uniform vinyl discoloration from unequal exposure to sunlight and the elements is not considered a defect.

Important Legal Information

This Warranty sets forth our maximum liability for our products. We shall not be liable for special, indirect, consequential, or incidental damages. Your sole and exclusive remedy with respect to any and all losses or damages resulting from any cause whatsoever shall be as specified above. We make no other warranty or guarantee, either express or implied, including implied warranties of merchantability and fitness for a particular purpose to the original purchaser or to any subsequent user of the product, except as expressly contained herein. In the event provincial or state law precludes exclusion or limitation of implied warranties, the duration of any such warranties shall be no longer than, and the time and manner of presenting any claim thereon shall be the same as, that provided in the express warranty stated herein.

No distributor, dealer or representative of JELD-WEN has the authority to change, modify or expand this warranty. The original purchaser of this product acknowledges that they have read this warranty, understand it and are bound by its terms and agrees to provide this warranty to the original owner of the structure into which the product is installed. *JELD-WEN products referred to in this warranty applies to JELD-WEN products manufactured in Canada and sold into Canada and the United States (see our separate warranty for JELD-WEN United Window® Collection at www.jeld-wen.ca). This warranty also applies to JELD-WEN vinyl products manufactured in the United States and sold into Canada.
