

Advantages of JELD-WEN Triple-Glazed Patio Doors

Premium Tri-pane Patio Door for Residential Applications

- ▶ 3 panes of glass provide exceptional energy performance.
- ▶ 1.19 U-factor is 40% more efficient than double-glazed doors.
- ▶ Dual weather stripping combined with 3 panes of glass provides a noticeable noise reduction.
- ▶ Interior and exterior Jamb pocket covers for a clean and finished look.
- ▶ Elegant contemporary handle set in black color with single-point locking system.
- ▶ Whisper-quiet precision adjustable rollers allow ease of operation and are designed for the weight of a triple glazed panel.
- ▶ Clear anodized aluminum sill cover is durable and reduces dirt accumulation.
- ▶ Black painted door optional.
