

## Superior appearance, quality & performance ADVANTAGES with FINISHIELD™

### New FiniShield™ Interior Finish

This finish technology stands up to scratches and heat degradation and maintains consistent colour. FiniShield™ is backed by a 10-Year Limited Warranty and is currently available as black interior.

- FiniShield™ is made of semi rigid PVC foil.
- Protected from UV rays by transparent acrylic film.
- Innovative new interior finish looks better than paint and reduces colour variation across multiple window units.
- FiniShield™ colour technology reflects heat to protect both the finish and vinyl beneath.
- Laminate finish will not crack and peel like paint, so no touch-ups needed.
- Scratch-resistant surface prevents damages during shipping and installation.
- Backed by a 10-year limited warranty.
