Document revision 2024-04-12 16:43

Kamstrup manufactures quality products and solutions with the clear ambition of revolutionizing the supply of clean water and energy through intelligence.

We are a valued partner and are proudly committed to deliver Quality solutions that meet our customer's requirements and expectations – creating a high level of customer satisfaction is core to everything we do.

Supported by our Values and Code of Conduct defined Quality Behavioral Principles, our Corporate Quality Policy is:

- **Customer Focus:** Understanding and meeting customer needs while exceeding expectations.
- **Product Excellence:** Through innovation, rigorous testing, supplier collaborations, and employee training we ensure reliable and accurate solutions.
- **Continuous Improvement:** Ongoing monitoring, analysis, risk mitigation and corrective actions drive operational excellence and product enhancements.
- **Compliance:** Adherence to relevant standards, ensuring product security, safety and regulatory compliance.

Our Integrated Management System, certified for quality management, ensures policy adherence and regular reviews to maintain effectiveness & compliance. We strive for accuracy, minimal defects, enhanced customer satisfaction, and ongoing process improvements. By fostering a culture of quality, teamwork, and accountability, we uphold our commitment to delivering superior solutions.
