

3. The information in this declaration regarding my firm's time and expenses is taken from time and expense records prepared and maintained by the firm in the ordinary course of business. These records (and backup documentation where necessary) were reviewed by me and others at my firm, under my direction, to confirm both the accuracy of the entries as well as the necessity for and reasonableness of the time and expenses committed to the Action. As a result of this review, I believe that the time reflected in the firm's lodestar calculation and the expenses for which payment is sought are reasonable in amount and were necessary for the effective and efficient prosecution and resolution of the Action. In addition, I believe that the expenses are all of a type that would normally be paid by a fee-paying client in the private legal marketplace.

4. The number of hours spent on the litigation by my firm is 138.25. The lodestar amount for attorney/professional support staff time based on the firm's current hourly rates is \$115,187.50. A summary of the lodestar is provided in Exhibit A and a breakdown of the work associated with the lodestar, by task code, is provided in Exhibit B. The hourly rates shown in Exhibit A are consistent with the hourly rates submitted by the firm in other contingent securities class action litigations. The firm's rates are set based on periodic analysis of rates used by firms performing comparable work both on the plaintiff and defense side. For personnel who are no longer employed by the firm, the "current rate" used for the lodestar calculation is the rate for that person in his or her final year of employment with the firm. Time expended in preparing this application for fees and payment of expenses has not been included.

5. As detailed in Exhibit C, my firm has incurred a total of \$1,669.73 in expenses in connection with the prosecution of the Action. The expenses are reflected on the books and records of my firm. These books and records are prepared from expense vouchers, check records, and other source materials and are an accurate record of the expenses incurred.

6. The following is additional information regarding certain of these expenses:

(a) Court & Service Fees: \$1,552.00. These expenses have been incurred as a result of fees paid to the Court for attorney admissions and fees for service of process.

(b) Overnight Delivery Services: \$86.83. These are Federal Express charges.

(c) Online Legal & Factual Research: \$30.90. These are PACER charges.

7. With respect to the standing of my firm, attached hereto as Exhibit D is a brief biography of my firm.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 8th day of April, 2024.

FIRM RESUME

COHENMILSTEIN

COHEN MILSTEIN SELLERS & TOLL PLLC

For decades, Cohen Milstein Sellers & Toll PLLC has represented individuals, small businesses, institutional investors, and employees in many of the major class action cases litigated in the United States for violations of the antitrust, securities, consumer protection, civil rights/discrimination, ERISA, employment, and human rights laws. Cohen Milstein is also at the forefront of numerous innovative legal actions that are expanding the quality and availability of legal recourse for aggrieved individuals and businesses both domestic and international. Over its history, Cohen Milstein has obtained many landmark judgments and settlements for individuals and businesses in the United States and abroad. The firm's most significant successes include:

- Wells Fargo & Co. Securities Litigation No. 1:20-cv-04494-GHW (S.D.N.Y.): We are Co-Lead Counsel representing Co-Lead Plaintiffs Public Employees' Retirement System of Mississippi and State of Rhode Island Office of the General Treasurer in this securities fraud class action. Plaintiffs allege that, in the wake of a widespread consumer banking scandal from 2016 to 2018, the company and certain current and former executives misrepresented to investors and Congress that it had improved its governance and oversight structure in compliance with three federal regulatory consent orders to ensure that the consumer abuses that had plagued the bank would not recur. On May 16, 2023, the Court granted preliminary approval of a historic \$1 billion cash settlement.
- Doe, Aceh, Indonesia v. ExxonMobil Corporation No. 01-1357 (D.D.C.): On May 15, 2023, eleven Indonesian villagers represented by Cohen Milstein settled a high-profile human rights lawsuit with ExxonMobil Corporation a week before a jury trial was scheduled to begin and shortly after the court denied ExxonMobil's final motion for summary judgment, in which it pointedly stated that most of Exxon's arguments were "entirely meritless." The confidential settlement brought an end to two decades of litigation, which was originally filed in 2001. The case set numerous legal precedents, during which it saw two trips to the D.C. Circuit Court of Appeals (decided January 2007 and July 2011) and one trip to the Supreme Court (certiorari was denied in 2008). Each time, novel issues of foreign policy impact, extraterritorial jurisdiction, and choice of law were briefed and considered by the Court of Appeals.
- Jock et al. v. Sterling Jewelers Inc. No. 11 160 0065508 (AAA; S.D.N.Y.): On November 15, 2022, the Arbitrator granted final approval of a \$175 million settlement in this rare, closely watched certified class arbitration, filed under Title VII of the Civil Rights Act of 1964 (Title VII) and the Equal Pay Act ("EPA"). The lawsuit, which involved approximately 70,000 claimants, was litigated before the AAA, the United States District Court for the Southern District of New York, and the United States Court of Appeals for the Second Circuit and involved novel legal issues and rulings related to class certification, class arbitration, and the threshold role of an arbitrator. On October 5, 2020, the Supreme Court declined to hear the petition for certiorari, allowing the case to move forward to trial as a certified class arbitration before the AAA.
- In re Ranbaxy Generic Drug Application Antitrust Litigation No. 1:19-md-02878-NMG (MDL No. 2878) (D. Mass.): On September 19, 2022, the Court granted final approval of a \$485 million global settlement to resolve claims against Ranbaxy in this antitrust, federal RICO, and state consumer protection MDL for allegedly manipulating the U.S. Food and Drug Administration's generic drug approval process to block competitors from coming to market and forcing purchasers to pay supracompetitive prices for its valganciclovir hydrochloride and valsartan products. Of the \$485 million global settlement, \$340 million will go to the certified class of Direct Purchasers. Cohen Milstein represented the certified Direct Purchaser Class.
- FirstEnergy Shareholder Derivative Litigation (S.D. Ohio, N.D. Ohio): On August 23, 2022, the Court granted final approval of a \$180 million global settlement of all shareholder derivative cases, including Employees

Retirement System of the City of St. Louis and Electrical Workers Pension Fund, Local 103, IBEW v. Charles E. Jones, FirstEnergy Corp., et al., (S.D. Ohio) that of Miller v. Anderson (N.D. Ohio) and In re FirstEnergy Corp., Stockholder Derivative Litigation, (Crt. of Common Pleas, Summit County). Plaintiffs represent that the settlement is “among the largest derivative recoveries ever achieved” in the United States and “three times greater than any prior derivative recovery in the history of the Sixth Circuit.” Moreover, under the terms of the settlement, FirstEnergy will commit to a series of internal governance reforms, including the departure of six Directors, active Board oversight of FirstEnergy’s political spending and lobbying activities, specific disclosures in the annual proxy statement issued to shareholders.

- Dignity Health Church Plan Litigation No. 3:13-cv-01450 (N.D. Cal.): Cohen Milstein is Co-Counsel to a class of defined benefit participants, which alleges that Dignity Health is improperly claiming that its pension plans are exempt from ERISA’s protections because they are “church plans,” and as a result has underfunded its plans by over \$1.2 billion. In June 2017, the Supreme Court reversed previous rulings on consolidated church plan cases and ordered Plaintiffs, in this case, to file an amended complaint. On July 15, 2022, the Court granted final approval to the \$100 million settlement.
- In re Pinterest Derivative Litigation No. 3:20-cv-08331-WHA (N.D. Cal.): On June 9, 2022, the Court granted final approval of a \$50 million settlement in this consolidated shareholder derivative lawsuit. The settlement is the first of its kind to embrace diversity goals around a company’s product. It also requires Pinterest to commit \$50 million to a holistic set of workplace and Board-level reforms designed to protect employees from discriminatory treatment and to promote diversity, equity, and inclusion (DEI) throughout its workplace and product.
- L Brands, Inc. Derivative Litigation No. 2:20-cv-03068-MHW-EPD (S.D. Ohio): Cohen Milstein, in partnership with the State of Oregon, the Oregon Public Employees Retirement Fund, and other shareholders, helped resolve allegations that officers and directors of L Brands, Inc., previous owners of Victoria’s Secret, breached their fiduciary duties by maintaining ties with alleged sex offender and pedophile Jeffrey Epstein and fostering a culture of discrimination and misogyny at the company. Following a Delaware General Corporate Law Section 220 books and records demand and an extensive, proprietary investigation, L Brands and the now-standalone company, Victoria’s Secret, agreed to stop enforcing non-disclosure agreements that prohibit the discussion of a sexual harassment claim’s underlying facts; stop using forced arbitration agreements; implement sweeping reforms to their codes of conduct, policies and procedures related to sexual misconduct and retaliation; and to invest \$45 million each, for a total of \$90 million, in diversity, equity and inclusion initiatives and DEI Advisory Councils. On May 16, 2022, the Court granted final approval of this watershed settlement.
- In re Broiler Chicken Antitrust Litigation No. 1:16-cv-08637 TMD (N.D. Ill.): On December 20, 2021, the Court granted final approval to settlements worth \$181 million with six chicken processors, Tyson Foods, Fieldale Farms, Peco Foods, George’s Inc., Pilgrim’s Price Corp. and Mar-Jac, to resolve consumer claims that they conspired to inflate broiler chicken prices since 2009 and that Agri Stats, Inc., a third-party vendor, facilitated their unlawful scheme. Litigation against the dozen remaining defendants continues. Cohen Milstein was Co-Lead Settlement Class Counsel.
- In re Flint Water Cases No. 16-cv-10444 (E.D. Mich.): On November 10, 2021, the Court granted final approval of a landmark \$626.25 million settlement between Flint residents and businesses and multiple governmental defendants, including the State of Michigan, Michigan Department of Environmental Quality (DEQ), and individual defendants, including former Governor Rick Snyder, in this environmental toxic tort class action, affecting over 90,000 Flint residents and businesses. Litigation continues against other defendants, including two private engineering firms, Veolia North America and Lockwood, Andrews & Newnam (LAN), both charged with professional negligence, and separate litigation against the U.S.

Environmental Protection Agency will also continue. Cohen Milstein's is Interim Co-Lead Class Counsel in this litigation.

- Sutter Health Antitrust Litigation No. CSG 14-538451 (Sup. Ct., San Fran. Cnty., Cal.): On August 27, 2021, the Court granted final approval of a \$575 million eve-of-trial settlement, which includes significant injunctive relief, in this closely-watched antitrust class action against Sutter Health, one of the largest healthcare providers in California, for restraining hospital competition through anticompetitive contracting practices with insurance companies. Cohen Milstein was one of five firms that litigated this case since 2014 on behalf of a certified class of self-insured employers and union trust funds against Sutter Health. California's Attorney General joined the suit in March 2018.
- National Opioids Litigation: On July 21, 2021, the state Attorneys General of Indiana, New Jersey, and Vermont announced historic settlement agreements, totaling \$704.8 million as a part of a \$26 billion national agreement with the nation's three major pharmaceutical distributors, Cardinal Health, McKesson, and AmerisourceBergen, and opioids manufacturer Johnson & Johnson for their roles in promulgating the opioid epidemic in each of their states. (New Jersey's settlement with J&J/Janssen – \$137.8 million; Indiana's settlement with the distributors and J&J/Janssen – \$507 million; Vermont's settlement with the distributors and J&J/Janssen – \$60 million) In addition, the courts ordered numerous injunctive relief requirements of the Defendants. Cohen Milstein represented the state Attorneys General of Indiana, New Jersey*, and Vermont in investigations and litigation against these entities. *J&J/Janssen only. Final approval of the resolution in the litigation against Purdue Pharma and the Sackler family is pending in bankruptcy court.
- State Attorneys General PBM Investigations & Litigation: We serve as special counsel to more than a dozen state Attorneys General in their respective investigations of the pharmacy benefit managers (PBMs) that provide pharmacy benefits and services to their state's Medicaid program and state employee health plans. The PBMs under investigation include Centene's Envolve Pharmacy Solutions, OptumRx, Express Scripts, and CVS Caremark. In Ohio alone, the investigations have led to litigation against Centene, OptumRx and Express Scripts, for their alleged role in breaching provider agreements with the state. Since June 2021, we have helped achieve over \$950 million in settlements with Centene for our state Attorney General clients, including: California, Ohio, Mississippi, Illinois, Arkansas, and New Mexico. We are working with other state Attorneys General to finalize their settlements with Centene that will return hundreds-of-millions of dollars back to these states
- Jien, et al. v. Perdue Farms, Inc., et al., No. 1:19-cv002521-ELH (D. Md.): Since July 20, 2021, the Court has preliminarily approved the first eight settlements against more than a dozen of the nation's largest poultry producers, totaling \$195.25 million, in this novel wage-fixing conspiracy class action. Plaintiffs allege that, since 2000, Tyson Foods Inc., Perdue Farms Inc. and other poultry processors conspired to depress the compensation of poultry processing workers in violation of the federal antitrust laws. The case is at the vanguard of the movement in antitrust law to protect workers. The Department of Justice filed a case against certain poultry processors based on the class action complaint which was the result of an independent private factual investigation. Cohen Milstein serves as Interim Co-Lead Counsel.
- Breen v. U.S. Department of Transportation and Federal Aviation Administration No. 1:05-cv-00654 (D.D.C.): In April 2021, the U.S. Department of Transportation and Federal Aviation Administration agreed to a record-breaking \$43.8 million settlement – the largest age discrimination settlement ever involving the federal government, ending a 16-year-old age discrimination lawsuit involving 670 former Flight Service Specialists, who were laid off in 2005 when the FAA conducted a reduction in force. More than 90% of these workers were over 40 years old and many lost their federal pension benefits.

- In re Alphabet Shareholder Derivative Litigation No. 19CV341522 (Sup. Ct. Cal., Santa Clara Cnty.): Cohen Milstein, as Co-Lead Counsel, represented Northern California Pipe Trades Pension Plan and Teamsters Local 272 Labor Management Pension Fund in this shareholder derivative action seeking to hold Alphabet's leadership accountable for a "culture of concealment," which involved covering up pervasive gender discrimination and sexual harassment and approving secretive, multi-million dollar payouts to high-level executives credibly accused of serious sexual misconduct against junior employees. In November 2020, the Court granted final approval of a historic settlement, which includes a \$310 million funding commitment and sweeping reforms to eliminate practices that silence victims and implement new measures to improve workplace equity and board oversight.
- Department of Homeland Security, et al. v. Regents of the University of California, et al. No. 18-587 (U.S. Supreme Court): In June 2020, the Supreme Court blocked the Trump Administration's plan to rescind the Deferred Action for Childhood Arrivals (DACA) program, preserving immigration protections for approximately 650,000 current DACA recipients aka "Dreamers." The Court's 5-4 ruling upheld the partial summary judgment in Cohen Milstein's NAACP case (D.D.C.) – one of three cases consolidated before the Supreme Court. The Opinion stated that the Court's affirmance of the NAACP order vacating the rescission made it unnecessary to examine the propriety of the nationwide preliminary injunctions that were issued in the consolidated cases. Cohen Milstein's case: NAACP, et al. v. Donald J. Trump, as President of the United States, et al., No. 1:17-cv-01907 (D.D.C.) was consolidated with and re-named: Trustees of Princeton University, et al. v. U.S. et al., No. 1:17-cv-02325 (D.D.C.).
- LLE One, LLC v. Facebook No.: 4:16-cv-06232-JSW (N.D. Cal.): In June 2020, the Court granted final approval of a \$40 million settlement in a consolidated, consumer class action against Facebook. The final approval also certified a class of U.S.-based Facebook account holders (advertisers) who paid for video ads on the platform from February 15, 2015, until September 23, 2016 and confirmed the appointment of Cohen Milstein as Co-Class Counsel. Plaintiffs alleged that Facebook misled them about viewer engagement of video ads by using inflated video-viewing metrics.
- Wynn Resorts, Ltd. Derivative Litigation No. A-18-770013-B (Eighth Jud. Dist. Ct., Clark Cnty., Nev.): Cohen Milstein represented New York State Common Retirement Fund and the New York City Pension Funds as Lead Counsel in a derivative shareholder lawsuit against certain officers and directors of Wynn Resorts, Ltd., arising out of their failure to hold Steve Wynn, the former CEO and Chairman of the Board, accountable for his longstanding pattern of sexual abuse and harassment of female employees. Mass.): In February 2020 and June 2020, Cohen Milstein and co-counsel successfully settled the second of two groundbreaking class actions on behalf of deaf and hearing-impaired individuals. - Moody’s Litigation: Represented the co-lead state Mississippi and represented New Jersey in the \$864 million consumer fraud settlement achieved in January 2017 by 22 states and the U.S. Department of Justice with Moody’s Corporation, Moody’s Investors Service, Inc., and Moody’s Analytics, Inc. Together with the S&P settlement, these cases against the nation’s two largest credit rating agencies produced key industry reforms that provide greater transparency for consumers and that divested the credit rating agencies of more than \$2.2 billion for their conduct contributing to the national housing crisis and the Great Recession.
- S&P Litigation: Represented co-lead state Mississippi in the \$1.375 billion-dollar consumer fraud settlement achieved in 2015 by 20 states and the U.S. Department of Justice with Standard & Poor’s. Tex.): Cohen Milstein represented the New York State Common Retirement Fund as Co-Lead Plaintiff in a securities class action filed in 2010, alleging that BP injured investors by intentionally downplaying the severity of the Deepwater Horizon oil spill and preventing investors from learning the magnitude of the disaster. After successfully arguing for class certification to the district court, Cohen Milstein presented Plaintiffs’ defense of that court’s decision to the U.S. Court of

Appeals for the Fifth Circuit, which affirmed the class. The case settled for \$175 million a few weeks before trial was set to begin.

- Bon Secours Health System Church Litigation No. 1:16-cv-01079-RDB (D. Md.): Cohen Milstein served as Lead Counsel to a class of defined benefit participants of seven Bon Secours Health System Inc. pension plans which improperly operated under the "church plan" exemption of ERISA. She also approved a plan for distribution to investors of those funds as well as the previously approved \$100 million settlement with RALI, its affiliates, and the individual defendants that was reached in 2013. This global settlement marks an end to a long and complicated class action over MBS offerings that RALI and certain of its affiliates issued and sold to the New Jersey Carpenters Health Fund and other investors from 2006 through 2007. The case took seven years of intense litigation to resolve.
- In re: Bear Stearns Mortgage Pass-Through Certificates Litigation No. 08-08093 (S.D.N.Y.): On May 27, 2015, U.S. District Judge Laura Taylor Swain finally approved a class action settlement with JPMorgan Chase & Co., which agreed to pay \$500 million and up to an additional \$5 million in litigation-related expenses to resolve claims arising from the sale of \$27.2 billion of mortgage-backed securities issued by Bear Stearns & Co. during 2006 and 2007 in 22 separate public offerings.
- Harborview MBS Litigation No. 08-5093 (S.D.N.Y.): In February 2014, Cohen Milstein reached a settlement with the Royal Bank of Scotland (RBS) in the Harborview MBS Litigation, resolving claims that RBS duped investors into buying securities backed by shoddy home loans. The \$275 million settlement is the fifth largest class action settlement in a federal MBS case. This case is one of eight significant MBS actions that Cohen Milstein has been named Lead or Co-Lead Counsel by courts and one of three that were nearly thrown out by the Court, only to be revived in 2012.
- In Re Electronic Books Antitrust Litigation No. 11-md-02293 (S.D.N.Y.): In August 2014, a New York federal judge approved a \$400 million antitrust settlement in the hotly contested ebooks price-fixing suit against Apple Inc. Combined with \$166 million in previous settlements with five defendant publishing companies, the final settlement totaled more than \$560 million. The settlement resolves damages claims brought by a class of ebook purchasers and attorneys general from 33 U.S. states and territories.
- Countrywide MBS Litigation No. 2:10-cv-00302 (C.D. Cal.): In April 2013, Plaintiffs in the landmark mortgage-backed securities (MBS) class action litigation against Countrywide Financial Corporation and others, led by Lead Plaintiff, the Iowa Public Employees' Retirement System (IPERS), agreed to a \$500 million settlement. It is the nation's largest MBS-federal securities class action settlement. The settlement was approved in December 2013 and brings to a close the consolidated class action lawsuit brought in 2010 by multiple retirement funds against Countrywide and other defendants for securities violations involving the packaging and sale of MBS. The settlement is also one of the largest (top 20) class action securities settlements of all time.
- In re Beacon Associates Litigation No. 09-cv-0777 (S.D.N.Y.): Class action settlement of \$219 million for trustees and participants in ERISA-covered employee benefit plans whose assets were lost through investments made on their behalf by Beacon Associates LLC I & II in the investment schemes of Bernard Madoff.
- In re Plasma-Derivative Protein Therapies Antitrust Litigation No. 09 C 7666 (N.D. Ill.): After four years of litigation, in October of 2013, CSL Limited, CSL Behring LLC, CSL Plasma, Inc. (collectively, "CSL"), and the Plasma Protein Therapeutics Association ("PPTA") agreed to pay \$64 million dollars to settle a lawsuit brought by the University of Utah Hospital and other health care providers alleging that CSL, the PPTA, and Baxter agreed between 2003-2009 to restrict the supply of immunoglobulin and albumin and thereby increase the prices of those therapies. Two months later, Baxter International Inc. and Baxter Healthcare Corp. (collectively "Baxter") agreed to pay an additional \$64 million to settle these claims – bringing the total recovery to the class to \$128 million.

- Keepseagle v. Vilsack Civil Action No. 1:99CV03119 (D.D.C.): A class of Native American farmers and ranchers allege that they have been systematically denied the same opportunities to obtain farm loans and loan servicing that have been routinely afforded white farmers by the USDA. A class was certified in 2001 by Judge Emmet Sullivan, District Judge for the U.S. District Court for the District of Columbia, and the D.C. Circuit declined USDA's request to review that decision. On October 19, 2010, the case reached a historic settlement, with the USDA agreeing to pay \$680 million in damages to thousands of Native American farmers and ranchers and forgive up to \$80 million worth of outstanding farm loan debt.
- In re Parmalat Securities Litigation No. 1:04-md-1653 (S.D.N.Y.): Cohen Milstein, as Co-Lead Counsel, successfully negotiated several settlements totaling approximately \$90 million, including two settlements with Parmalat's outside auditors. Parmalat's bankruptcy filing was the biggest corporate bankruptcy in Europe, and in December 2003, the U.S. Securities and Exchange Commission filed a suit charging Parmalat with "one of the largest and most brazen corporate financial frauds in history." During the litigation, the company subsequently emerged from bankruptcy, as a result we added "New Parmalat" as a defendant because of the egregious fraud committed by the now-bankrupt old Parmalat. New Parmalat strenuously objected and Judge Kaplan of the Southern District of New York ruled in the class plaintiffs' favor, a ruling which was affirmed on appeal. This innovative approach of adding New Parmalat enabled the class to obtain an important additional source of compensation, as we subsequently settled with New Parmalat for shares worth approximately \$26 million.
- Dukes v. Wal-Mart Stores, Inc. No. C-01-2252 (N.D. Cal.): Cohen Milstein is Co-Lead Counsel in this sex discrimination case. In 2004, the U.S. District Court certified a nationwide class action lawsuit for all female employees of Wal-Mart who worked in U.S. stores anytime after December 26, 1998. This was the largest civil rights class action ever certified against a private employer, including approximately 1.5 million current and former female employees. That ruling was appealed, and while affirmed by the Ninth Circuit, was reversed by the Supreme Court in June 2011. Cohen Milstein argued the case for the plaintiffs-respondents in the Supreme Court. Since then, the *Dukes* action has been amended to address only the Wal-Mart regions that include stores in California, and other regional class cases have been or are soon to be filed. This litigation to resolve the merits of the claims – whether Wal-Mart discriminates against its female retail employees in pay and promotions – continues.
- Rubin v. MF Global, Ltd. No. 08-CV-02233 (S.D.N.Y.): Acting as Co-Lead Counsel in this class action, the Firm represented the Central States, Southeast and Southwest Areas Pension Fund which was one of the co-lead plaintiffs in the case. In September 2010, as a result of Plaintiffs' decision to appeal, the U.S. Second Circuit Court of Appeals vacated in part the lower court's dismissal of the case and remanded the case for further proceedings. In overturning the District Court decision, the Second Circuit issued a decision which differentiated between a forecast or a forward-looking statement accompanied by cautionary language -- which the Appellate Court said would be insulated from liability under the bespeaks caution doctrine -- from a factual statement, or non-forward-looking statement, for which liability may exist. Importantly, the Second Circuit accepted Plaintiffs' position that where a statement is mixed, the court can sever the forward-looking aspect of the statement from the non-forward-looking aspect. The Court further stated that statements or omissions as to existing operations (and present intentions as to future operations) are not protected by the bespeaks caution doctrine. Mediation followed this decision and resulted in a settlement comprised of \$90 million in cash.
- Hughes v. Huron Consulting Group No. 09-CV-04734 (N.D. Ill.): Cohen Milstein represented Lead Plaintiffs the Public School Teachers' Pension & Retirement Fund of Chicago and the Arkansas Public Employees

Retirement System (“APERS”) in this case against Huron Consulting Group, founded by former Arthur Anderson personnel following its collapse in the wake of the Enron scandal. In August 2010, the District Court for the Northern District of Illinois denied Defendants’ motions to dismiss in their entirety and upheld Plaintiffs’ allegations that Defendants intentionally improperly accounted for acquisition-related payments, which allowed Plaintiffs to move forward with discovery. The case was settled for \$40 million, comprised of \$27 million in cash and 474,547 shares in Huron common stock, with an aggregate value at the time of final approval in 2011 of approximately \$13 million.

- In re Lucent Technologies Securities Litigation No. 00-621 (D.N.J.): A settlement in this massive securities fraud class action was reached in late March 2003. The class portion of the settlement amounts to over \$500 million in cash, stock and warrants and ranks as the second largest securities class action settlement ever completed. Cohen Milstein represented one of the co-lead plaintiffs in this action, a private mutual fund.
- Nate Pease, et al. v. Jasper Wyman & Son, Inc., et al. No. 00-015 (Knox County Superior Court, Me.): In 2004, a state court jury from Maine found three blueberry processing companies liable for participating in a four-year price-fixing and non-solicitation conspiracy that artificially lowered the prices Defendants paid to approximately 800 growers for wild blueberries. The jury ordered Defendants Cherryfield Foods, Inc., Jasper Wyman & Son, Inc., and Allen’s Blueberry Freezer, Inc. to pay \$18.68 million in damages, the amount which the growers would have been paid absent the defendants’ conspiracy. After a mandatory trebling of this damage figure under Maine antitrust law, the total amount of the verdict for the plaintiffs is just over \$56 million. The firm served as Co-Lead Counsel.
- In re StarLink Corn Products, Liability Litigation MDL No. 1403 (N.D. Ill.): Cohen Milstein successfully represented U.S. corn farmers in a national class action against Aventis CropScience USA Holding and Garst Seed Company, the manufacturer and primary distributor of StarLink corn seeds. StarLink is a genetically modified corn variety that the United States government permitted for sale as animal feed and for industrial purposes, but never approved for human consumption. However, StarLink was found in corn products sold in grocery stores across the country and was traced to widespread contamination of the U.S. commodity corn supply. The firm, as Co-Lead Counsel, achieved a final settlement providing more than \$110 million for U.S. corn farmers, which was approved by a federal district court in April 2003. This settlement was the first successful resolution of tort claims brought by farmers against the manufacturers of genetically modified seeds.
- Snyder v. Nationwide Mutual Insurance Company No. 97/0633 (Sup. Ct. N.Y. Onondaga Cnty.): Cohen Milstein served as one of Plaintiffs’ principal counsel in this case on behalf of persons who held life insurance policies issued by Nationwide through its captive agency force. The action alleged consumer fraud and misrepresentations. Plaintiffs obtained a settlement valued at more than \$85 million.
- Oncology & Radiation Associates, P.A. v. Bristol Myers Squibb Co., et al. No. 1:01CV02313 (D.D.C.): Cohen Milstein has been Co-Lead Counsel in this case since its inception in 2001. Plaintiffs alleged that Bristol-Myers Squibb unlawfully monopolized the United States market for paclitaxel, a cancer drug discovered and developed by the United States government, which Bristol sells under the brand name Taxol. Bristol’s scheme included a conspiracy with American BioScience, Inc., a generic manufacturer, to block generic competition. Cohen Milstein’s investigation and prosecution of this litigation on behalf of direct purchasers of Taxol led to a settlement of \$65,815,000 that was finally approved by U.S. District Judge Emmet G. Sullivan

on August 14, 2003 and preceded numerous Taxol-related litigations brought by the Federal Trade Commission and State Attorneys General offices.

- Kruman v. Christie's International PLC, et al. No. 01-7309 (S.D.N.Y.): A \$40 million settlement on behalf of all persons who bought or sold items through Christie's or Sotheby's auction houses in non-internet actions was approved in this action. Cohen Milstein served as one of three Lead Counsel on behalf of foreign plaintiffs. The Court noted that approval of the settlement was particularly appropriate, given the significant obstacles that faced plaintiffs and plaintiffs' counsel in the litigation. The settlement marked the first time that claims on behalf of foreign plaintiffs under U.S. antitrust laws have been resolved in a U.S. court, a milestone in U.S. antitrust jurisprudence.
- Roberts v. Texaco, Inc. 94-Civ. 2015 (S.D.N.Y.): Cohen Milstein represented a class of African-American employees in this landmark litigation that resulted in the then-largest race discrimination settlement in history (\$176 million in cash, salary increases and equitable relief).
- Trotter v. Perdue Farms, Inc. No. 99-893 (D. Del.): This suit on behalf of hourly workers at Perdue's chicken processing facilities – which employ approximately 15,000 people – forced Perdue to pay employees for time spent “donning and doffing,” that is, obtaining, putting on, sanitizing and removing protective equipment that they must use both for their own safety and to comply with USDA regulations for the safety of the food supply. The suit alleged that Perdue's practice of not counting donning and doffing time as hours worked violated the Fair Labor Standards Act and state law. In a separate settlement with the Department of Labor, Perdue agreed to change its pay practices. In addition, Perdue is required to issue retroactive credit under one of its retirement plans for “donning and doffing” work if the credit would improve employees' or former employees' eligibility for pension benefits. Cohen Milstein was Co-Lead Counsel.

Benjamin D. Brown is the managing partner at Cohen Milstein and co-chair of the Antitrust practice. Mr. Brown is also the chairman of the firm's Executive Committee.

Mr. Brown, who previously served in the Antitrust Division of the United States Department of Justice, brings to his role extensive experience leading complex litigation, particularly antitrust class actions.

Mr. Brown has been appointed by federal courts to serve as co-lead counsel for plaintiffs in numerous important matters, such as *In re Plasma-Derivative Protein Therapies Antitrust Litigation* (N.D. Ill.); *Carlin, et al. v. DairyAmerica, Inc.* (E.D. Cal.); and *Mixed Martial Arts (MMA) Antitrust Litigation* (D. Nev.). He has led cases through trial and argued appeals and stands ready to take cases through to the finish line.

Mr. Brown is also an adjunct professor at Georgetown Law School, where he teaches *Complex Litigation*, a course that explores the policy and procedures implicated by aggregated, high stakes, multi-party litigation, especially class actions.

Mr. Brown is also a leader in the area of takings cases, claims that are brought under the Fifth Amendment of the U.S. Constitution for the unconstitutional taking of property without compensation. He also represents individuals or groups in litigations and confidential arbitrations involving complex commercial disputes, particularly those involving regulated markets.

Currently, Mr. Brown is serving as lead or co-lead counsel on a number of large, complex antitrust cases. He charts the course of his cases from deciding on the claims to be brought, to the litigation strategy to be pursued, and through the approach to settlement or trial.

Notable matters include:

- *Mixed Martial Arts (MMA) Antitrust Litigation* (D. Nev.): Cohen Milstein is co-lead counsel in a class action on behalf of MMA fighters alleging that Zuffa LLC – commonly known as the Ultimate Fighting Championship or “UFC” – has unlawfully monopolized the markets for promoting live professional MMA bouts and for purchasing the services of professional MMA fighters. The district court denied the defendant's motion to dismiss the case in September 2015 and discovery is ongoing. Mr. Brown is co-lead in this class action.
- *Moehrl v. National Association of Realtors, et al.* (N.D. Ill.): Cohen Milstein is co-lead counsel in a class action on behalf of home sellers in twenty major metropolitan areas throughout the United States against the National Association of Realtors (NAR) and the nation's four largest real estate brokers and franchisors. - *Pacific Steel Group v. Commercial Metals Company, et al.* (N.D. Ca.): Mr. Brown represents Pacific Steel Group, a steel rebar fabricator located in San Diego, California, seeking damages and injunctive relief against Commercial Metals Company or "CMC" for violations of antitrust and other laws. As alleged, Pacific Steel Group decided to build a steel mill to produce rebar in order to become a more efficient competitor through vertical integration. Because the mill would have created competition for CMC in the local rebar manufacturing market that CMC currently dominates, the complaint alleges CMC took various actions to delay or prevent Pacific Steel from building its mill. The district court denied CMC's motion to dismiss In April 2022.

Mr. Brown is also currently litigating a number of takings lawsuits, including the following notable matters:

- *Ideker Farms, et al. v. United States of America* (Fed. Mr. Brown has helped lead the litigation team, including during both a months-long liability trial in 2017, and a subsequent damages trial in 2020 for bellwether plaintiffs. During those trials, Mr. Brown directed and cross-examined numerous witnesses, including eleven different experts. In December 2020, the Court ruled largely in favor of bellwether plaintiffs. An appeal to the Federal Circuit was heard in 2022.

In 2018, the American Antitrust Institute honored her with its prestigious "Outstanding Antitrust Litigation Achievement by a Young Lawyer" award for her role in securing one of the largest recoveries on behalf of end-payors in a federal generic suppression case in over a decade. Similarly, for five consecutive years, The Legal 500 has selected her as a "Next Generation Lawyer" (2017-2021), an honor bestowed upon only 10 lawyers under 40 years old across the country, who are positioned to become leaders in their respective fields. Likewise, The New York Law Journal recognized her as a Rising Star (2018) – one of only twenty individuals selected to receive this honor. In addition, Benchmark Litigation selected Ms. Robertson for inclusion on its "40 & Under Hot List" for four consecutive years (2018-2021) and Law360 named her as one of five "Rising Stars" (2018) in the field of competition law whose "professional accomplishments belie their age," as did Super Lawyers (2014-2016). Ms. Robertson has also been recognized by Law360 as one of a few female litigators to secure leadership roles in high-profile MDLs, such as In re Lidoderm Antitrust Litigation (March 16, 2017).

Ms. Robertson is spearheading Cohen Milstein's efforts in pay-for-delay pharmaceutical antitrust lawsuits, a cutting-edge and industry-defining area of law, which allege that the defendant brand manufacturer entered into non-competition agreements with generic manufacturers in order to delay entry of lower-priced generic products. Ms. Robertson also heads up the firm's generic price-fixing cases, which allege that certain generic drug manufacturers conspired to inflate the prices of generic drug products.

These cases come on the heels of a government investigation led by the U.S. Department of Justice alleging similar conduct, which, while ongoing, has already resulted in indictments and guilty pleas.

In addition to leading complex MDLs, Ms. Robertson is an accomplished trial lawyer. She served as a trial team member in two of the largest antitrust cases tried to verdict, including In re Urethanes Antitrust Litigation, where the jury returned a \$400 million verdict, which was trebled by the Court, as required by antitrust law, resulting in the largest price-fixing verdict in U.S. history, as well as In re Nexium Antitrust Litigation, the first pharmaceutical antitrust case to go to trial following the Supreme Court's landmark decision in FTC v. Actavis, 570 U.S. 756 (2013).

Ms. Robertson represents End-Payor Plaintiffs in the following pharmaceutical antitrust cases in which the firm serves as Co-Lead Counsel:

- In re Lipitor Antitrust Litigation (D.N.J.): Plaintiffs allege that Pfizer, the manufacturer of the cholesterol drug Lipitor, the best-selling drug in pharmaceutical history, conspired with Ranbaxy, the generic manufacturer, to delay its introduction of a generic Lipitor product. On August 21, 2017, the Third Circuit

handed a sweeping victory to Plaintiffs, reviving their antitrust claims. This case was ranked by Law360 as “The Biggest Competition Cases Of 2017 So Far” (July 7, 2017).

- In re Tracleer Antitrust Litigation (D. Md.): Plaintiffs allege that Defendant Actelion engaged in an anticompetitive scheme to withhold samples of its life-saving pulmonary arterial hypertension medication from would-be rivals, under the guise of the REMs program, which conduct ultimately delayed generic competition.

Del.): Plaintiffs allege that Defendant AstraZeneca Pharmaceuticals LP struck deals with generic drug manufacturers Handa Pharmaceuticals LLC, Par Pharmaceutical Inc. and Accord Pharmaceuticals Inc., inducing the generics to delay launching generic versions of Seroquel XR, AstraZeneca's prescription drug treatment for schizophrenia, bipolar disorder and depression, for five years in exchange for AstraZeneca committing to delay the launch of its own authorized generic.

In addition, Ms. Robertson co-chairs the executive committee in In re Humira Antitrust Litigation (N.D. Ill.) and serves as a member of the executive committee in similar cases in which Cohen Milstein plays a significant role, including: In re Niaspan Antitrust Litigation (E.D. The case against Dow ultimately settled for \$835 million while Dow's petition for certiorari was pending before the Supreme Court, bringing the total recovery to \$974 million – nearly 250% of the damages found by the jury.
- In re Lidoderm Antitrust Litigation (N.D. Cal.): We served as Co-Lead Counsel for the End-Payor Class in a suit alleging that Endo and Teikoku, manufacturers of the Lidoderm patch, paid Watson Pharmaceuticals to delay its generic launch. On September 1, 2020, the settlements received final approval.

Mr. Braun is also experienced in international claims litigation, including representing victims of state-sponsored terrorism in suits amounting to nearly \$1 billion in judgments.

Currently, Mr. Braun is litigating the following notable matters:

- *Moehrl v. National Association of Realtors* (N.D. Ill.): Cohen Milstein represents a proposed class of home sellers in litigation against the four largest national real estate services conglomerates, and their trade association. The class alleges that the defendants violated federal antitrust law by conspiring to require sellers to pay the broker representing their homes’ buyer (and to do so at an inflated level). Mr. Braun assists in managing all aspects of the case.
- *In re: Iran Beirut Bombing Litigation* (D.D.C.): Cohen Milstein represents victims and family members of victims in the 1983 Beirut Marine Barracks bombing—the deadliest act of terrorism against Americans prior to September 11, 2001. Mr. Braun manages this litigation, which has resulted in judgments amounting to more than \$942 million against the government of Iran.

S. Douglas Bunch

S. Douglas Bunch is a partner at Cohen Milstein, a member of the Securities Litigation & Investor Protection practice, and co-chair of the firm’s Pro Bono Committee.

Mr. Bunch has also had the unique honor of being appointed by President Joseph R. Biden as Public Delegate of the United States to the United Nations, a position he currently holds.

As a securities litigator, Mr. Bunch represents individual and institutional investors in securities and shareholder class actions. His work and path-breaking legal arguments in precedent-setting cases, such as *In re Harman*

International Industries, Inc. Securities Litigation, have earned him numerous accolades, including being named to Benchmark Litigation's 2019 "40 & Under Hot List" and as one of Law360's "Rising Stars – Securities" (2017), honoring lawyers under the age of 40 whose professional accomplishments transcend their age.

Mr. Bunch played a leading role in the following securities class actions:

- In re Harman International Industries, Inc. Securities Litigation (D.D.C.): Cohen Milstein obtained a precedent-setting ruling by the U.S. Court of Appeals for the D.C. Circuit, reversing the dismissal of the case by the lower court, protecting investors by limiting the scope of protection afforded by the so-called "safe-harbor" for forward-looking statements in the Private Securities Litigation Reform Act of 1995.
- In re GreenSky Securities Litigation (S.D.N.Y.): Cohen Milstein was Co-Lead Counsel in this securities class action involving fintech company GreenSky's failure to disclose in its Initial Public Offering documents significant facts about the Company's decision to pivot away from its most profitable line of business. This failure led to its stock plummeting and causing significant investor harm. In October 2021, the Court granted final approval of a \$27.5 million settlement.
- Plumbers & Pipefitters National Pension Fund v. Davis (S.D.N.Y.): Cohen Milstein was Lead Counsel in this high-profile, putative securities class action involving Performance Sports Group's failure to disclose that its purported financial success was not based on sustainable, "organic" growth as represented, but was driven by the Company's manipulative and coercive sales practices, which included pulling orders forward to earlier quarters and pressuring customers to increase their orders without regard for market demand. The SEC and Canadian authorities subsequently initiated investigations, and PSG filed for bankruptcy. On November 22, 2022, the Court granted final approval of a \$13 million settlement, which is in addition to the \$1.15 million settlement Plaintiff obtained in Performance Sports Group's 2016 bankruptcy proceedings through the prior approval of the U.S. Bankruptcy Court for the District of Delaware and the Ontario Superior Court in Canada.
- In re ITT Educational Services, Inc. Securities Litigation (S.D.N.Y.): Cohen Milstein achieved a \$16.96 million settlement against ITT and two of its officers. The case was hotly contested and involved unraveling complex accounting treatments governing ITT's transactions with third-party lenders, whereby the third parties agreed to assume liability for student loan defaults up to a particular threshold. The case settled during discovery after the parties had reviewed and analyzed over two million pages of documents, after depositions had been taken, and while class certification briefing was ongoing.
- Rubin v. MF Global, Ltd. (S.D.N.Y.): Cohen Milstein achieved a significant \$90 million settlement in this precedent-setting case, in which the U.S. Court of Appeals for the Second Circuit sided with the Plaintiffs and held that companies cannot make false or misleading statements in their offering documents, and then hide behind associated risk disclosures in an attempt to escape liability. The National Law Journal named Cohen Milstein to its Plaintiffs' Hot List for its achievement.
- MBS Litigation (S.D.N.Y.): Cohen Milstein is a legal pioneer in mortgage-backed securities (MBS) litigation, having negotiated some of the largest and most significant MBS settlements in history and achieved more than \$2.5 billion in investor recoveries. Mr. Bunch played a key role in these cases, particularly those against Residential Accredited Loans, Inc. (RALI) (\$335 million settlement), Harborview Mortgage Loan Trusts (\$275 million settlement), and Bear Stearns & Co. Inc. (\$500 million settlement).

Mr. Bunch is currently involved in the following notable cases:

- Cape Fear River Contaminated Water Litigation (E.D.N.C.): Cohen Milstein is Interim Co-Lead Class Counsel in this environmental toxic tort class action filed against E.I. du Pont de Nemours & Company and The Chemours Company. Plaintiffs allege that for more than four decades, DuPont and Chemours polluted the Cape Fear River near Wilmington, North Carolina, with a chemical called GenX; contaminated the water supply in five North Carolina counties; and misrepresented the Company's conduct to state and federal regulators, all while knowing that GenX was carcinogenic. Plaintiffs allege extensive property damage and personal injury as a result of Defendants' actions.

- In re EQT Corporation Securities Litigation (W.D. Pa.): Cohen Milstein is Co-Lead Counsel in this securities class action, in which Plaintiffs allege that EQT misrepresented the “substantial synergies” that were expected to arise from a planned merger with rival natural gas producer Rice Energy due to “the contiguous and complementary nature of Rice’s asset base with EQT’s.”

For his legal achievements, Mr. Bunch has received numerous industry recognitions, including being named to Benchmark Litigation’s 2019 “40 & Under Hot List,” and Law360’s “Rising Stars – Securities” (2017), recognizing outstanding lawyers under the age of 40. M. from Harvard University, and received his J.D. from William & Mary Law School, where he was a recipient of the Benjamin Rush Medal in 2006. In 2011, he was awarded William & Mary’s inaugural W. Taylor Reveley III award, recognizing alumni who have demonstrated a sustained commitment to public service.

Robert W. Cobbs

Robert W. Cobbs is a partner at Cohen Milstein and a member of the Antitrust practice.

Currently, Mr. Cobbs is litigating the following notable matters:

- Interest Rate Swaps Antitrust Litigation (S.D.N.Y.): Cohen Milstein serves as co-lead counsel in a groundbreaking antitrust class action representing the Public School Teachers’ Pension and Retirement Fund of Chicago and a proposed buy-side investor class against numerous Wall Street investment banks. The class alleges that the defendants conspired to prevent class members from trading IRS on modern electronic trading platforms and from trading with each other, all to protect the banks’ trading profits from inflated bid/ask spreads.
- Stock Lending Antitrust Litigation (S.D.N.Y.): Cohen Milstein serves as co-counsel in a groundbreaking antitrust class action alleging that major investment banks conspired to prevent the stock lending market from evolving by boycotting and interfering with various platforms and services designed to increase transparency and reduce costs in the stock lending market.
- ExxonMobil - Aceh, Indonesia (D.D.C.): Cohen Milstein is representing eleven Indonesian citizens in a cross-border human rights lawsuit involving allegations of physical abuse, sexual assault, other forms of torture, and murder committed by Indonesian soldiers who were hired by ExxonMobil Corporation.

- Google Wi-Fi Litigation (N.D. Cal.): Cohen Milstein was co-lead counsel in a nationwide class action alleging that Google violated the Wiretap Act when its Street View vehicles secretly collected payload data from unencrypted Wi-Fi networks. Plaintiffs defeated a motion to dismiss raising novel Wiretap Act issues, and the ruling was affirmed on interlocutory appeal to the Ninth Circuit. The court approved a \$13 million settlement in March 2020.
- Anadarko Basin Oil and Gas Lease Antitrust Litigation (W.D. Okla.): Cohen Milstein was co-lead counsel for plaintiffs in a class action alleging that Chesapeake Energy, SandRidge Energy and a former executive of both

companies conspired to rig bids for leases of land held by private landowners in parts of Oklahoma and Kansas. This litigation followed the U.S. Department of Justice's early 2016 indictment of a co-founder and former CEO of Chesapeake Energy for allegedly participating in this bid-rigging conspiracy. Plaintiffs alleged that Defendants illegally conspired to stabilize and depress the price of royalty and bonus payments paid to landowners in the Anadarko Basin oil and gas province — a massive geological formation holding natural gas and oil deposits that includes large parts of Oklahoma and Kansas. Pursuant to this conspiracy, Plaintiffs alleged that Defendants communicated about and agreed on prices, allocated particular geographic areas between themselves, and rigged bids for leases of land, lowering acquisition prices across the region and thereby harming the proposed class of landowners. In April 2019, the court granted final approval of a \$6.95 million settlement.

Prior to joining Cohen Milstein, Mr. Cobbs clerked for the Hon. Pierre N. Leval, United States Court of Appeals for the Second Circuit; and for the Hon. J. Rodney Gilstrap, United States District Court for the Eastern District of Texas.

Bearings is the first matter currently being considered for certification by the court. Mr. Dominguez has significant responsibilities in these cases, including leading discovery efforts against defendants, briefing and assisting experts. Settlements in several of these cases have recovered more than \$500 million for direct purchaser plaintiffs.

Mr. Dominguez was also involved in cutting-edge data privacy breach litigation against AOL for allegedly unlawfully collecting internet search data of millions of users and making their private information available for public downloading. In addition, Mr. Dominguez litigated a highly significant securities matter that settled for hundreds of millions of dollars involving Symbol Technologies Inc., a barcode technology maker that intentionally overstated its revenues through premature revenue recognition, improper consignments arrangements and channel stuffing.

Mr. Dominguez began his career as an Assistant Attorney General in the Attorney General of the State of Florida's Department of Economic Crimes. In that role, he represented the State of Florida in prosecuting corporations and business entities for alleged violations of Florida's RICO, antitrust and Unfair and Deceptive Trade Practices Act statutes. Notable areas where Ms. Fryszman's work has made an impact:

- **Holocaust-era atrocities:** Ms. Fryszman was a member of the legal team that successfully represented survivors of Nazi-era forced and slave labor against the German and Austrian companies that allegedly profited from their labor. These cases were resolved by international negotiations that resulted in multi-billion-dollar settlements.
- **Human Trafficking and Forced Labor:** Ms. Fryszman filed one of the first claims under the federal human trafficking statute (the TVPRA) and has continued to focus on representing survivors of human trafficking and forced labor. She has been recognized as Advocate of the Year by the Human Trafficking Legal Center and awarded the National Law Journal Pro Bono Award for her efforts. She represented the families of twelve Nepali men and five additional surviving Nepali men who were lured to Jordan with the false promise of well-paying hotel jobs, but instead their passports were confiscated, they were imprisoned and then taken against their will a U.S. military base in Iraq, where they were put to work for U.S. military subcontractors during the Iraq war. Twelve of the men were killed by insurgents. The claims were ultimately resolved, including under innovative proceedings pursuant to the Defense Base Act. Cohen Milstein's work received international attention and is the focus of the book, *The Girl from Kathmandu | Twelve Dead Men and a Woman's Quest for Justice*, by Cam Simpson (HarperCollins, 2018).
- **Deep Sea Fishing Industry:** Ms. Fryszman filed and settled the first successfully resolved case of fishing boat slavery in the world. She represented two Indonesian men who escaped from a fishing boat when it docked in California. The settlement included provisions intended to protect future seamen, including a code of conduct for ship captains and a hand-out for seamen informing them of their rights and who to call for help.
- **Comfort Women:** Ms. Fryszman's work on behalf of former "comfort women," women and girls trafficked into sexual slavery by the government of Japan during World War II, was recognized with the "Fierce Sister" award from the National Asian Pacific American Women's Forum.

The case is being heard in a United States

court but involves claims under Indonesian law. The case has been hotly litigated for 20 years, including two trips to the D.C. Circuit Court of Appeals (both successfully argued by Ms. Fryszman). Ms. Fryszman pioneered the use of remote deposition technology to take over 20 depositions of eyewitnesses located in rural Aceh. The parties are currently awaiting a trial date.

- *Chiquita (S.D. Fla)*: Ms. Fryszman represents hundreds of Columbian citizens who allege that they or their family members were victims of torture or extrajudicial killing committed by the AUC, a paramilitary death squad paid by Chiquita. The victims included labor organizers, elected officials, and activists on Chiquita's banana plantations. The AUC was designated by the United States government as a "Foreign Terrorist Organization." That designation made supporting the AUC a federal crime. After an inquiry by the U.S. Justice Department, Chiquita pled guilty and admitted to making over 100 payments to the AUC but has thus far refused to compensate the families whose loved ones were murdered.
- *Kurd v. The Republic of Turkey (D.D.C.)*: Ms. Fryszman represents represent fifteen people, including a seven-year-old girl with her father, a mother pushing a four-year-old in a stroller, students, and local small business owners, who had gathered at Sheridan Circle in Washington, D.C., to peacefully protest the Erdogan regime's treatment of its Kurdish community. They were brutally attacked by President Erdogan's security detail, who pushed past a line of law enforcement officers to kick, stomp and bludgeon the demonstrators. The attack was captured on video, resulted in criminal indictments, and was condemned by the United States Congress. The Republic of Turkey claimed it was immune from suit, but the district court disagreed. Ms. Fryszman successfully argued the case at the Court of Appeals, obtaining a unanimous opinion upholding the district court.
- *Ratha v. Phatthana Seafood (C.D. Cal.)*: Ms. Fryszman represents Cambodian villagers who allege that they were trafficked into Thailand and subjected to forced labor at seafood processing factories that were owned by and did business with U.S. business entities.
- *Paul Rusesabagina Kidnapping (D.D.C.)*: Ms. Fryszman represented U.S. Presidential Medal of Freedom winner Paul Rusesabagina and his family against the Republic of Rwanda, the President of Rwanda and other members of the government for allegedly kidnapping Paul and taking him back to Rwanda, where he was imprisoned, tortured and subjected to a sham trial. Mr. Rusesabagina is perhaps best known for saving thousands of lives during the Rwandan genocide in 1994, a story that inspired the Academy-Award-nominated film, *Hotel Rwanda*. On March 16, 2023, the court held that three Rwandan officials must face Plaintiffs' claims. A week later, after negotiations with the White House, Rwanda commuted Rusesabagina's sentence. After two-and-a-half years in captivity, he returned home to the United States.

Carol V. Gilden

Carol V. Gilden is a nationally recognized securities litigator and a partner in Cohen Milstein's Securities Litigation & Investor Protection practice. She also serves as the resident partner of the firm's Chicago office.

Ms. Gilden represents public pension funds, Taft-Hartley pension and health and welfare funds, and other institutional investors in securities class actions, individual actions and transaction and derivative litigation. She also litigates other types of complex litigation and class actions nationwide in state and federal courts. Ms. Gilden's practice includes cases involving stock, bonds, preferred stock, ADR's and other complex financial Instruments, including interest rate swaps, Treasury bonds and exchange-traded notes.

Ms. Gilden has spearheaded and litigated some of the most novel securities disputes in the financial markets, resulting in aggregate recoveries of over several billion dollars for investors. Her guiding principle – those who commit fraud on the financial markets should be held accountable.

In numerous high-profile securities cases, Ms. Gilden has led the litigation as Lead or Co-Lead Counsel. These cases include MF Global, where the U.S. Court of Appeals for the Second Circuit held that companies that make false or misleading statements cannot hide behind risk disclosures to escape liability, and in which Ms. Gilden, as Co-Lead Counsel, was named in the National Law Journal's selection of Cohen Milstein to its "Plaintiffs' Hot List." Ms. Gilden was also Lead Counsel in the IntraLinks Securities Litigation, which, as one of the first securities class actions certified after the Supreme Court's Halliburton II decision, provided a roadmap for obtaining class certification in other securities cases.

Most recently, Ms. Gilden served as Lead Counsel in Seafarers Pension Plan v. Bradway, et al., a federal derivative case against The Boeing Company's directors and officers arising out of the 737 MAX crashes and alleging federal proxy statement violations in connection with director elections. After the case was dismissed on forum non conveniens grounds, Ms. Gilden successfully argued before the U.S. Court of Appeals for the Seventh Circuit, obtaining a 2-to1, precedent-setting decision reversing the district court's dismissal of the case based on enforcement of Boeing's forum selection bylaw. The derivative action ultimately settled, along with a companion class action filed by the Seafarers in Delaware Chancery Court after the district court's dismissal and challenging the bylaw under Delaware law, for corporate governance reforms valued in excess of \$100 million and a \$6.25 million payment by the Directors' insurers to the Company.

Among other cases, Ms. Gilden is currently serving on the Co-Lead Counsel team in two groundbreaking antitrust lawsuits involving two of the world's largest financial markets and as Lead Counsel in a securities class action against Bayer AG, stemming from its acquisition of Monsanto, with its flagship product, the herbicide Roundup. Additionally, she is Lead Counsel in a securities class action against Pluralsight and its senior officers, alleging that they misrepresented and omitted material information concerning the size of the Company's sale force, which impacted its billing's growth, a key metric to investors.

Ms. Gilden began her career in the Enforcement Division of the Securities and Exchange Commission, where she spent five years investigating and litigating securities fraud cases.

Before joining Cohen Milstein in 2007, Ms. Gilden served as the head of the securities class action practice at a prominent mid-sized Chicago law firm and the vice-chair of its class action department.

Representative Matters:

- Interest Rate Swaps Market Manipulation Litigation (S.D.N.Y.): Ms. Gilden represents the Public School Teachers' Pension and Retirement Fund of Chicago and other institutions in a groundbreaking putative class action, charging 12 Wall Street banks with conspiring to engineer and maintain a collusive and anti-competitive stranglehold over the interest rate swaps market – one of the world's biggest financial markets. Cohen Milstein is Co-Lead Counsel in this case,
- Treasuries Market Manipulation Litigation (S.D.N.Y.): Ms. Gilden represents the Cleveland Bakers and Teamsters Pension and Health and Welfare Funds and other institutions in this putative antitrust class action, alleging that two dozen financial institutions with an inside role at the auction for U.S. Treasuries conspired to manipulate yields and prices to their benefit. Cohen Milstein is Co-Lead Counsel.
- Bayer AG Securities Litigation (N.D. Cal.): Ms. Gilden represents the Sheet Metal Workers National Pension Fund and the International Brotherhood of Teamsters Local No. 710 Pension Plan in this putative securities class action, alleging that Bayer misrepresented the extent of its due diligence on the risks posed by the Roundup litigation in connection with its \$63 billion acquisition of Monsanto. Bayer investors incurred significant losses after bellwether jury trials in the toxic tort cases in the Roundup litigation repeatedly found in favor of the plaintiffs against Monsanto, leading to jury awards totaling hundreds of millions of dollars. Ultimately, a global settlement of the Roundup litigation was announced for upwards of \$10.9 billion, which the Court handling the cases rejected as to future claims. Cohen Milstein is Lead Counsel.
- Pluralsight, Inc. Securities Litigation (D. Utah): Ms. Gilden represents the Indiana Public Retirement System and the Public School Teachers' Pension and Retirement Fund of Chicago in this securities class action against Pluralsight, Inc, a provider of cloud-based and video training courses. The case alleges that Pluralsight and its senior officers misrepresented and omitted material information from investors concerning the Company's sales force, which impacted its billings growth, before a \$37 million stock cash-out by Pluralsight insiders through the use of Rule 10b5-1 trading plans, open market transactions and in an \$450 million secondary public offering orchestrated by those insiders. Ms. Gilden successfully argued and convinced U.S. Court of Appeals for the Tenth Circuit to reverse the lower court's dismissal of the case. In doing so, the Tenth Circuit held that the plaintiffs' allegations "strongly support the inference" of scienter and that the executives' use of Rule 10b5-1 trading plans for their sales "cannot rebut the inference that personal financial gain was a motive for defendants' material misrepresentations." Cohen Milstein is Lead Counsel.
- Set Capital LLC et al. v. Credit Suisse Group A.G. et al. (S.D.N.Y.): Ms. Gilden represents Set Capital LLC and other investors in this securities class action lawsuit against Credit Suisse Group and its officers stemming from the collapse of exchange-traded notes called VelocityShares Daily Inverse VIX Short Term Exchange Traded Notes, or XIV, that tracked the inverse of the VIX. The case alleges that Credit Suisse sold hundreds of millions of dollars of XIV notes to investors, while actively betting against their performance and falsely telling investors that it (and Credit Suisse's affiliates) did not believe their hedging in VIX futures would adversely impact XIV's value. Cohen Milstein serves as Co-Lead Counsel.
- Intuitive Surgical Inc. Derivative Litigation (Sup. Crt. Cal.): Ms. Gilden represented the Public School Teachers' Pension and Retirement Fund of Chicago in this derivative action against Intuitive's directors and officers, alleging they covered up safety defects in the da Vinci robotic surgery system. She achieved a settlement one day before trial for cash and options worth \$20.2 million at final approval, to be paid by the Individual Defendants back to Intuitive. The settlement also required Intuitive Surgical to adopt extensive corporate governance, insider trading, product safety, and FDA compliance measures designed to prevent the reoccurrence of the alleged wrongdoing. In the plaintiff's expert's opinion, the reduction in the risk of recurrence of the events similar to the ones experienced (which resulted in a 30% drop in stock value and the establishment of a \$100 million product liability reserve) translated into a benefit of \$117 million to Intuitive and its shareholders. Cohen Milstein served as Co-Lead Counsel.
- Huron Securities Litigation (N.D. Ill.): Ms. Gilden represented the Public School Teachers' Pension & Retirement Fund of Chicago and the Arkansas Public Employees Retirement Fund in this securities fraud class action against Huron and its officers, alleging accounting fraud allegations. Cook Cty., Ill.): Ms. Gilden represented the City of Chicago in a high-profile lawsuit in Cook County Circuit Court, alleging that Expedia, Hotels.com, Orbitz, Priceline, and Travelocity failed to properly remit hotel taxes to the City of Chicago for hotel bookings. Expedia, the last remaining defendant, appealed a \$29 million judgment and settled on appeal after briefing concluded. The City of Chicago recouped \$23.6 million in back taxes and interest, and these defendants now collect and remit to the City of Chicago taxes on the markup of the room bookings. Davis, et al.* (S.D.N.Y.): Ms. Gilden represented the United Association National Pension Fund, f/k/a Plumbers & Pipefitters National Pension Fund, in this securities class action alleging that PSG and its officers failed to disclose that PSG's growth was not based on sustainable "organic growth" as represented but was driven by the company's manipulative and coercive sale practices, which included pulling orders forward and forcing customers to increase their orders without regard for market demand. PSG subsequently filed for bankruptcy protection. Cohen Milstein is sole Lead Counsel, which after extensive discovery, achieved \$14.15 million in settlements for the benefit of the class.
- *In re Alphabet Shareholder Derivative Litigation* (Sup. Ct. Cal., Santa Clara Cnty.): Ms. Gilden represented the Northern California Pipe Trades Pension Plan and other institutions in this shareholder derivative lawsuit against the Board of Directors of Alphabet, Inc. The case alleged that the tech giant's Board violated its fiduciary duty by enabling a double standard at Alphabet that allowed powerful executives to sexually harass and discriminate against women without consequence. On November 30, 2020, the court granted final approval of a historic settlement, including a \$310 million commitment to fund diversity, equity, and inclusion initiatives at Alphabet-owned companies, and workplace and corporate governance reforms including limiting non-disclosure agreements and ending mandatory arbitration in sexual harassment, gender discrimination, and retaliation-related disputes. Ill.): Ms. Gilden represented the State Universities Retirement System of Illinois and Mr. Ong and achieved a \$15.5 million settlement in this securities class action against Sears Roebuck, Sears Roebuck Acceptance Corp. and its underwriters. Geoffrey Graber

Geoffrey Graber is a partner in Cohen Milstein's Consumer Protection practice, where he focuses on representing consumers in complex class action litigation involving issues of false advertising, fraud, data privacy theft and other forms of unfair business practices at the hands of social media companies, banks, insurance, health care companies, and other consumer providers. Mr. Graber also has extensive experience representing whistleblowers in qui tam litigation under the False Claims Act and whistleblower programs under the U.S. Securities Exchange (SEC), U.S. Department of Transportation (DOT), and U.S. Department of Defense (DOD).

As the Director of the RMBS Working Group, Mr. Graber oversaw the DOJ's nationwide investigation into the packaging and sale of mortgage-backed securities (MBS) - the catalyst for the 2008 financial crisis - ultimately recovering more than \$36 billion from banks, including the record-breaking \$16.65 billion settlement with Bank of America – the largest settlement with a single entity in U.S. history – as well as settlements with Citigroup (\$7 billion) and JP Morgan (\$13 billion).

Earlier in his tenure at the DOJ, Mr. Graber served as Counsel in the Civil Division, where he led the three-year investigation (2004 – 2007) of Standard & Poor's (S&P) and its ratings of structured finance products. Standard & Poor's). As a result of his successful work on S&P, Mr. Graber earned the Attorney General's Distinguished Service Award in 2015. Mr. Graber also received the Attorney General's Distinguished Service Award in 2014 for his work relating to the \$13 billion settlement with JP Morgan – including, at the time, the largest FIRREA penalty recovered by the DOJ.

Luxottica Retail North America (LensCrafters)* (E.D.N.Y.): Mr. Graber represents purchasers of LensCrafters' Accufit Digital Measurement System (Accufit) services, who allege that LensCrafters used false, misleading advertising and deceptive sales practices about Accufit being "five times more accurate" in measuring pupillary distance than traditional methods, to induce customers into purchasing LensCrafters' higher-priced prescription lens products. The Court granted class certification on December 13, 2021.

Mr. Graber's recent successes include:

- *LLE One, LLC v. Facebook* (N.D. Cal.): Mr. Graber served on the co-lead counsel team representing a class of advertising purchasers who claimed that Facebook breached its implied duty to perform with reasonable care and violated California's Unfair Competition Law by intentionally miscalculating and inflating metrics related to its video advertisement services. Cal.): Cohen Milstein was co-lead counsel in a certified class action involving the 2015 cyberattack and massive data breach of Anthem, Inc., one of the nation's largest for-profit managed health care companies, which resulted in the theft of personal identification and health information of 78.8 million insureds. Four defendants settled pre-trial for a total of \$139 million. After a four-week trial, the jury returned a \$400 million verdict for plaintiffs against the final defendant, The Dow Chemical Co., which the district court trebled to more than \$1 billion. Dow ultimately settled for \$835 million while the case was on appeal, bringing the total recovery to \$974 million – nearly 250% of the damages found by the jury.

In July 2022, the Court granted final approval of a \$35 million settlement.

- In re Pinterest Derivative Litigation (N.D. Cal.): Cohen Milstein, as Interim Lead Counsel, represented the Employees Retirement System of Rhode Island and other Pinterest shareholders in a consolidated shareholder derivative complaint against certain current officers and directors of Pinterest, including its Board Chairman and CEO, for breaches of fiduciary duty and other violations of Section 14(a) of the Exchange Act, relating to their alleged personal engagement in and facilitation of a systematic practice of illegal discrimination of employees on the basis of race and sex. As a result of this illegal misconduct, the company's financial position, goodwill, and reputation among users had been harmed. Following a Delaware General Corporate Law Section 220 books and records demand and an extensive, proprietary investigation, L Brands and the now-standalone company, Victoria's Secret, agreed to stop enforcing non-disclosure agreements that prohibit the discussion of a sexual harassment claim's underlying facts; stop using forced arbitration agreements; implement sweeping reforms to their codes of conduct, policies and procedures related to sexual misconduct and retaliation; and to invest \$45 million each, for a total of \$90 million, in diversity, equity and inclusion initiatives and DEI Advisory Councils.

Steven J. Toll

Steven J. Toll is a partner at Cohen Milstein and co-chair of the Securities Litigation & Investor Protection practice. He guides the firm's mediation efforts and strategy and has been lead or principal counsel on some of the most high-profile stock fraud lawsuits in the past 30 years, arguing important matters before the highest courts in the country.

Mr. Toll has built a distinguished career and reputation as a fierce advocate of the rights of shareholders and has guided mediation efforts on the firm's largest and most important matters (both securities fraud and other consumer type cases), a role in which he has earned the trust of mediators, as well as the respect of defense counsel. Mr. Toll has been involved in settling some of the most important mortgage-backed securities (MBS) class-action lawsuits in the aftermath of the financial crisis, including: Countrywide Financial Corp., which settled for \$500 million in 2013; Residential Accredited Loans Inc. (RALI), which settled for \$335 million in 2014; Harborview MBS, which settled for \$275 million, also in 2014; and Novastar MBS, which settled for \$165 million in 2019. He also negotiated a \$90 million settlement of a suit against MF Global.

Among Mr. Toll's important cases is the Harman class action suit, where Mr. Toll argued and won an important ruling from the U.S. Court of Appeals for the District of Columbia Circuit. The Circuit Court reinstated the suit against electronics maker Harman International Industries; the ruling is significant in that it places limits on the protection allowed by the safe harbor rule for forward-looking statements. A \$28.25 million settlement was achieved in this action in 2017.

Mr. Toll was also co-lead counsel in the BP Securities class action securities fraud lawsuit that arose from the devastating Deepwater oil spill in the Gulf of Mexico. The Fifth Circuit Court of Appeals affirmed the certification of the class of investors alleged to have been injured by BP's misrepresenting the amount of oil spilling into the Gulf of Mexico, and thus minimizing the extent of the cost and financial impact to BP of the clean-up and resulting damages. In February 2017, the court granted final approval to a \$175 million settlement reached between BP and lead plaintiffs for the "post-explosion" class.

Mr. Toll was co-lead counsel in the consumer class action suit against Lumber Liquidators, a lawsuit that alleges the nationwide retailer sold Chinese-made laminate flooring containing hazardous levels of the carcinogen formaldehyde while falsely labeling their products as meeting or exceeding California emissions standards, a story that was profiled twice on 60 Minutes in 2015. In October 2018, the court granted final approval to a settlement of \$36 million between Lumber Liquidators and plaintiffs.

Over the course of his career, Mr. Toll has received numerous industry recognitions for his work. Most recently, in 2019, The National Law Journal and The Trial Lawyer named him one of "America's 50 Most Influential Trial Lawyers." In 2018 and 2019, Mr. Toll was named a Legal 500 "Leading Lawyer – Securities Litigation." In 2018, he was named Law360's "Titan of the Plaintiffs Bar." In 2017, he was named Law360's "MVP – Class Actions," in 2015, he was named Law360's "MVP – Securities," and since 2014, he has been perennially named to the Lawdragon 500, which recognizes the 500 leading lawyers in America. He is also annually recognized as a Super Lawyer in Securities Litigation and Class Action/Mass Torts.

Mr. Toll writes and speaks extensively on securities litigation and investor protection issues. His articles have appeared in Harvard Law School Forum on Corporate Governance and Financial Regulation and Cohen Milstein's Shareholder Advocate.

Mr. Toll has provided a great deal of pro bono legal work during a career at Cohen Milstein that spans more than three decades. In addition, he has been an active supporter of Children's Hospital National Medical Center for decades, setting up an endowment in his daughter's name to help the Hospital's leukemia patients and their families (his daughter passed away from leukemia in 1987), plus more recently establishing regular programs for music and laughter for the children during their hospital stays.

Mr. Toll is a graduate of the Wharton School of the University of Pennsylvania, earning a B.S., cum laude, and received his J.D. from Georgetown University Law Center, where he was Special Project Editor of The Tax Lawyer.

Christine E. Webber

Christine E. Webber, co-chair of Cohen Milstein's Civil Rights & Employment practice, represents victims of discrimination and wage and hour violations in class and collective actions.

Ms. Webber is a tenacious, hands-on litigator, highly-regarded for her ability to organize large, high-profile class and collective actions and work closely with economic and statistical experts on developing sophisticated statistical analyses of class claims.

Ms. Webber has had the honor of representing clients in some of the largest, groundbreaking discrimination and Fair Labor Standards Act (FLSA) class and collective actions in the United States, including *Keepseagle v. Vilsack* (D.D.C.), a historic nationwide race-based discrimination class action brought by Native American ranchers and farmers against the United States Department of Agriculture (USDA). The landmark \$760 million settlement required the USDA to pay \$680 million in damages to thousands of Native Americans, to forgive up to \$80 million in outstanding farm loan debt and to improve the farm loan services the USDA provides to Native Americans. Ms. Webber was lead counsel in *In re Tyson Foods FLSA MDL* (M.D. Ga.), a collective action involving FLSA claims at over 40 Tyson chicken processing plants, which ultimately resolved the claims of 17,000 chicken processing workers who had been denied compensation for donning and doffing required safety and sanitary equipment; and *Hnot v. Willis Group Insurance* (S.D.N.Y.), where she represented a class of women vice presidents in Willis' Northeast region, who complained of discrimination with respect to their salary and bonuses, as well as promotions. This "glass ceiling" case settled for an average payment of \$50,000 per woman, a record-breaking settlement in 2007 for a sex discrimination class action. Ms. Webber continues the fight in *Dukes v. Wal-Mart* – a nationwide pay and promotion sex discrimination class action that went to the U.S. Supreme Court in 2011 and addressed standards for class certification in employment discrimination matters.

Ms. Webber is currently leading several high-profile class and collective actions, including:

- *Bird, et al. v. Barr* (D.D.C.): Ms. Webber is leading a putative class action of women who suffered systemic discrimination on the basis of sex when they were terminated from the Federal Bureau of Investigation's Basic Training program for new agents and intelligence analysts. In April 2022, the Court denied the FBI's motion to dismiss.
- *CFHC, et al. v. CoreLogic Rental Property Solutions* (D. Conn.): Ms. Webber represents the Connecticut Fair Housing Center and Carmen Arroyo in a cutting-edge legal challenge to CoreLogic's algorithmic background check system which allegedly discriminates against African-Americans and Latinos seeking rental housing in violation of the Fair Housing Act. Because of the novel artificial intelligence (AI)-related discrimination claims, the case has been identified as one of Law360's "3 Real Estate Cases to Watch in 2022." A bench trial was initiated in March 2022.
- *Reynolds et al v. Fidelity Investments Institutional Operations Company* (M.D.N.C.): Ms. Webber successfully negotiated a settlement of a nationwide FLSA class action involving thousands of employees at Fidelity Investments Institutional Operations Company, Inc. call centers who were not paid overtime for mandatory pre-shift work. The court granted final approval to the settlement in January 2020.
- *Ralph Talarico v. Public Partnerships, LLC* (E.D. Pa.): Ms. Webber is leading a conditionally certified collective action of more than 4,900 past and present "direct care" workers, who provide home care for individuals with disabilities, for denied overtime wages. The case involves novel joint employer issues. In 2020, the Third Circuit reversed and remanded the district court's order granting PPL summary judgement. In February 2021, the Third Circuit denied PPL's request for a rehearing, thereby upholding its 2020 ruling and reaffirming Plaintiffs' successful appeal.
- *Castillo, et al. v. Western Range Association* (D. Nev.): Ms. Webber is also representing a putative class of shepherds hired primarily from Peru and Chile, who allege that Western Range Association, which brought the plaintiffs into the U.S. to work as herders through the H-2A visa program, grossly underpaid them, in

violation of Nevada law. As of May 2022, we are awaiting district court rulings on class certification and on summary judgment.

- **Dukes v. Walmart** (federal courts nationwide): Ms. Webber is coordinating a series of individual gender-related pay and promotion discrimination claims against Walmart on behalf of approximately 1800 women who filed charges before the EEOC following decertification of the Dukes class. This is the latest step in addressing the merits of this massive discrimination lawsuit, which went up to the Supreme Court in 2011. As of January 2022, nearly all of these lawsuits have been resolved, but many claims remain pending before the EEOC.

For her tireless work, Ms. Webber has been frequently recognized by the legal industry. In 2023, Chambers USA named her a "Top Ranked" lawyer in Labor & Employment: Mainly Plaintiffs - District of Columbia. In 2022, The National Law Journal named her a winner of its "Elite Women of the Plaintiffs Bar" award, which recognizes a small handful of female plaintiffs' attorneys who "have demonstrated repeated success in cutting-edge work on behalf of [clients]" over their careers. The same year, The Best Lawyers in America named Ms. Webber the "Lawyer of the Year – Employment Law – Individuals – Washington, D.C." In 2019, Ms. Webber was the recipient of the "Roderic V.O. Boggs Award" for her "sustained commitment" to the Washington Lawyers' Committee for Civil Rights and Urban Affairs. Annually, she has been recognized by Lawdragon 500 Leading Plaintiff Employment Lawyers (since 2018), The Best Lawyers in America (since 2018), and Super Lawyers (since 2012).

She is co-chair of the National Employment Lawyers' Association's Class Action Committee, the nation's pre-eminent employee-side legal association, a position she has held since 1999. Ms. Webber is also a member of Law360's Employment Editorial Advisory Board (2020 – 2021). She speaks and writes frequently on employment discrimination, wage and hour issues, and class actions.

Prior to joining Cohen Milstein in 1997, Ms. Webber received a Women's Law and Public Policy fellowship which funded the first of her four years at the Washington Lawyers' Committee for Civil Rights and Urban Affairs in their Equal Employment Opportunity Project. There, she worked on employment discrimination cases, focusing in particular on the sexual harassment class action *Neal v. Director, D.C. Department of Corrections, et al.* (D.D.C.). Ms. Webber participated in the trial of this groundbreaking sexual harassment class action in 1995. Ms. Webber also tried the race discrimination case *Cooper v. Paychex* (E.D. Va.), and successfully defended the plaintiffs' verdict before the Fourth Circuit.

Ms. Webber attended Harvard University, graduating magna cum laude, with an A.B. in Government, and earned her J.D., magna cum laude, Order of the Coif, at the University of Michigan Law School. Following law school, she clerked for the Honorable Hubert L. Will, United States District Judge for the Northern District of Illinois.

Since 2022, Chambers USA has named her a "Top Ranked" individual in ERISA Litigation and in 2021, she was named a Law360 Benefits MVP. Ms. Yau combines ardent dedication to protecting her clients' retirement assets with rare insight into complex financial transactions and actuarial issues, informed by her Wall Street and government experience.

Ms. Yau is passionate about righting economic injustice and protecting pension plan participants. She has a unique background having served as an Honors Program Attorney at the Department of Labor where she enforced and administered a variety of labor statutes and working as a financial analyst at Goldman Sachs in the Financial Institutions Group of the Investment Banking Division.

This experience has allowed Ms. Yau to play an instrumental role in important financial litigation, including high-

profile ERISA lawsuits emerging from the Madoff Ponzi scheme:

- In re Beacon Association Litigation (S.D.N.Y.): Ms. Yau represented a multi-plan class of participants, beneficiaries, and fiduciaries, which settled along with other consolidated cases for \$219 million in 2013, representing 70% of the Class members' out-of-pocket losses.
- Becker v. Wells Fargo & Co. et al. (D. Minn.): Ms. Yau led the team in litigation and recently achieved a \$32.5 million settlement prior to class certification and expert discovery. If approved, the settlement will recover 40% of estimated damages.

Ms. Yau is currently involved in a series of high-profile class actions involving 401(k) Plans, Employee Stock Ownership Plans (ESOPs) for the mismanagement of employee retirement savings. Notable matters include:

- Casino Queen ESOP Litigation (S.D. Ill.): To date, Ms. Yau has won two motions to dismiss in this case on behalf of employee participants. She represents ESOP participants who allege that the Board of Directors of CQ Holding Company, Inc. and related defendants violated ERISA when they created an ESOP to buy their Casino Queen stock for \$170 million, a significantly inflated price.
- Western Global Airlines ESOP Litigation (D. Del.): Ms. Yau represents employees in challenging the valuation of Western Global Airlines at approximately \$1.3 billion, based on the sale of 37.5% of the company to the ESOP for \$510 million. The lawsuit seeks to restore substantial losses to the ESOP and to disgorge all ill-gotten gains received by the Neff family.
- New York Life 401(k) Plan Litigation (S.D.N.Y.): Ms. Yau represents employees in a lawsuit against New York Life which alleges corporate self-dealing and the prohibited transfer of employees' retirement assets to defendants at the expense of the retirement savings of New York Life employees and agents.
- Triad Manufacturing Inc. ESOP Litigation (N.D. Ill.): Ms. Yau defeated a motion to compel arbitration in this case and thereafter achieved a precedent-setting decision in the Seventh Circuit upholding the lower court's denial of the motion to compel arbitration. As a result of this decision, Cohen Milstein and co-counsel were recognized in The American Lawyer as "Litigators of the Week."
- Western Milling ESOP Litigation (E.D. Cal.): Cohen Milstein represents participants and beneficiaries of the Western Milling Employee Stock Ownership Plan, who allege that the ESOP's trustees breached their fiduciary duties by engaging in risky investments in violation of ERISA, including purchasing 100% of Kruse-Western, Inc. company stock, which was valued at approximately 90% of the purchase price for several years after the ESOP Transaction.

Ms. Yau played an instrumental leadership role in the following high-profile cases:

- Dignity Health Church Plan Litigation (N.D. Cal.): Cohen Milstein is co-counsel to a class of defined benefit participants, which alleges that Dignity Health is improperly claiming that its pension plans are exempt from ERISA's protections because they are "church plans," and as a result has underfunded its plans by over \$1.2 billion. In June 2017, the Supreme Court reversed previous rulings on consolidated church plan cases and ordered plaintiffs, in this case, to file an amended complaint. On July 15, 2022, the court granted final approval of a \$100 million settlement.
- Presence Health Plan Litigation (N.D. Ill.): Cohen Milstein represented Presence Health Network-sponsored pension plan participants and beneficiaries, who allege that defendants wrongly claimed that the plans under dispute qualified as ERISA-exempt "church plans" and subsequently denied participants the protections of ERISA, including underfunding the plans by over \$175 million. In July 2018, the court granted final approval to a \$50 million settlement.
- Trinity Church Plan Litigation (D. Md.): Cohen Milstein was counsel to a class of defined benefit participants in which allege that the hospital's plan is not a church plan and thus the class is entitled to ERISA's

protections and thereby underfunded the plan by over \$600 million. In May 2017, the granted final approval of a \$75 million settlement.

- Merrill Lynch ERISA Litigation (S.D.N.Y.): Cohen Milstein served as interim co-lead counsel in a class action alleging that fiduciaries of the Merrill Lynch retirement plans imprudently purchased and held inflated Merrill employer stock for the retirement accounts of the companies' employees. The litigation was resolved for \$75 million. Ms. Yau was engaged in all aspects of the litigation.
- Weyerhaeuser Pension Plan Litigation (D. Or.): Cohen Milstein was lead counsel in a lawsuit alleging that the Weyerhaeuser Company caused its Defined Benefit Retirement Plans to engage in a risky investment strategy involving alternative investments and derivatives, causing the Plans' master trust to become underfunded. A settlement was reached for injunctive relief on behalf of Plans' participants and beneficiaries. Ms. Yau was engaged in all aspects of the litigation.

Ms. Yau is a prolific public speaker and is frequently invited to speak on ERISA litigation updates and trends. She is also a senior editor of the ERISA treatise published by Bloomberg BNA, Employee Benefits Law, and a member of the Benefits Editorial Advisory Board for Law360.

Mr. Chaudhuri also helped organize a coalition of 11 public pension funds against Massey Energy's Board of Directors and Chairman, after a coal-mining explosion resulted in the death of 29 workers. That engagement resulted in key corporate governance changes and the Chairman's resignation. Today, the coalition's engagement is cited as a model of collaboration among shareholder rights advocates. In addition, Mr. Chaudhuri worked closely with the Harvard Shareholder Rights Project where the Department helped declassify twenty corporate boards, including Stanley Black & Decker, Hess, Lexmark, Foot Locker, and Jarden Corporation. Mr. Chaudhuri served as Chair of the Council of Institutional Investors, an association of the pension funds with combined assets of more than \$3trillion which serves as the leading voice for effective corporate governance and strong shareholder rights. As Chair, he led the development and adoption of the organization's long-term strategic plan.

The MBS litigations have earned Cohen Milstein's Securities Litigation Practice numerous accolades from the National Law Journal, Law360 and American Lawyer.

Mr. Lometti's successes include the following notable matters:

- *Bear Stearns MBS Litigation*: \$500 million settlement with JPMorgan Chase. - Dynex Litigation: \$7.5 million settlement. Cohen Milstein was lead counsel in a class action lawsuit involving the asset-backed securities. Mr. Lometti was a central member of the team to litigate this seminal lawsuit involving hybrid securities. In the litigation, the U.S. District judge issued one of the first decisions certifying an investor class pursuing fraud claims in connection with the sale of asset-backed securities. The Dynex litigation laid out a road map that could be followed in litigating an asset-backed security.
- Braskem Litigation: \$10 million settlement. Cohen Milstein represented shareholders in a class action suit alleging that the Brazilian petrochemical company lied to investors in its American Depositary Receipts about its role in a bribery scheme involving Petrobras, Brazil's giant oil producer.

Weeks before trial, in February 2016, in one of the largest qui tam settlements in U.S. history, Wyeth agreed to pay \$784.6 million to the U.S. government and the over 35 intervening states.
- United States et al. ex relators v. Southern SNF Management, Inc. and Rehab Services in Motion, LLC: Ms. Markey was lead counsel in this False Claims Act case in which three whistleblowers employed by a chain of skilled nursing facilities located in Florida and Alabama alleged that the chain was engaged in a multi-year scheme of inflating the facilities' Medicare collections by assigning Medicare patients to levels of therapy, (often referred to as "RUG" levels), higher than what was medically reasonable and necessary for that patient. In July 2018 this case settled for \$10 million.
- Ven-A-Care Whistleblower Litigation: Ms. Markey was involved in a series of Ven-A-Care whistleblower cases which pertained to the inflated reimbursement amounts drug companies were causing Medicare and Medicaid to pay for prescription drugs by reporting inflated wholesale prices to the government. - In re Actos Antitrust Litigation (S.D.N.Y.): Cohen Milstein represents End-Payor Plaintiffs in this antitrust action, alleging that Defendant Takeda engaged in anticompetitive conduct related to the listing of certain patents in the FDA's Orange Book thereby resulting in unlawful delays to the market entry of generic versions of Takeda's diabetes drug, Actos.
- PBM State Investigations: Cohen Milstein serves as Special Counsel to state Attorneys General throughout the United States in their investigation into the billing practices and fee structures of managed care organizations (MCOs) and PBMs in their delivery of services to state-funded health plans. - Ohio Highway Patrol Retirement System (HPRS) v. Express Scripts, Inc. Diana L. Martin

Diana L. Martin is of counsel at Cohen Milstein, and a member of the Complex Tort Litigation and Consumer

Protection practices. Her practice focuses on appellate litigation involving complex product liability, consumer class, mass tort, and managed care litigation. She not only handles appeals in these areas of law, but also provides appellate support at the trial stage. In this role, she works as an integral part of the trial team by strategizing best practices, drafting and arguing complex and case dispositive motions, handling jury instruction charge conferences, and assisting trial counsel in preserving and protecting the record in the event of an appeal.

Ms. Martin is often involved in cases that involve complex issues or require the development of innovative strategies for novel or evolving theories of liability. These areas have included developing legal theories to avoid the application of legal immunity to workers' compensation carriers who deny or delay medical care to injured workers, and using Florida's Deceptive and Unfair Trade Practices Act to hold hospitals accountable for drastically overbilling patients on a uniform basis. Her experience spans various practice areas, such as constitutional and civil rights law, commercial litigation, mass tort and class action litigation, managed care litigation, products liability law, and catastrophic personal injury litigation.

Ms. Martin is on the litigation team for the following notable matters:

- United States ex rel. Long v. Janssen Biotech, Inc. (D. Mass.): Cohen Milstein represents the plaintiff-relator in a whistleblower/qui tam lawsuit against Janssen Biotech (a subsidiary of Johnson & Johnson), alleging that the manufacturer of the rheumatoid arthritis drugs Remicade and Simponi ARIA violated federal law by engaging in a scheme through which it provided physicians free practice management and infusion business consulting services over an extended period to induce the physicians to purchase Remicade and Simponi ARIA and administer these drugs to patients, including Medicare beneficiaries, via infusions performed in their offices.
- Underwood v. Meta Platforms, Inc. (Facebook) (State Ct., Cal.): Cohen Milstein has filed a wrongful death lawsuit on behalf of Angela Underwood Jacobs, the sister of slain federal security officer Dave Patrick Underwood, against Meta Platforms, Inc., formerly Facebook. On May 29, 2020, Officer Underwood was providing security at a federal courthouse during a rally to protest the killing of George Floyd. According to documents filed in federal criminal proceedings, Officer Underwood was the victim of a drive-by shooting by Steven Carrillo and his accomplice, Robert Alvin Justus, Jr., who identify as boogaloo adherents, part of an extremist movement that advocates targeted violence against federal officers. Plaintiff alleges that by connecting users to extremist groups, including Officer Underwood's killers who met through Facebook where they hatched their extremist plot to target and kill federal officers, and promoting inflammatory, divisive, and untrue content, the company bears responsibility for the tragic murder of Officer Underwood.
- CSX Litigation (E.D. N.C.): On October 4, 2018, Cohen Milstein filed a putative class action on behalf of faith leaders, businesses, and residents in the southern and western portions of Lumberton, North Carolina who have twice suffered catastrophic flooding and damage due to CSX Corporation and CSX transportation entities ignoring and trying to block government entities from building a floodgate on a train underpass it owns and operates, including preventing the city from building a temporary berm in 2018 to protect its citizens from impending Hurricane Florence.
- Edwards v. Tesla (State Ct., Cal.): On June 25, 2020, Cohen Milstein filed a product liability lawsuit against Tesla, Inc., on behalf of Kristian and Jason Edwards. Ms. Edwards sustained catastrophic injuries as a result of the failure of the airbags to deploy in her Tesla model 3 during an accident.
- Doe v. Chiquita Brands International (S.D. Fla.): Cohen Milstein is representing families of banana workers and others killed or tortured by the Autodefensas Unidas de Colombia, a foreign terrorist organization designated by the United States, which was allegedly receiving financial support and firearms and ammunition from Chiquita, a U.S. corporation with operations throughout Colombia.

Ms. Martin has successfully litigated the following matters:

- Trahan v. Mulholland (Cir. Ct., Alachua Cnty., Fla.): In August 2018, after a week-long trial, a jury awarded

Ms. Trahan, an adult survivor of childhood sexual abuse, \$4.6 million in damages for more than a decade of sexual abuse perpetrated by her father, a prominent Central Florida businessman. The jury also found her mother negligent in failing to use reasonable care to protect her daughter from the abuse. Ms. Martin represented Ms. Trahan as part of the trial team and on appeal, where she successfully defended the \$4.6 million judgment in Florida's First District Court of Appeal.

- *S.B. v. FAMU* (11th Cir. Ct. of Appeals): Cohen Milstein represented a FAMU student who filed an action alleging the university committed Title IX violations in failing to adequately investigate her claims of sexual assault. To protect her identity, Cohen Milstein named the plaintiff under a pseudonym, and the district court repeatedly denied the university's attempts to make her identity public. Ms. Martin successfully defended the district court's orders, protecting the plaintiff's anonymity, when the university appealed the issue to the United States Court of Appeals for the Eleventh Circuit.
- *Herrera, et al. v. JFK Medical Center, et al.* (M.D. Fla.): Cohen Milstein was lead counsel in a class action lawsuit alleging that four Florida plaintiffs and others like them were billed inflated and exorbitant fees for emergency radiology services, in excess of the amount allowed by law, covered in part by their mandatory Florida Personal Injury Protection insurance. When the district court struck plaintiffs' class claims, Ms. Martin successfully petitioned the Eleventh Circuit Court of Appeals to accept immediate appellate review and obtained a reversal of the district court's order. Cohen Milstein resolved the case and secured final approval of a \$220 million injunctive relief settlement.
- *Lindsay X-LITE Guardrail Litigation* (State Cts.: Tenn., S.C.): Cohen Milstein successfully represented more than five families of decedents and victims of catastrophic injuries in a series of individual products liability, wrongful death and catastrophic injury lawsuits in Tennessee and South Carolina state courts against the Lindsay Corporation and several related entities for designing, manufacturing, selling, and installing defective X-Lite guardrails on state roadways.
- *H.C., et al. v Ric Bradshaw, et al.* (S.D. Fla.): Cohen Milstein, in conjunction with the Human Rights Defense Center and the Legal Aid Society of Palm Beach County, successfully represented juvenile offenders against the Palm Beach County Sheriff's Office and the Palm Beach County School Board, challenging the practice of placing juvenile offenders in solitary confinement and for allegedly denying mandated educational services to juvenile offenders held at the Jail, "including services needed to address their disabilities," in violation of the federal Individuals with Disabilities Education Act. Cohen Milstein and its co-counsel resolved the matter in 2018 by obtaining a settlement that was first-of-its-kind in Florida, as it ended the systemic practice of holding juveniles charged as adults in solitary confinement and ensures the provision of educational services to such juveniles.
- *Hand et al., v. Scott et.al* (N.D. Fla.): Cohen Milstein and Fair Elections Legal Network, a national voting rights organization, achieved a major victory in 2018 on behalf of former felons in Florida, who claimed their constitutional rights had been infringed by Florida's Clemency Board. The court ruled that the Clemency Board's process to grant or deny former felons' restoration of voting rights applications was unconstitutionally arbitrary and violated the U.S. Constitution's First and Fourteenth Amendments. While this case was on appeal before the 11th Circuit, Floridians voted to allow such voting rights restoration to felons.
- *In re: Caterpillar, Inc. Engine Products Liability Litigation* (D.N.J.): Cohen Milstein was co-lead counsel in a nationwide product liability class action lawsuit alleging Caterpillar sold diesel engines with defective exhaust emissions system that resulted in power losses and shutdowns. The case was settled in September 2016 for \$60 million.
- *Mincey v. Takata* (Cir. Crt., Duval Cnty., Fla.): Cohen Milstein was lead counsel in a lawsuit brought on behalf of Patricia Mincey and her family, a Florida woman who sustained catastrophic injuries that rendered her a quadriplegic in 2014 when the driver's side airbag in her Honda Civic deployed too aggressively during a collision due to a product defect. Patricia Mincey passed away in early 2016 due to complications from her quadriplegia. The suit charged that Takata, the manufacturer of the airbag system, knew of the airbag defect and hid the problem from consumers. When the defendants removed Ms. Mincey's case to federal court in an attempt to have it bogged down in multi-district litigation, Ms. Martin successfully had the case

remanded to Florida state court, where it was resolved in July 2016.

- Wal-Mart Employment Discrimination Litigation (S.D. Fla.): Cohen Milstein represented individual female Walmart employees in a lawsuit alleging that the company discriminated against them on the basis of their sex. Ms. Martin worked as part of the trial and appellate teams until the parties reached a confidential settlement with the plaintiffs.

**DECLARATION OF LUCAS E. GILMORE ON BEHALF OF
HAGENS BERMAN SOBOL SHAPIRO LLP IN SUPPORT OF APPLICATION FOR AN
AWARD OF ATTORNEYS' FEES AND LITIGATION EXPENSES**

I, LUCAS E. GILMORE, declare as follows, pursuant to 28 U.S.C. §1746:

1. I am a partner of the law firm of Hagens Berman Sobol Shapiro LLP. I am submitting this declaration in support of my firm's application for an award of attorneys' fees and expenses in connection with services rendered in the above-entitled action (the "Action") from inception through March 31, 2024 (the "Time Period").

2. My firm, which served as additional counsel in the Action, was involved throughout the course of the litigation, which is described in the accompanying Joint Declaration of Brian Calandra and Michael H. Rogers in Support of (I) Lead Plaintiffs' Motion for Final Approval of Class Action Settlement and Plan of Allocation; and (II) Co-Lead Counsel's Motion for an Award of Attorneys' Fees and Payment of Litigation Expenses, filed herewith.

3. The information in this declaration regarding my firm's time and expenses is taken from time and expense records prepared and maintained by the firm in the ordinary course of business. These records (and backup documentation where necessary) were reviewed by me and others at my firm, under my direction, to confirm both the accuracy of the entries as well as the necessity for and reasonableness of the time and expenses committed to the Action. As a result of this review, I believe that the time reflected in the firm's lodestar calculation and the expenses for which payment is sought are reasonable in amount and were necessary for the effective and efficient prosecution and resolution of the Action. In addition, I believe that the expenses are all of a type that would normally be paid by a fee-paying client in the private legal marketplace.

4. My firm spent a total of 66.20 hours on this litigation. The lodestar amount for attorney/professional support staff time based on the firm's current hourly rates is \$38,592.50. A summary of the lodestar is provided in Exhibit A and a breakdown of the work associated with the lodestar, by task code, is provided in Exhibit B. The hourly rates shown in Exhibit A are consistent with the hourly rates submitted by the firm in other contingent securities class action litigations. The firm's rates are set based on periodic analysis of rates used by firms performing comparable work both on the plaintiff and defense side. For personnel who are no longer employed by the firm, the "current rate" used for the lodestar calculation is the rate for that person in his or her final year of employment with the firm. Time expended in preparing this application for fees and payment of expenses has not been included.

5. As detailed in Exhibit C, my firm has incurred a total of \$443.00 in expenses in connection with the prosecution of the Action. The expenses are reflected on the books and records of my firm. These books and records are prepared from expense vouchers, check records, and other source materials and are an accurate record of the expenses incurred.

6. The following is additional information regarding certain of these expenses:

(a) Court, Witness & Service Fees: \$100.00. These expenses have been paid to courts in connection with attorney admissions.

(b) Online Legal & Factual Research: \$343.00. These expenses relate to the usage of electronic databases, such as PACER, Westlaw and LexisNexis. These databases were used to obtain access to factual information and legal research.

7. With respect to the standing of my firm, attached hereto as Exhibit D is a brief biography of my firm's investor fraud practice area, as well as biographies of the partners and associates who work within the firm's investor fraud practice group.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 11th day of April, 2024.

PRACTICE AREAS

Investor Fraud – Individual and Class Action Litigation

Investing is a speculative business involving assessment of a variety of risks that can only be properly weighed with full disclosure of accurate information. No investor should suffer undue risk or incur losses due to misrepresentations related to their investment decisions.

Our attorneys work for institutional and individual investors defrauded by unscrupulous corporate insiders and mutual funds. The firm vigorously pursues fraud recovery litigation, forcing corporations and mutual funds to answer to deceived investors.

Hagens Berman is one of the country's leading securities litigation firms advising clients in both individual and class-action cases. The firm has experience, dedication and a team with the horsepower required to drive complex cases to exemplary outcomes. Our attorneys are authorities in an array of issues unique to federal and state securities statutes and related laws. We use a variety of highly experienced experts as an integral part of our prosecution team. A few notable successes on behalf of our investor clients include:

CHINA MEDIAEXPRESS HOLDINGS, INC. SECURITIES LITIGATION

Hagens Berman served as lead counsel in the case alleging on behalf of a class of investors that China MediaExpress Holdings made false and misleading statements, including misrepresentations about its revenues, the number of buses in its network and the nature of its business relationships. The lawsuit resulted in relief for investors valued at \$535 million.

RESULT: \$535 million settlement

CHARLES SCHWAB YIELD PLUS SECURITIES LITIGATION

Lead counsel, alleging fraud in the management of the Schwab YieldPlus mutual fund.

RESULT: \$235 million settlement

AEQUITAS CAPITAL MANAGEMENT SECURITIES LITIGATION

Prosecuted class action against the bankers, lawyers and accountants who assisted Aequis in carrying out a massive Ponzi scheme that defrauded investors of millions of dollars before the firm was shut down in 2016.

RESULT: \$234 million in total settlements, representing the largest settlement of a securities lawsuit in Oregon history.

JPMORGAN – MADOFF PONZI SCHEME LITIGATION

Case alleged that banking and investment giant JPMorgan was complicit in aiding Bernard Madoff's Ponzi scheme.

Investors claim that JPMorgan operated as Bernard L. Madoff Investment Securities LLC's primary banker for more than 20 years.

RESULT: \$218 million settlement amount for the class and a total of \$2.2 billion paid from JPMorgan that will benefit victims of Madoff's Ponzi scheme

MCKESSON

Hagens Berman filed this class action investor-rights derivative action based on the McKesson board's failure to monitor and oversee the company's opioid distribution operations resulting in hundreds of millions of dollars of potential damages from scores of lawsuits filed against McKesson.

RESULT: \$175 million record-breaking derivative settlement and strong corporate governance changes

OPPENHEIMER SECURITIES LITIGATION

Additional counsel for lead plaintiffs in class action alleging Oppenheimer misled investors regarding its Champion and Core Bond Funds.

RESULT: \$100 million settlement

TREMONT

Co-lead counsel in a case alleging Tremont Group Holdings (and its five Madoff feeder funds: Rye Select Broad Market Fund, L.P., Rye Select Broad Market Prime Fund, L.P., Rye Select Broad Market XL Fund, L.P., Rye Select Broad Market XL Portfolio Limited, and Rye Select Broad Market Portfolio Limited) breached its fiduciary duties by turning over \$3.1 billion to Bernard Madoff. On Sept. 14, 2015, after nearly two years of negotiations and mediation, the court granted final approval of the plan of allocation and distribution of the funds which markets estimate could yield investors as much as \$1.45 billion.

RESULT: \$100 million plus negotiated bankruptcy proceed resulting in distributions of over \$1 billion to investors

BOEING

Uncovered critical production problems with the 777 airliner documented internally by Boeing, but swept under the rug until a pending merger with McDonnell Douglas was completed.

RESULT: \$92.5 million record-breaking settlement

ZUORA, INC. SECURITIES LITIGATION

The firm filed a securities fraud class action alleging misrepresentations and concealment of delays in implementing and integrating RevPro, the company's revenue recognition management software application. A \$75.5 million settlement provided significant relief to investors.

RESULT: \$75.5 million settlement

MORRISON KNUDSEN

Filed a shareholder class action alleging that MK's senior officers concealed hundreds of millions in losses.

RESULT: \$63 million settlement

RAYTHEON/WASHINGTON GROUP

Charged Raytheon with deliberately misrepresenting the true financial condition of Raytheon Engineers & Constructors division in order to sell this division to the Washington Group at an artificially inflated price.

RESULT: \$39 million settlement

THERANOS INVESTOR LITIGATION

Hagens Berman represented Theranos investors in a lawsuit that states that Theranos and its officers set in motion a publicity campaign to raise billions of dollars for Theranos and themselves, and to induce investors to invest in Theranos, all the while knowing that its "revolutionary" blood test technology was essentially a hoax. In a case of first impression, the court upheld the investor claims where plaintiffs did not directly purchase their securities from Theranos, Elizabeth Holmes and Sunny Balwani, but through funds whose purpose included investing in Theranos.

RESULT: The firm secured a confidential settlement with Theranos, Holmes and Balwani ending the suit. The settlement also allowed for continued public access to depositions, video and exhibits which were featured prominently in various

podcasts and streaming services, including “Bad Blood the Final Chapter,” Netflix’s “The Inventor: Out for Blood in Silicon Valley” and Hulu’s “The Dropout.”

U.S. WEST

Represented shareholders of U.S. West New Vector in a challenge to the proposed buyout of minority shareholders by U.S. West.

RESULT: Settlement achieved, resulting in a \$63 million increase in the price of the buyout, and the proposed buyout was stayed

Our current casework includes:

SPAC LITIGATION

Hagens Berman represents investors in a number of private securities class action lawsuits arising out of fraud and other misconduct in connection with private companies that went public through special purpose acquisition vehicle (“SPAC”) business combinations.

SPACs are shell entities that raise money and list on an exchange, usually with the goal of merging with a private firm and taking it public. SPACs burst onto the scene in 2020, as a hot alternative to traditional initial public offerings, raising more than \$80 billion raised in 2020 and more than \$160 billion raised in 2021, alone.

The SEC has recently raised serious concerns regarding the information asymmetries, the potential for misleading information and fraud, and conflicts of interest inherent SPAC business combinations. Several high-profile SPAC debacles have resulted in serious allegations of green washing, false projections and other securities fraud, collectively costing investors billions of dollars in investment losses.

The Firm’s attorneys, together with its investigators, accountants and economic consultants, are prosecuting a number of securities class actions brought on behalf of damaged SPAC investors. For example, Hagens Berman serves as the court-appointed counsel in Berkeley Lights, Danimer, Desktop Metal, Hyzon, and Redwire.

COVID-19-RELATED CLASS ACTIONS

As COVID-19 has continued to spread across the United States, Hagens Berman has remained keenly focused on protecting investors from frauds, illicit schemes and other misconduct relating to COVID-19. For example, Hagens Berman investigated, filed a proprietary action and serves as court-appointed lead counsel in one of the first securities class actions arising from a fraudulent scheme for corporate insiders to profit from disseminating false and misleading information concerning a company’s COVID-19 vaccine candidate, *In re Vaxart, Inc. Sec. Litig.*, No. 3:20-cv-05949-VA (N.D. Cal.). The Firm and its co-counsel recently defeated in large part defendants’ motions to dismiss in Vaxart.

CANNABIS SECURITIES FRAUD

The expanding legalization and sale of cannabis in not only the U.S. but globally, spurred a wave of cannabis-related initial public offerings and mergers and acquisitions. But as investors would later learn, the nascent industry was rife with accounting fraud, false projections and egregious insider trading. Hagens Berman currently serves as co-lead counsel in *In re Aurora Cannabis Inc. Securities Litigation*, 2:19-cv-20588-JMV-JBC (D. N.J.). The Firm and its-counsel also recently obtained a \$13 million settlement on behalf of investors in *Ortiz v. Canopy Growth Corp. et al.*, 2:19-cv-20543 (D. N.J.).

U.S.-LISTED FOREIGN COMPANIES

Investing in U.S.-listed foreign companies is a convenient way for U.S. investors to gain exposure to vast and fast-growing foreign economies. But the inability to inspect the audits of certain foreign firms, together with the spectacular collapses of several large issuers, have shined the light on rampant financial fraud at foreign issuers trading on American

exchanges. The firm is currently leading the prosecution in a number of private securities class actions against U.S.-listed foreign companies, including against JOYY, Sasol, SOS and Wirecard.

TECHNOLOGY SECTOR

Claims of lucrative contracts, investments and acquisitions, or of new product lines are common ways in which issuers in the technology space are about to get investors excited about the company so that they will purchase shares. But in recent history, several high-profile technology firms have been accused of attempting to pump their share price through fictitious statements about their products, prospects and economic activity. The firm was appointed lead counsel in an action against a recent IPO cloud application company, *Roberts v. Zuora Inc. et al*, 3:19-cv-03422 (N.D. Cal.), where the firm and its client have defeated defendants' motion to dismiss, certified a class of investors, and are preparing for trial. The firm was also appointed lead counsel against tech real-estate marketplace company Zillow over its failed house-flipping business, *Barua v. Zillow Group, Inc., et al.*, 2:21-cv-01551-TSZ (W. Wash.).

WHISTLEBLOWERS

In an effort to curb Wall Street excesses, Congress passed the Dodd-Frank Wall Street Reform and Consumer Protection Act, which built vigorous whistleblower protections into the legislation known as the "Wall Street Tip-Off Law." The law empowers the U.S. Securities and Exchange Commission to award between 10 and 30 percent of any monetary sanctions recovered in excess of \$1 million to whistleblowers who provide information leading to a successful SEC enforcement. It also provides similar rewards for whistleblowers reporting fraud in the commodities markets.

Hagens Berman represents whistleblowers with claims involving violations of the Securities Exchange Act and the Commodities Exchange Act. Unlike traditional whistleblower firms who have pivoted into this area, Hagens Berman has a strong background and history of success in securities, antitrust and other areas of fraud enforcement, making us an ideal partner for these cases. Our matters before the SEC/CFTC include a range of claims, including market manipulation and fraudulent financial statements.

INTRODUCTION

Steve Berman represents consumers, investors and employees in large, complex litigation held in state and federal courts. Steve's trial experience has earned him significant recognition and led The National Law Journal to name him one of the [100 most powerful lawyers in the nation](#), and to repeatedly name Hagens Berman one of the top 10 plaintiffs' firms in the country. He was named an MVP of the Year by Law360 in class-action litigation and received the 2017, 2021 and 2022 Trailblazer award. Law360 also named him a Titan of the Plaintiffs Bar every eligible year, and his cases have received the American Antitrust Institute's Honoree for Outstanding Antitrust Litigation Achievement in Private Law Practice recognition three times just since 2018. Steve was also recognized for the sixth year as an Elite Trial Lawyer by The National Law Journal, and BestLawyers named him to its 2023 list of Best Lawyers in America in plaintiffs litigation.

Steve co-founded Hagens Berman in 1993 after his prior firm refused to represent several young children who consumed fast food contaminated with E. coli — Steve knew he had to help. In that case, Steve proved that the poisoning was the result of [Jack in the Box's cost cutting](#) measures along with gross negligence. He was further inspired to build a firm that vociferously fought for the rights of those unable to fight for themselves. Berman's innovative approach, tenacious conviction and impeccable track record have earned him an excellent reputation and numerous historic legal victories. He is considered one of the nation's most successful class-action attorneys, and has been praised for securing record-breaking settlements and tangible benefits for class members. Steve is particularly known for his tenacity in forging consumer settlements that return a high percentage of recovery to class members.

Fargo, violated federal antitrust laws by establishing uniform agreements with U.S. banks, preventing ATM operators from setting ATM access fees below the level of the fees charged on Visa's and MasterCard's networks.

- **Toyota Sudden, Unintended Acceleration** — \$1.6 billion, Hagens Berman was co-lead counsel in this massive MDL alleging that Toyota vehicles contained a defect causing sudden, unintended acceleration (SUA). It was the largest automotive settlement in history at the time, valued at up to \$1.6 billion. The firm did not initially seek to lead the litigation, but was sought out by the judge for its wealth of experience in managing very complex class-action MDLs. Hagens Berman and managing partner Steve Berman agreed to take on the role of co-lead counsel for the economic loss class and head the plaintiffs' steering committee.
- **NCAA Grants-in-Aid Scholarships Litigation (aka "Alston case," in the press)** — \$208 million settlement, and permanent injunction upheld by the Supreme Court, led the firm's antitrust class action against the NCAA on behalf of college athletes, claiming that the NCAA had violated the law when it kept the class from being able to receive compensation provided by schools or conferences for athletic services other than cash compensation untethered to education-related expenses. The Supreme Court upheld the favorable opinion of the Ninth Circuit in a 9-0 ruling. Justice Kavanaugh's opinion further underscored the massive win for plaintiffs and the ruling's ongoing effects: "The NCAA couches its arguments for not paying student athletes in innocuous labels. But the labels cannot disguise the reality: The NCAA's business model would be flatly illegal in almost any other industry in America," pushing for further scrutiny of the NCAA's regulations. Steve's antitrust case against the NCAA involving rights of college athletes to receive grant-in-aid scholarships saw a unanimous Supreme Court victory, in what media called a "major ruling" (ABC World News Tonight), that "will change the game" (ABC Good Morning America), and leaves the NCAA "more vulnerable than ever" (AP).

Steve also leads the firm's **NCAA Name, Image and Likeness (NIL) Litigation**, in which current or former NCAA college athletes, using the *Alston* precedent, have filed a class-action lawsuit accusing the NCAA, Pacific-12 Conference, the Big Ten Conference, the Big Twelve Conference, Southeastern Conference and Atlantic Coast Conference of illegally limiting the compensation that Division I college athletes may receive for the use of their names, images and likenesses. Thousands of college athletes have taken advantage of the NIL opportunities opened by the *Alston* case to the tune of multimillion-dollar deals now available to them since the NCAA loosened its restrictions on July 1, 2021. So far the firm has achieved class certification regarding the injunctive and damages portions of the case, achieving representation of more than 184,000 college athletes in what the media has called a "worst-case scenario" for the NCAA.
- **Washington Public Power Supply System (WPPSS)** — \$700 million settlement, Represented bondholders and the bondholder trustee in a class-action lawsuit stemming from the failure of two WPPSS nuclear projects. The case was one of the most complex and lengthy securities fraud cases ever filed. The default was one of the largest municipal bond defaults in history. After years of litigation, plaintiffs were awarded a \$700 million settlement agreement brought against more than 200 defendants.
- **Apple E-Books Antitrust Litigation** — \$616 million settlement, Fought against Apple and five of the nation's top publishers for colluding to raise the price of e-books, resulting in recovery equal to twice consumers' actual damages. The firm recovered an initial settlement of more than \$160 million with defendant publishing companies in conjunction with several states attorneys general. Steve then led the firm to pursue Apple for its involvement in the e-book price hike. Apple took the case to the

The court selected Steve to co-lead the case against Enron and the other defendants.
- **Charles Schwab Securities Litigation** — \$235 million settlement, Led the firm to file the first class-action lawsuit against Charles Schwab on March 18, 2008, alleging that Schwab deceived investors about the underlying risk in its Schwab YieldPlus Funds Investor Shares and Schwab YieldPlus Funds Select Shares.
- **JP Morgan Madoff Lawsuit** — \$218 million settlement, Represented Bernard L. Madoff investors in a suit filed against JPMorgan Chase Bank, one of the largest banks in the world.
- **NCAA Grants-in-Aid Scholarships Lawsuit** — \$208 million settlement, and permanent injunction upheld by the Supreme Court, Led the firm's tenacious antitrust class action against the NCAA on behalf of college athletes, claiming that the NCAA had violated the law when it kept the class from being able to receive compensation provided by schools or conferences for athletic services other than cash compensation untethered to education-related expenses. - **Boeing Securities Litigation** — \$92.5 million settlement, Represented a class of tens of thousands of shareholders against Boeing, culminating in a proposed settlement that was the second-largest awarded in the Northwest.
- **NCAA Concussions** — \$75 million settlement, and 50-year medical monitoring fund, Led the firm's pioneering NCAA concussions suit that culminated in a proposed settlement that will provide a 50-year medical-monitoring program for student-athletes to screen for and track head injuries; make sweeping changes to the NCAA's approach to concussion treatment and prevention; and establish a \$5 million fund for concussion research, preliminarily approved by the court.

RECENT CASES

- **Antitrust Litigation**

Corporate fraud has many faces, and Steve has taken on some of the largest perpetrators through antitrust law. Steve has helped lead the firm's efforts taking on price-fixing in the agricultural industry, holding food conglomerates accountable for fixing the prices of [beef](#), [pork](#), [chicken](#) and [turkey](#). Across those matters, the firm has so far achieved multiple icebreaker settlements and looks forward to returning additional funds to millions of consumers who unknowingly overpaid for basic kitchen staples. In its [wage-fixing antitrust against poultry processors](#), Steve has helped the firm to secure a combined total of \$180.1 million in settlements, bringing relief to non-supervisory production and maintenance employees at chicken processing plants. In that case, the Department of Justice has taken note, announcing a restitution clause that orders these companies to provide payment – either through an approved settlement in the class-action litigation brought by Hagens Berman or, only in the alternative, directly to the DOJ. The firm has brought [similar claims against major red meat processing companies](#).

In 2014 Steve was quoted in Vanity Fair in an article about his e-books case vs. Apple and the big five publishing companies, which had just gone to the Supreme Court where he won against Apple in a combined \$616 million settlement with all defendants. Steve said then, as he looked from his Seattle office to Amazon's HQ, "I'd love to sue Amazon. It's the only big company I haven't sued." Steve stuck to his word, and now his firm has several active cases against Amazon, most of which are antitrust cases alleging billions of dollars in price-fixing damages. The cases range from price-fixing affecting the [cost of iPhones, iPads and e-books](#) to wider claims involving Amazon's [third-party Marketplace, multi-seller listings](#) and [more](#). Amazon itself has stated the current Amazon price-fixing cases are the largest in U.S. history.

In another antitrust win in a technology-focused issue, Steve led the firm to two back-to-back settlements against Apple and Google involving anticompetitive policies and practices in the Apple App Store and Google Play Store. In those lawsuits, the firm accused the tech giants of monopolizing against U.S. developers of iOS and Android apps, cheating them out of profits through antitrust violations. In both [Apple's \\$100 million settlement](#) and [Google's \\$90 million settlement](#), the companies were forced to make sweeping changes to their practices, allowing small app developers in the U.S. to finally receive their just rewards for their work. Plaintiffs in those cases went on to receive settlement checks for upwards of tens of thousands of dollars, some higher.

- [Emissions Litigation](#)

After filing the first legal action in the notorious [Volkswagen Dieselgate](#) litigation, Steve took a leadership role in combatting VW's deceit. This led him to pioneer legal action against many other automakers for violations of emissions regulations. Hagens Berman is the only firm that has purchased an emission testing machine to determine if other diesel car manufacturers install similar cheating devices. Hagens Berman's independent research has led to monumental settlements and induced governmental agencies to launch investigations and levy fines.

Steve's emissions litigation successes include: a \$700 million settlement regarding [Mercedes BlueTEC](#) vehicles, a settlement valued at \$307 million pertaining to [Fiat Chrysler \(FCA\) EcoDiesel](#) vehicles, an \$80 million settlement against [Porsche](#) in a continuation of groundbreaking work in the Volkswagen emissions litigation which culminated in a \$14.7 billion settlement, the largest ever brought against any automaker. Hagens Berman also championed the rights of [Volkswagen franchise dealers](#) who were blindsided by VW's actions and suffered losses. That case recovered \$1.67 billion for the class.

Currently, Steve pursues ongoing emissions litigation against [BMW](#), as well as multiple cases against General Motors regarding the [Chevy Cruze, Chevy Silverado](#) and [GMC Sierra](#), and multiple cases against FCA's Dodge RAM 2500/3500 trucks (2007-2012 and 2019-2021). He also maintains an advisory role in emissions litigation filed in Australia against Mercedes's parent company, [Daimler](#), and is one of the solicitors pursuing emissions litigation against Mercedes in the UK. Steve also serves on the supervisory board of the Emission Claim Schticking pursuing litigation regarding emissions cheating in the Netherlands against Mercedes, Stellantis and Renault.

- [Opioids - Orange County and Santa Clara County, Seattle, and the States of Ohio, Mississippi and Arkansas](#)

Steve has been retained by various municipalities, including the states of Ohio, Mississippi and Arkansas, Orange County, as well as the city of Seattle to serve as trial counsel in a recently filed state suit against five manufacturers of opioids seeking to recover public costs resulting from the opioid manufacturer's deceptive marketing.

- [Consumer Protection](#)

Steve is a leader in protecting millions of consumers in large-scale cases that challenge unfair, deceptive and fraudulent practices, and the firm's automotive litigation practice area bolsters that mission. The firm is currently pursuing multiple automotive defect cases against Hyundai and Kia in which millions of vehicles are affected and prone to spontaneous fires. Those class actions accuse the automakers of knowingly selling vehicles with a series of defects affecting engines and the hydraulic and electronic control unit. The firm has settled two of these cases resulting in over ten million cars eligible for repair and consumers entitled to additional benefits. Judge Josephine Staton called the [most recent settlement](#) comprehensive and able to protect against future harms, noting that the deal is substantially similar to the settlement Hagens Berman finalized in May 2021 in *In re Hyundai and Kia Engine Litigation*, which was valued at \$1.3 billion.

In another active defect case against Hyundai and Kia, the firm represents consumers who own certain model vehicles manufactured and sold by the automakers without an immobilizer, [leaving them vulnerable to theft](#), and often leaving owners with repair bills in excess of \$10,000. The firm in 2023 secured a settlement valued at more than \$200 million to bring swift remedy to those facing this issue affecting more than 8 million vehicles.

Hundreds of thousands of consumers are also affected by the firm's multiple cases pertaining to defective CP4 fuel pumps manufactured by Bosch. The affected vehicles' fuel pumps wear down quickly due to the lack of lubrication in U.S. diesel fuel. Having only been manufactured to handle other grades of diesel, the CP4 pumps erode, causing metal shavings to leak into the fuel system, leading to sudden engine failure. The defect manifests as early as mile one, and because no fix for the defect exists, owners of affected vehicles are left paying high prices for costly replacement CP4 pumps and engine failures, only to repeat the problem. Hagens Berman is currently pursuing litigation against the Big Three automakers, [Ford, GM and Stellantis/Fiat Chrysler](#), as well as a more recently filed [CP4 defect case against Nissan](#).

RECENT SUCCESS

- [Volkswagen Franchise Dealerships](#) — \$1.6 billion settlement
Lead counsel for VW franchise dealers' suit, in which a settlement of \$1.6 billion has received final approval, and represents a substantial recovery for the class.
- [Stericycle Sterisafe Contract Litigation](#) — \$295 million settlement
Hagens Berman's team, led by Steve Berman, filed a class-action lawsuit against Stericycle, a massive medical waste disposal company and achieved a sizable settlement for hundreds of thousands of its small business customers.
- [NCAA Grant in Aid Scholarships](#) — \$208 million settlement
Served as co-lead counsel in the Alston case that successfully challenged the NCAA's limitations on the benefits college athletes can receive as part of a scholarship, culminating in a \$208 million settlement and injunction upheld by the Supreme Court. The recovery amounts to 100 percent of single damages in an exceptional result in an antitrust case. Steve also co-led the 2018 trial on the injunctive aspect of the case which resulted in a change of NCAA rules limiting the financial treatment of athletes. The injunction, which was upheld in a unanimous Supreme Court decision in June 2021, prohibits the NCAA from enforcing any rules that fix or limit compensation provided to college athletes by schools or conferences in consideration for their athletic services other than cash compensation untethered to education-related expenses. According to the Ninth Circuit, the NCAA is "permanently restrained and enjoined from agreeing to fix or limit compensation or

benefits related to education” that conferences may make available. In the Supreme Court’s 9-0, Justice Kavanaugh stated, “The NCAA is not above the law.”

- [Hyundai/Kia Engine Fire Defect](#) — Settlements yet to be totaled, with one estimated relief valued at up to \$1.3 billion

In 2023, the court preliminarily approved a settlement that will benefit more than 2.1 million Hyundai and Kia owners suffering from a serious defect that can cause spontaneous fires and engine failure. The defect affected multiple engines, and spurred two settling cases. In May 2021, Hagens Berman achieved a settlement offering relief valued at up to \$1.3 billion for the owners of Hyundai and Kia vehicles equipped with Theta II GDI engines, and this newest settlement brings relief to owners of vehicles with Gamma GDI and Nu GDI engines as well as Theta II MPI engines.

- [Hyundai/Kia Theft Defect](#) — \$200 million settlement

The firm achieved swift relief in this class action stemming from Hyundai and Kia’s failure to equip nearly nine million 2011-2022 models with an immobilizer, a common antitheft device in modern cars which prevents most vehicles from being started unless a code is transmitted from the vehicle’s smart key. The lack of immobilizer in affected vehicles spawned viral “Kia Challenge” TikTok videos demonstrating simple measures “Kia Boys” take to steal affected Hyundai and Kia vehicles using only a common USB charging cord or similar metal object to start the engine, allowing thieves to steal them in less than 90 seconds.

Civil Action No. TDC-21-2910

**DECLARATION OF MICHAEL I. FISTEL, JR. ON BEHALF OF
JOHNSON FISTEL, LLP IN SUPPORT OF APPLICATION FOR AN AWARD OF
ATTORNEYS' FEES AND LITIGATION EXPENSES**

I, MICHAEL I. FISTEL, JR., declare as follows, pursuant to 28 U.S.C. §1746:

1. I am a partner of the law firm of Johnson Fistel, LLP. I am submitting this declaration in support of my firm's application for an award of attorneys' fees and expenses in connection with services rendered in the above-entitled action (the "Action") from inception through March 31, 2024 (the "Time Period").

2. My firm served as additional plaintiffs' counsel in the Action.

3. The information in this declaration regarding my firm's time and expenses is taken from time and expense records prepared and maintained by the firm in the ordinary course of business. These records (and backup documentation where necessary) were reviewed by me and others at my firm, under my direction, to confirm both the accuracy of the entries as well as the necessity for and reasonableness of the time and expenses committed to the Action. As a result of

this review and the adjustments made, I believe that the time reflected in the firm's lodestar calculation and the expenses for which payment is sought are reasonable in amount and were necessary for the effective and efficient prosecution and resolution of the Action. In addition, I believe that the expenses are all of a type that would normally be paid by a fee-paying client in the private legal marketplace.

4. After the adjustments referred to above, the number of hours spent on the litigation by my firm is 80.80. The lodestar amount for attorney/professional support staff time based on the firm's current hourly rates is \$72,010.00. A summary of the lodestar is provided in Exhibit A and a breakdown of the work associated with the lodestar, by task code, is provided in Exhibit B. The hourly rates shown in Exhibit A are consistent with the hourly rates submitted by the firm in other contingent securities class action litigations. The firm's rates are set based on periodic analysis of rates used by firms performing comparable work both on the plaintiff and defense side. For personnel who are no longer employed by the firm, the "current rate" used for the lodestar calculation is the rate for that person in his or her final year of employment with the firm. Time expended in preparing this application for fees and payment of expenses has not been included.

5. As detailed in Exhibit C, my firm has incurred a total of \$262.00 in expenses in connection with the prosecution of the Action. The expenses are reflected in the books and records of my firm. These books and records are prepared from expense vouchers, check records, and other source materials and are an accurate record of the expenses incurred.

6. The following is additional information regarding certain of these expenses:

(a) Court Fees: \$100.00. These expenses have been paid in connection with my admission *pro hac vice* in the Action.

(b) Online Legal & Factual Research: \$162.00. This expense relates to the usage of Westlaw, which was used to obtain access to financial data, factual information, and legal research.

7. With respect to the standing of my firm, attached hereto as Exhibit D is a brief biography of my firm as well as biographies of the firm's attorneys.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 9th day of April, 2024.

A handwritten signature in blue ink, appearing to read "M. I. Fistel, Jr.", is positioned above a horizontal line.

INTRODUCTION

Johnson Fistel is a law firm built on the following five core values: Professionalism, Respect, Integrity, Determination, and Excellence in everything we do. These core values are more than words on a piece of paper; every attorney and staff member at Johnson Fistel embraces them and has PRIDE in everything they do. All of the firm's members affirmatively agree to these core values on an annual basis and have a plaque in their workspace describing what they mean to them, as stated below.

Professionalism

At Johnson Fistel, we believe professionalism—through trust, transparency, and reliability—is critical to developing long-lasting and successful relationships. Not only must our clients trust us to provide excellent legal services in a professional manner, but we must also trust each other to always do the right thing and to zealously advance our clients' interests. Moreover, we share a collective mission to act professional and build trust with judges, juries, and our adversaries so that our professional reputation remains synonymous with our core values.

Respect

We strive to demonstrate high regard for our clients, one another, partners within the legal community, and our ethical obligations as advocates. We value the ideas and beliefs of each of our team members. This principle includes valuing differing opinions and allowing others to express themselves to work together toward common goals.

Integrity

There's never a wrong time to do the right thing. At Johnson Fistel, we consistently do the right thing, in the right way, for the right reasons. We take pride in our reputation for having integrity when zealously advocating for our clients. By always acting with integrity, we build trust and confidence with our clients, colleagues, and juries, and respect with judges and adversaries.

Determination

Determination is key to our success. At Johnson Fistel, we do not give up when faced with well-financed opponents or difficult arguments; instead, we rise to the challenge and meet it head on by relentlessly pursuing innovative and persuasive solutions to advance the best interests of our clients. It is our determination—our will to succeed and never give up—that separates us from most lawyers. To succeed, we know that we must exercise the strength of mind and the willingness to exceed client and industry expectations and provide exceptional advocacy, every time.

Simply put, we hold ourselves to a higher standard. Average is easy. Excellence is hard. Perfection is always the goal. Whether it's writing persuasive legal arguments, maintaining a strong and prompt communication line with our clients, or vigorously advocating in a courtroom on their behalf, we wholly reject mediocrity and strive for a competitive edge by delivering excellence in everything we do.

We believe we are only as good as our people, and Johnson Fistel recruits only the best and brightest and most determined candidates possible. Our lawyers include those who started their training by working for esteemed judges in both state and federal courts and have also worked at the largest law firms in the world. We pride ourselves on providing the same level of service with a greater level of efficiency. As a result, we have developed the reputation for delivering big-firm results with the efficiency and personal touch one would expect at a small law firm.

OUR ATTORNEYS

PARTNERS

FRANK J. JOHNSON

Mr. Johnson is one of the founding partners of Johnson Fistel and has nearly thirty years of experience as a trial attorney focusing on complex civil litigation. Prior to starting his own law firm in 2004, Mr. Johnson was a partner in the law firm Sheppard, Mullin, Richter & Hampton, LLP, a full-service Global 100 law firm with over 1,000 attorneys in 15 offices located around the world.

While at Sheppard Mullin, Mr. Johnson represented some of the largest companies in the country in complex business disputes conducting trials in state and federal court. He brings this "Big Law" experience to his current practice where he can offer the efficiency and personal touch of a smaller law firm. With the trust and confidence of his colleagues and clients over the past 19 years, the law firm that Mr. Johnson started with just one lawyer has now grown to a full-service law firm with 17 lawyers and offices in California, Georgia, New York, and Colorado.

Mr. Johnson is also the Founder and Chief Executive Officer of Esq. Wealth Management, Inc., a wealth management firm that, in conjunction with its affiliated professionals and alliances, is made up of experienced lawyers and financial professionals with advanced degrees, certifications, and first-hand life-experience in taxation, asset protection, and high-net-worth wealth management. For more information, please visit <https://www.esqwealth.com/>.

Representative Matters: Mr. Johnson's experience representing publicly traded companies at Sheppard Mullin has carried over to his current practice. Mr. Johnson

has been and continues to be retained by private and publicly-traded companies. For example, the court appointed U.S. Chapter 7 Trustee overseeing the bankruptcy of Powerwave Technologies, Inc. retained Mr. Johnson as lead counsel to pursue claims for breach of fiduciary duty against the company's wayward officers and directors. Mr. Johnson helped the Trustee recover \$5.5 million for the estate. *In re Powerwave Technologies, Inc.*, (Bankr. D. Del.). Mr. Johnson obtained a similar result in *In re Artes Medical, Inc.*, (Bankr. S.D. Cal.) when the U.S. Chapter 7 Trustee of Artes Medical, Inc. retained Mr. Johnson as lead counsel. Mr. Johnson helped the estate recover a multi-million-dollar settlement. *See also International Real Estate PLC v. Oaktree Capital Management, LLC*, (Cal. Super. Ct. Los Angeles Cnty.) (a public company with shares listed on the London Stock Exchange retained Mr. Johnson as lead counsel to pursue claims for breach of fiduciary duty against former directors of a joint venture company for damages in excess approximately \$20 million; the case ultimately settled on favorable terms to International Real Estate).

Mr. Johnson has also continued to represent individual clients and small companies through jury verdicts in complex civil litigation. By way of example, in *Healthy Life Marketing, LLC, et al. v. Jaime Brenkus' Sound Body, Inc.* (Cal. Super. Ct. San Diego Cnty.), Mr. Johnson helped his client recover a seven-figure verdict following a week-long jury trial. Similarly, in *DCI Solutions v. Urban Outfitters* (S.D. Cal.), Mr. Johnson served as lead trial counsel for a small local consulting firm in a case against one of the nation's largest clothing retailers in a matter that would have forced the company into bankruptcy if it lost. Following a week-long trial in federal court, the jury returned a verdict rejecting the retailer's \$1.5 million damage claim in its entirety.

In addition to his complex civil litigation practice, Mr. Johnson has served as lead or co-lead counsel in scores of representative matters (class actions and derivative actions) throughout the country, including: *In re Motorola, Inc. Derivative Litigation*, (Ill. Cir. Ct. Cook Cnty.) (derivative action settled after six years of litigation on terms that required the implementation of comprehensive corporate therapeutic changes valued by one expert at over \$1 billion); *In re the Titan Corp. Derivative Litigation*, (Cal. Super. Ct. San Diego Cnty.) (derivative action resulting in \$29 million in increased consideration to Titan's shareholders in the all-cash merger acquisition); *Bagot v. Bracken, et al.*, (Tenn. Cir. Ct., 6th Cir.) (derivative action resulting in a payment of \$19 million to the company, believed to be among the largest recoveries in a derivative case in the State of Tennessee, and implementation of significant corporate therapeutics); *Englehart v. Brown, et al.* (Wash. Super. Ct. King Cnty.) (shareholder class action resulting in what is believed to be the largest recovery ever obtained in a class action challenging the price of a merger or acquisition of a public company in a Washington court, \$12.75 million additional consideration for class members); and *Baker v. Visa International Corp.*, (Cal. Super. Ct. San Diego Cnty.) (consumer class action against Visa for wrongfully assessing undisclosed fees by manipulating the currency conversion rates when consumers used their Visa Card for purchases in other countries and ultimately

Johnson Fistel helped prevent an inadequate settlement of a related federal action from being approved, which would have released the officers, directors, and agents of the company responsible for the criminal backdating scheme which would have resulted in no money to the company and only a payment of attorney's fees for the lawyers in that case. Corporate Takeover Litigation

The settling defendants agreed to have \$84 million paid to former Bioverativ shareholders in exchange for dismissal of claims that those defendants failed to maximize the value of Bioverativ in the sale. The court approved the partial settlement on September 13, 2023. The court also previously upheld, at the pleading stage, claims that Bioverativ director Alexander Denner and his hedge fund, Sarissa Capital, engaged in insider trading in violation of Delaware law by trading on material non-public information about Sanofi's desire to buy the company. Fresh Market's former President and CEO, and former Chief Legal Officer and Senior Vice President, were accused of fiduciary duty breaches and were also parties to the settlement. Johnson Fistel litigated alongside fellow class attorneys in opposition to the defendants' multiple attempts to dismiss the suit. Efforts by class counsel helped secure an appeal to and reversal by the Delaware Supreme Court in 2018 of the lower court's granting of the first motion to dismiss in which the high court agreed with the plaintiffs that the defendant had disclosure deficiencies in its Schedule 14D-9 and was effectively misleading as a result, only to face yet another motion to dismiss by the defendants on remand. Class attorneys fought for and subsequently analyzed some

286,000 documents in total, amounting to roughly 1.5 million pages, before arriving at the \$27.5 million settlement through mediation.

Johnson Fistel was appointed Co-Lead Counsel in a derivative lawsuit that involved claims against the officers and directors of Titan Corporation for breach of fiduciary duty. During the pendency of the litigation, Titan announced that it would be acquired, in a deal that would have undervalued the Company's worth, harming its stockholders being cashed out by the deal. To prevent this from happening, Johnson Fistel quickly coordinated with counsel in a related derivative action pending in Delaware Chancery Court to negotiate a settlement that resulted in \$29 million in increased consideration to Titan's shareholders in connection with the all-cash merger acquisition. See Noteworthy Success Stories.
- *Azar v. Blount International, Inc., et al.*, No. 3:16-CV-00483-SI (D. Or.). The plaintiffs allege, among other things, that the proxy statement Blount disseminated in connection with the deal failed to disclose a set of financial projections that best reflected Blount's long-term prospects and, instead, disclosed only later, artificially reduced projections. The plaintiffs allege that misleading proxy statement tainted the stockholder approval of the merger, and they are seeking an unspecified amount of monetary damages. This matter recently settled resulting in millions of dollars in additional consideration for Blount's shareholders and is pending final approval.

Securities Class Actions

- *Mollik v. Adomani, Inc., et al.*, No. RIC-1817493 (Cal. Super. Ct. Riverside Cnty.). The co-founder and former Chief Technology Officer of a publicly traded company retained Johnson Fistel on an hourly basis to defend him in a class action alleging violations of §§12(a)(2) and 15 of the Securities Act filed against Adomani, Inc., certain of its current and former executives, and two firms that underwrote Adomani's initial

public offering. Johnson Fistel aggressively fought the allegations in the complaint and ultimately negotiated for and achieved a full dismissal of all claims and financial liabilities against the firm's client. Additionally, on July 1, 2021, the Court entered an order forever barring the remaining defendants from pursuing any claims for contribution or indemnity against the firm's client, pursuant to an agreement Johnson Fistel negotiated with co-defendants in order to maximize protections for the firm's client.

- *Desrocher v. Covisint Corporation, et al.*, Case No. 1:14-CV-03878-AKH (S.D.N.Y.). In a case alleging violations of §§11 and 15 of the Securities Act of 1933, the Court appointed Johnson Fistel Co-Lead Counsel and certified the firm as Co-Lead Class Counsel. The class action complaint alleged that there were misrepresentations or omissions in documents filed with the SEC in connection with the company's IPO. Under the settlement, defendants agreed to create an \$8 million common fund to compensate Covisint stockholders who were harmed by the alleged misrepresentations or omissions, which amount represented a substantial percentage of the maximum potential recovery. The Court approved the settlement in its entirety on December 13, 2016. See Noteworthy Success Stories.
- *Gerneth v. Chiasma, Inc., et al.*, No. 1:16-cv-11082-DJC (D. Mass.). Johnson Fistel served as Co-Lead Counsel and represented the Lead Plaintiff in a securities class action alleging violations of §§11 and 15 of the Securities Act of 1933. The complaint alleged that defendants made false and misleading statements in connection with the company's IPO regarding the company's business and the prospects for approval of a pharmaceutical drug. A class-wide settlement in the amount of \$18.75 million was approved on June 27, 2019. See Noteworthy Success Stories.

In a securities class action case alleging violations of §§10(b) and 20(a) of the Securities Exchange Act of 1934, Johnson Fistel's client was appointed Lead Plaintiff and the firm was appointed Co-Lead Counsel under the Private Securities Litigation Reform Act of 1995. The complaint filed in the action alleges that defendants made false and misleading statements in connection with the Company's labor strategy. As a result of these false and misleading statements, Flowers Foods stock traded at artificially inflated prices during the Class Period. The \$21 million class settlement became final on January 10, 2020. See Noteworthy Success Stories

- *Glock v. FTS International, Inc., et al.*, Civil Action No. 4:20-cv-03928 (S.D. Tex.). Johnson Fistel served as Co-Lead Counsel in a securities class action alleging violations of §§11 and 15 of the Securities Act of 1933. The complaint alleged that defendants failed to disclose in the Company's offering documents that market dynamics impacting FTSI had significantly deteriorated, that the Company's dedicated contracts could be prematurely terminated by FTSI's customers, and that the growth in revenues in the lead up to the IPO attributable to Chesapeake Energy, one of the Company's largest customers, would not be maintained. Eventually, FTSI would file for bankruptcy protection, devastating shareholder value and the Company's investors. A class-wide settlement in the amount of \$9.875 million was reached while the Company was seeking protection from creditors in bankruptcy court. The settlement was approved on April 13, 2021. See Noteworthy Success Stories.
- *Benson v. D-Market Elektronik Hizmetler ve Ticaret Anonim Sirketi et al.*, Index No. 655701/2021 (N.Y. Sup. Ct. New York Cnty.). Johnson Fistel served as Co-Lead Counsel in a securities class action alleging violations of §§11 and 15 of the Securities Act of 1933. The complaint alleges that Defendants violated the Securities Act of 1933 by making materially false and misleading statements, as well as failing to disclose material information that was required to be disclosed, in the Company's Registration Statement for its IPO. Specifically, Plaintiffs alleged that Defendants failed to disclose material information regarding (i) Hepsiburada's substantial slowdown in growth in 2Q21, i.e., before the IPO; (ii) the negative impact to Hepsiburada's business and operations as of the IPO caused by Turkey's easing of COVID-19 lockdown restrictions, particularly the weekday reopening of marketplaces and shopping malls in May 2021; and (iii) Hepsiburada's need to make significant investments and customer discounts prior to the IPO to offset these negative developments. As a result, the complaint alleged that Plaintiff and the Class suffered damages in connection with their purchases of publicly traded Hepsiburada American Depositary Shares ("ADSs" or "shares") sold in the IPO. The case was resolved on a class-wide basis for \$13.9 million, which was approved on August 1, 2023.
- *In re EverQuote, Inc. Securities Litigation*, Index No. 651177/2019 (N.Y. Sup. Ct., New York Cnty.). EverQuote is an online marketplace where consumers looking for insurance submit information to EverQuote's website. The operative Complaint filed in the case alleged strict liability and negligence claims against for misstatements and omissions in the

Company's Registration Statement regarding quote requests. Specifically, the Complaint alleged that EverQuote was purposefully moderating quote requests, the Company's sole product, as of the IPO because increased quote requests had been causing pricing compression, and that the Registration Statement not only failed to disclose these material facts, but it was replete with statements attesting to the importance to EverQuote's finances of growing quote requests. Johnson Fistel, along with Co-Lead Counsel, was able to negotiate a \$4.75 million settlement, representing a significant portion of estimated damages, on behalf of investors who purchased shares in the EverQuote IPO. The settlement was approved on June 11, 2020. See Noteworthy Success Stories.

- *Mohanty v. Avid Technology, Inc., et al.*, No. 1:16-cv-12336-IT (D. Mass.). The case, which spanned five years of hard-fought litigation, was resolved in 2019 in a deal that saw Vereit pay \$738.5 million into a common fund for the investor class, while other defendants, including AR Capital and former ARCP CEO Nicholas Schorsch, would be responsible for \$225 million. Former manager Grant Thornton would pay \$49 million, and former CFO Brian Block would pay \$12.5 million, for a total recovery to the investor class of \$1.025 billion. The settlement was approved by the court on January 4, 2020.

- *In re Valeant Pharms. Int'l, Inc. Sec. Litig.*, No. 3:15-cv-07658-MAS-LHG (D.N.J.). Johnson Fistel filed the initial case and thereafter worked with court-appointed lead counsel in this securities fraud class action arising from Valeant's alleged concealment of, among other things, Valeant's unsustainable and deceptive price gouging practices wherein Valeant acquired pre-existing drugs, some of them life-saving medicines, and then dramatically raised prices to boost short-term profitability. After more than five years of litigation, the case was resolved for \$1.21 billion. The court approved the settlement on January 31, 2021

Consumer Class Actions

- *Novotny v. Massage Heights Franchising, LLC*, Case No. 27-2020-00017688 (Cal. Super. Ct. San Diego Cnty.). On June 16, 2022, the San Diego Superior Court granted final approval of a consumer class action settlement resolving allegations that Massage Heights' membership agreements with thousands of its California members caused them to forfeit prepaid massage services upon membership termination in violation of California law. Johnson Fistel, court-appointed class counsel, negotiated the settlement following years of investigation and hard-fought litigation with the goal of obtaining a real and direct economic benefit for the class and providing them the opportunity to reinstate their lost massage credits. The settlement provided class members the right to approximately 75% reinstatement, carrying a potential value in the several millions, and with no condition that a new membership be purchased or money otherwise be spent out-of-pocket. Johnson Fistel's creative and persistent advocacy on behalf of the class throughout the case ultimately led to the court's final approval and confirmation that the settlement fairly, reasonably, and adequately resolved the claims of the class in a manner that serves their best interests. This recent settlement follows a long line of cases in which Johnson Fistel has been a leader in consumer advocacy, and after the firm previously succeeded in similar claims against well-known, national massage chain franchisor, Massage Envy.
- *Eagle Canyon Owners' Association v. USA Waste of California, Inc.*, Case No. 37-2018-00005897 (Cal. Super. Ct. San Diego Cnty.). Eagle Canyon Owners' Association retained Johnson Fistel to pursue a class action against USA Waste for allegedly overbilling its California open market commercial and industrial customers in breach of its service agreements. Following years of investigation, discovery, and hard-fought litigation in both federal court and state court, Johnson Fistel negotiated a \$7.85 million settlement, representing approximately 50% – 90% of the total, potential class-wide damages, according to Eagle Canyon's expert. The firm also insisted upon an all-cash, non-

reversionary, and non-claims made settlement so that individual cash payments would be automatically being mailed to eligible class members without them needing to submit a claim form.

- *Baker v. Visa International Corp.*, Case No. 06cv0376 (Cal. Super. Ct. San Diego Cnty.). Johnson Fistel was appointed Co-Lead Counsel for this nationwide consumer class action that was filed in 2006 against Visa International Corp. for wrongfully assessing undisclosed fees on consumers by manipulating the currency conversion rates when consumers used their Visa Card for purchases in other countries. This matter was removed to federal court, and transferred by the Judicial Panel on Multidistrict Litigation to the U.S. District Court for the Southern District of New York to be coordinated with the *In re Currency Conversion Fee Antitrust Litigation*. The Court approved a settlement that provided for \$336 million for the class members. While the *Baker* case was not the driving force leading to the \$336 million for the class members, it was coordinated with that matter and the firm played a material role in the ultimate settlement.
- *Giancola v. Lincare Holdings Inc.*, Case No. 8:17-cv-2427-T-33AEP (M.D. Fla.). Serving as Class Counsel in this action, Johnson Fistel represented a class of current and former employees of Lincare, who were exposed to an unlawful data breach and the potential disclosure of their personal information. After Johnson Fistel filed an amended complaint and engaged in preliminary discovery, the parties agreed to mediation. Johnson Fistel was ultimately able to achieve a class-wide settlement that provided multiple forms of relief to class members, including: (i) a Settlement Fund totaling \$875,000 in cash that was used to pay claims of class members impacted by the data breach; (ii) enhanced credit and identity monitoring protection services for the class, which was valued at more than \$972,000; and (iii) Lincare's agreement to implement certain enhanced data security measures to protect the company from future data breaches and safeguard the personal information of its employees.
- *In re: Apple Inc. Device Performance Litigation*, Case No. 18-md-02827-EJD (N.D. Cal.). In December 2017, Johnson Fistel filed a class action complaint against Apple Inc. ("Apple"), alleging that Apple knowingly designed the batteries of certain iPhones to prematurely degrade, causing them to unexpectedly shut down. After the matter was consolidated with numerous other lawsuits filed against Apple for similar alleged misconduct, Johnson Fistel was appointed to the Steering Committee of the consolidated action. The litigation concerns one of the largest consumer frauds in history, affecting hundreds of millions of mobile devices around the world. The Court approved a class-wide

settlement pursuant to which Apple will make a minimum, non-revisionary payment of \$310,000,000 and a maximum payment of up to \$500,000,000, depending on the number of claims submitted. The approval of that settlement is currently on appeal.

Employment and Labor Cases

- *Alcantar, et al. v. Cardenas Markets, LLC*, JAMS Ref. No. 1240022966 (2019) (Brisco, Arb.). Johnson Fistel was retained by six plaintiff grocery workers alleging sexual harassment and related claims. The former employees alleged that the supermarket-employer, which is backed by a leading global investment firm and is a member store of one of the largest Hispanic supermarket chains in the country, permitted and engendered a norm of unwanted and violent sexual interaction between supervisors and their employees. The firm's aggressive prosecution in the multi-plaintiff action, which included extensive discovery practice and arbitration hearings, precipitated a substantial civil rights settlement in the amount of \$875k.
- *Call v. Stillwater Hospitality LLC*, Case No. 30-2017-00961765 (Cal. Super. Ct. Orange Cnty.). Johnson Fistel represented a former employee in a lawsuit against the Stillwater restaurant companies seeking civil penalties under and pursuant to the Private Attorneys General Act ("PAGA") for alleged violations of the California Labor Code for, among other things, failure to properly calculate and pay overtime compensation. PAGA allows aggrieved employees to sue over alleged labor code violations on behalf of themselves and other aggrieved employees by stepping into the shoes of state regulators to recover civil penalties. Following extensive investigation and hard-fought litigation, Johnson Fistel negotiated a significant settlement on behalf of its client and all other aggrieved employees.
- *Jane Doe v. Bad Employer*: Johnson Fistel represented a business development employee who instituted suit against her former employer, an industrial supply company. The plaintiff alleged, inter alia, that she was subjected to severe discrimination and harassment, and ultimately terminated, based on her medical condition. Johnson Fistel's tenacious advocacy procured a confidential settlement in favor of its client at an early stage of the litigation.

NOTEWORTHY SUCCESS STORIES

Johnson Fistel aggressively pursues complex litigation matters for both hourly paying clients and for contingency fee clients. While not an exhaustive list, below are a few of the cases for which the firm has achieved noteworthy successful results for its clients.

A Happy Client Following Trial

On behalf of a marketing firm, Johnson Fistel pursued claims for breach of contract and fraud against the manufacturer of a weight loss product. After a week-long jury trial, the jury returned a seven-figure verdict in favor of Johnson Fistel's client, including actual and punitive damages. *Healthy Life Marketing, LLC, et al. v. Jaime Brenkus' Sound Body, Inc.*, Case No. GIC822927 (Cal. Super. Ct. San Diego Cnty.).

Record Setting Class Action Settlement in Washington

In what is believed to be the largest recovery ever obtained in a class action challenging the price of a merger or acquisition of a public company in a Washington court, on January 20, 2017, the court approved a \$12.75 million settlement for the benefit of former Flow shareholders. Specifically, the case challenged the fairness of the price shareholders received from the 2014 acquisition of Flow by American Industrial Partners. Johnson Fistel served as court-appointed Co-Lead Class Counsel.

After three years of hard-fought litigation, which included 26 depositions taken throughout the country, defeating defendants' motions to dismiss, defeating defendants' motion for summary judgment, and obtaining an order certifying the class, the parties reached an agreement to settle the case just before trial. Cornerstone Research recently published a report regarding M&A shareholder suits in 2015 and the first half of 2016, reporting that amongst the hundreds of merger-related lawsuits identified, only six of those cases resulted in any monetary recovery for shareholders. The report concluded that in merger-related litigation, "monetary consideration paid to shareholders has remained relatively rare." *Englehart v. Brown*, Case No. 13-2-33726-6-KNT (Wash. Super. Ct. King Cnty.).

Recovering Cash for and Reforming Practices at a Global Social Media Company

Johnson Fistel, as Co-Lead Counsel served as a lead negotiator in this stockholder derivative action against certain current and former officers and directors of Twitter, Inc., recovering \$38 million for the company and successfully negotiating robust governance reforms tailored to address and prevent the reoccurrence of directors and officers of Twitter from issuing materially false and misleading statements about the company's user growth and user engagement prospects, a central allegation in the case. *In re: Twitter, Inc. Shareholder Derivative Litigation (n/k/a X)*, C.A. No. 18-062 (D. Del.).

Johnson Fistel was appointed sole Lead Counsel in this shareholder derivative action against certain current and former officers and directors of HCA Holdings, Inc., the largest private hospital chain in the country. The derivative claims related to similar facts that resulted in the company paying \$215 million to settle a class action lawsuit filed by shareholders who alleged the company used false and misleading information to sell stock during its 2011 initial public offering.

The parties litigated the action for more than four years and attended multiple mediations, after which Johnson Fistel secured an extremely favorable settlement for HCA and its shareholders, including a payment of \$19 million to HCA (believed to be among the largest recoveries in a derivative case in the State of Tennessee), the appointment of a new independent director, and implementation of significant corporate therapeutics. *Bagot v. Bracken, et al.*, Case No. 11C5133 (Tenn. Cir. Ct., 6th Cir.).

Helped Secure \$24 million for the Company

Johnson Fistel was initially appointed Co-Lead Counsel in state court in one of the highest-profile cases in the country challenging the award of backdated stock options by executive officers of Brocade. For years, Brocade's insiders engaged in a secret stock option backdating scheme designed to reward executives and recruit engineers with stock options priced below their fair market value as of the date of the grants. The U.S. Government pursued and ultimately won criminal convictions against the responsible executives.

On behalf of its client, Johnson Fistel helped prevent an inadequate settlement of a related federal action from being approved, which would have released the officers, directors, and agents of the company responsible for the criminal backdating scheme resulting in no money to the company and only a payment of attorney's fees for the lawyers. Brocade then formed a Special Litigation Committee and retained Johnson Fistel as co-counsel to Brocade to help litigate claims against ten former officers and directors of the company. After years of litigation, over \$24 million was recovered for Brocade. *In re Brocade Communications, Systems, Inc. Derivative Litigation*, Case No. 1:05cv41683 (Cal. Super. Ct. Santa Clara Cnty.).

Helped Secure \$29 Million for Shareholders

Johnson Fistel was appointed Co-Lead Counsel in a derivative lawsuit that involved claims against the officers and directors of Titan Corporation for breach of fiduciary duty. During the pendency of the litigation, Titan announced that it would be acquired, threatening to cause the shareholders in the derivative action to lose standing. Johnson Fistel then coordinated with counsel in a related derivative action pending in Delaware to negotiate a settlement that resulted in \$29 million in increased consideration to Titan's shareholders in the all-cash merger acquisition. *In re the Titan Corp. Derivative Litigation*, Case No. GIC 832018 (Cal. Super. Ct. San Diego Cnty.).

Johnson Fistel, as court-appointed Co-Lead Counsel pursuant to the Private Securities Litigation Reform Act of 1995 (“PSLRA”), recovered \$21 million for a class of shareholders who invested in Flowers Foods, Inc. The detailed, 154 page, 352 paragraph complaint withstood defendants’ motions to dismiss and for reconsideration, and alleged that defendants made false and misleading statements in connection with the Company’s labor strategy, resulting in the price of Flowers Foods stock to trade at artificially inflated prices during the Class Period. The \$21 million class settlement is believed to be the largest securities fraud class action recovery since the passage of the PSLRA in the Middle District of Georgia. *In re Flowers Foods, Inc. Securities Litigation*, No. 7:16-cv-0022-WLS (M.D. Ga.).

Creating Shareholder Value Through Innovative Corporate Reforms

Johnson Fistel was appointed Lead Counsel in a shareholder derivative action brought on behalf of RH, Inc. alleging, among other things, that certain officers and directors of RH violated federal and state laws by making false and misleading statements concerning RH’s business operations, financial condition, and growth prospects, as well as that certain defendants engaged in improper insider trading. On RH’s behalf, Johnson Fistel negotiated sweeping and innovative corporate governance reforms to benefit the company, including installation of a new Chief Compliance Officer and adoption of a Disclosure Committee Charter. On December 18, 2020, the Honorable Yvonne Gonzalez Rogers granted final approval. *In re RH Shareholder Derivative Litigation*, No. 4:18-cv-02452-YGR (N.D. Cal).

Likewise, as Co-Lead Counsel, Johnson Fistel helped bring about reformatory change at Motorola, Inc. The derivative claims there charged certain officers with making misrepresentations about the company’s financial statements and prospects of success in order to artificially inflate the company’s stock price while they personally sold shares and while causing the company to simultaneously purchase shares on the open market. After six years of hard-fought litigation, the action settled on terms that required the implementation of significant corporate therapeutic changes throughout the company—***changes that were valued by one expert at over \$1 billion.*** *In re Motorola, Inc. Derivative Litigation*, Case No. 07CH23297 (Ill. Cir. Ct. Cook County).

Helped Investors Harmed In Connection with Public Offerings

Johnson Fistel has extensive experience representing investors who purchased shares and suffered losses in connection with public offerings. In that regard, Johnson Fistel has successfully brought claims under the Securities Act of 1933 and helped investors recover many millions of dollars, including in the following class action cases: *Gerneth v. Chiasma, Inc., et al.*, No. 1:16-cv-11082-DJC (D. Mass.) (\$18.75 million settlement achieved on behalf of investors who purchased shares in the Chiasma IPO); *Glock v. FTS International, Inc., et al.*, Civil Action No. 4:20-cv-

03928 (S.D. Tex.) (\$9.875 million settlement achieved on behalf of investors who purchased shares in the FTSI International IPO); *Desrocher v. Covisint Corporation, et al.*, Case No. 1:14-CV-03878-AKH (S.D.N.Y.) (\$8 million settlement achieved on behalf of investors who purchased shares in the Covisint IPO); and *In re EverQuote, Inc. Securities Litigation*, Index No. 651177/2019 (N.Y. Sup. Ct., New York Cnty.) (\$4.75 million settlement achieved on behalf of investors who purchased shares in the EverQuote IPO).

3. The information in this declaration regarding my firm's time is taken from time records prepared and maintained by the firm in the ordinary course of business. These records (and backup documentation where necessary) were reviewed by me and others at my firm, under my direction, to confirm both the accuracy of the entries as well as the necessity for and reasonableness of the time committed to the Action. As a result of this review and the adjustments made, I believe that the time reflected in the firm's lodestar calculation is reasonable in amount and was necessary for the effective and efficient prosecution and resolution of the Action.

The hourly rates shown in Exhibit A are consistent with the hourly rates submitted by the firm in other contingent securities class action litigations. The firm's rates are set based on periodic analysis of rates used by firms performing comparable work both on the plaintiff and defense side. For personnel who are no longer employed by the firm, the "current rate" used for the lodestar calculation is the rate for that person in his or her final year of employment with the firm. Time expended in preparing this application for fees and payment of expenses has not been included.

5. My firm has incurred a total of \$0 in expenses in connection with the prosecution of the Action.

6. With respect to the standing of my firm, attached hereto as Exhibit C is a brief biography of my firm.

I declare under penalty of perjury that the foregoing is true and correct. Executed 4/11/2024.

**DECLARATION OF JEFFREY A. GABBERT IN SUPPORT OF PLAINTIFFS'
MOTIONS FOR FINAL APPROVAL OF CLASS ACTION SETTLEMENT AND
APPLICATION FOR ATTORNEYS' FEES, PAYMENT OF LITIGATION EXPENSES,
AND COMPENSATORY AWARDS FOR PLAINTIFFS**

I, Jeffrey A. Gabbert, hereby declare as follows:

1. I respectfully submit this declaration in support of final approval of the proposed settlement of the Action for \$47 million, approval of the proposed Plan of Allocation for distributing the proceeds of the Settlement, and approval of Co-Lead Counsel's request for attorneys' fees and expenses. I also respectfully submit this declaration in support of my request for an award, pursuant to the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4(a)(4), in recognition of the time that I dedicated to the litigation on behalf of the proposed Settlement Class. I have personal knowledge of the statements herein and, if called as a witness, could competently testify about them.

2. I served as a Court-appointed co-lead plaintiff ("Co-Lead Plaintiff") in this Action pursuant to the Court's January 26, 2022 order. *See* ECF No. 46.

3. Since that time, as a Co-Lead Plaintiff, I have been in regular contact with my counsel, Co-Lead Counsel Pomerantz LLP ("Pomerantz"). In my capacity as a Co-Lead Plaintiff, I compiled my trading data and supporting documentation, completed certifications in support of case filings, assisted with responding to discovery requests, received and reviewed material court filings, in both draft and final form, including the Consolidated Amended Class Action Complaint and the briefing for Defendants' motion to dismiss the Consolidated Amended Class Action Complaint, and prepared for and sat for a virtual deposition. I have requested and received regular updates as to the progress of the litigation and issues of strategy and approach, and I was consulted before and during settlement discussions, during which I was in communication with my counsel, articulated my settlement authority, and evaluated and approved the Settlement before it was finalized.

4. I support the proposed Settlement for \$47,000,000 in cash. I believe this is a fair and reasonable result achieved by Plaintiffs' Counsel in light of the benefits it provides to the Settlement Class and the risks and uncertainties of continued litigation.

5. I understand that reimbursement of a plaintiff's costs and expenses in connection with the representation of a class, including lost wages, is authorized under the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4(a)(4). For this reason, in connection with Co-Lead Counsel's request for litigation expenses, I am seeking reimbursement for the time I dedicated to the prosecution of the Action, which was time that ordinarily would have been dedicated to my business and investment activities. In addition to my investment activities, I am the Chief Executive Officer of Mission Consulting and Services LLC, a professional services consulting company with approximately 42 employees, and the Chief Operating Officer for Optimum Health LLC, a family practice, start-up.

6. In my capacity as a Co-Lead Plaintiff, I spent considerable time in connection with the Action. In reviewing my records relating to this lawsuit, I estimate that I spent 59 hours performing the tasks above to achieve the greatest benefit to the Settlement Class. Given my participation in this litigation, I respectfully request reimbursement of \$30,000 for these efforts that led to the Settlement, which is based on an effective hourly rate of \$509 per hour. Based on my knowledge and experience, I believe my professional time is worth approximately substantially more than this. However, for the benefit of other members of the Settlement Class, I am requesting an amount reflecting the significantly lower rate.

7. I support the requested award of attorneys' fees in the amount of 33.4% of the Settlement Amount, or \$15,698,000. I believe this amount is fair and reasonable under the circumstances of this case and in light of the effort required by Plaintiffs' Counsel to pursue the

case to date, the risks and challenges in the litigation, as well as the recovery obtained for the Settlement Class. I understand that Co-Lead Counsel will also devote additional time in the future to administering the Settlement.

8. I further believe that the litigation expenses to be requested, of no more than \$1,000,000, are reasonable and represent the costs and expenses that were necessary for the successful prosecution and resolution of this case. Based on the foregoing, I fully support Co-Lead Counsel's motion for attorneys' fees and payment of litigation expenses.

9. In sum, I was closely involved throughout the prosecution and settlement of the claims in the Action and I respectfully request that the Court approve the Settlement as fair, reasonable, and adequate; grant a compensatory award of \$30,000 to me in light of my time and effort expended in pursuing this Action; and approve the attorneys' fee request of 33.4% of the Settlement Amount and full reimbursement of litigation expenses.

I declare under penalty of perjury pursuant that the foregoing is true and correct.

Executed on April 10, 2024.

UNITED STATES DISTRICT COURT
DISTRICT OF MARYLAND

IN RE 2U, INC.
SECURITIES CLASS ACTION

Civil Action Nos. TDC-19-3455
TDC-20-1006

FINAL JUDGMENT AND ORDER OF DISMISSAL WITH PREJUDICE

On the 9th day of December, 2022, this matter came before the Court for hearing pursuant to the Order of this Court, dated June 23, 2022, on the application of the Parties for approval of the Settlement set forth in the Stipulation and Agreement of Settlement dated May 31, 2022 (the “Stipulation”). Due and adequate notice having been given to the Settlement Class as required in the Order, the Court having considered all papers filed and proceedings held herein and otherwise being fully informed of the premises and good cause appearing therefore, and for the reasons stated on the record at the hearing on December 9, 2022, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

1. This Judgment incorporates by reference the definitions in the Stipulation, and all terms used herein shall have the same meanings as set forth in the Stipulation, unless otherwise stated herein.
2. This Court has jurisdiction over the subject matter of the Action and over all parties to the Action, including all members of the Settlement Class.
3. Pursuant to Rule 23(e)(2) of the Federal Rules of Civil Procedure, this Court hereby approves the Settlement set forth in the Stipulation and finds that in light of the benefits to the Settlement Class, the complexity and expense of further litigation, the risks of establishing liability

and damages, and the costs of continued litigation, said Settlement is, in all respects, fair, reasonable, and adequate, having considered and found that:

(a) Plaintiffs and Lead Counsel have adequately represented the Settlement Class;

(b) the proposal was negotiated at arm's-length between experienced counsel;

(c) the relief provided for the Settlement Class is adequate, having taken into account (i) the costs, risks, and delay of trial and appeal; (ii) the effectiveness of any proposed method of distributing relief to the Settlement Class, including the method of processing Settlement Class Member claims; (iii) the terms of any proposed award of attorneys' fees, including timing of payment; and (iv) any agreement required to be identified under Rule 23(e)(3); and

(d) the proposed Plan of Allocation treats Settlement Class Members equitably relative to each other.

4. Accordingly, the Settlement is hereby approved in all respects and the Court authorizes and directs implementation and performance of all the terms and provisions of the Stipulation, as well as the terms and provisions hereof. Except as to any individual claim of those persons or entities who have validly and timely requested exclusion from the Settlement Class (identified in Exhibit 1 hereto), the Action and all claims contained therein are dismissed with prejudice as to the Plaintiffs and the other Settlement Class Members, and as against each and all of the Defendants' Releasees. The Parties are to bear their own costs except as otherwise provided in the Stipulation.

5. No person or entity shall have any claim against Plaintiffs, the Settlement Class, Plaintiffs' Counsel, Defendants' Releasees, Defendants' Counsel, or the Claims Administrator

based on distributions made substantially in accordance with the Settlement, the Stipulation, and the Plan of Allocation, or otherwise as further ordered by the Court.

6. Upon the Effective Date, Plaintiffs' Releasees and each of the other Settlement Class Members (whether or not such person submitted a Claim Form), on behalf of themselves, and their respective heirs, executors, administrators, trustees, legal representatives, attorneys, agents, predecessors, successors and assigns in their capacities as such, and on behalf of any other person or entity legally entitled to bring Released Plaintiffs' Claims on behalf of any Settlement Class Member, shall be deemed to have, and by operation of law and of the Judgment or Alternative Judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived, discharged, and dismissed with prejudice each and every one of the Released Plaintiffs' Claims (including, without limitation, any Unknown Claims) against any and all of Defendants' Releasees, and shall forever be barred and enjoined, to the fullest extent permitted by law, from commencing, instituting, maintaining, prosecuting or continuing to prosecute any or all of the Released Plaintiffs' Claims against any of Defendants' Releasees, in this Action or in any other proceeding. This Release shall not apply to any Excluded Plaintiffs' Claims.

7. Upon the Effective Date, Defendants' Releasees, on behalf of themselves, and their respective heirs, executors, administrators, trustees, legal representatives, attorneys, agents, predecessors, successors and assigns in their capacities as such, and on behalf of any other person or entity legally entitled to bring Released Defendants' Claims on behalf of Defendants, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived and discharged each and every Released Defendants' Claim (including, without limitation, any Unknown Claims) against

Plaintiffs' Releasees, and shall forever be barred and enjoined from commencing, instituting, maintaining, prosecuting or continuing to prosecute any or all of the Released Defendants' Claims against any of Plaintiffs' Releasees, in this Action or in any other proceeding. This Release shall not apply to any Excluded Defendants' Claims.

8. The Court hereby affirms its determinations in the Preliminary Approval Order and finally certifies, for the purposes of the Settlement only, the Action as a class action pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure on behalf of the Settlement Class consisting of all persons or entities who purchased or otherwise acquired 2U Securities between February 26, 2018 through July 30, 2019, both dates inclusive, and were allegedly damaged thereby. Excluded from the Settlement Class are: (i) Defendants; (ii) current and former officers and directors of 2U; (iii) members of the Immediate Family of each of the Individual Defendants; (iv) all subsidiaries and affiliates of 2U and the directors and officers of 2U and their respective subsidiaries or affiliates; (v) all persons, firms, trusts, corporations, officers, directors, and any other individual or entity in which any Defendant has a controlling interest, provided, however, that any "Investment Vehicle" shall not be excluded from the Settlement Class; and (vi) the legal representatives, agents, affiliates, heirs, successors-in-interest or assigns of all such excluded parties. Also excluded from the Settlement Class are the persons and entities listed on Exhibit 1 hereto, who are excluded from the Settlement Class pursuant to request.

9. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, and for the purposes of the Settlement only, the Court hereby affirms its determinations in the Preliminary Approval Order certifying Plaintiffs as Class Representatives for the Settlement Class and appointing Lead Counsel Pomerantz LLP as Class Counsel for the Settlement Class. Plaintiffs and Lead Counsel have fairly and adequately represented the Settlement Class both in terms of litigating the Action

and for purposes of entering into and implementing the Settlement and have satisfied the requirements of Federal Rules of Civil Procedure 23(a)(4) and 23(g), respectively.

10. The distribution of the Notice and publication of the Summary Notice as provided for in the Preliminary Approval Order constituted the best notice practicable under the circumstances, including individual notice to Settlement Class Members who could be identified through reasonable effort. The notice provided was the best notice practicable under the circumstances of these proceedings and of the matters set forth therein, including the proposed Settlement set forth in the Stipulation, to all persons or entities entitled to such notice, and said notice fully satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure, due process and any other applicable law, including the Private Securities Litigation Reform Act of 1995. No Settlement Class Member is relieved from the terms of the Settlement, including the Releases provided for therein, based upon the contention or proof that such Settlement Class Member failed to receive actual or adequate notice. A full opportunity has been offered to the Settlement Class Members to object to the proposed Settlement and to participate in the hearing thereon. The Court further finds that the notice provisions of the Class Action Fairness Act, 28 U.S.C. § 1715, were fully discharged and that the statutory waiting period has elapsed. Thus, it is hereby determined that all members of the Settlement Class are bound by this Judgment, except those persons or entities listed on Exhibit 1 to this Judgment.

11. Any Plan of Allocation submitted by Lead Counsel or any order entered regarding any attorneys' fee and expense application shall in no way disturb or affect the remainder of this Judgment and shall be considered separate from remainder of this Judgment. Any order or proceeding relating to the Plan of Allocation or any order entered regarding any attorneys' fee and expense application, or any appeal from any order relating thereto or reversal or modification thereof, shall not affect or delay the finality of the Final Judgment in this Litigation.

12. Neither the Stipulation nor the Settlement contained therein, nor any act performed or document executed pursuant to or in furtherance of the Stipulation or the Settlement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Plaintiffs' Claim or of any wrongdoing, fault, or liability of or damages caused by the Defendants' Releasees; or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault, liability, or omission of or damages caused by any of the Defendants' Releasees; or (c) is or may be deemed to be or may be used as an admission or evidence that any claims asserted in the Action were not valid or that the amount recoverable was not greater than the Settlement Amount in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. A Defendants' Releasee may file the Stipulation and/or this Judgment in any other action that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

13. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of the Settlement and any award or distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the Settlement Fund; (c) hearing and determining applications for attorneys' fees and expenses in the Action; and (d) all parties hereto for the purpose of construing, enforcing and administering the Settlement.

14. The Court finds that during the course of the Action, Plaintiffs, Plaintiffs' Counsel, Defendants, and Defendants' Counsel at all times complied with the requirements of Rule 11 of the Federal Rules of Civil Procedure.

15. In the event that the Settlement does not become effective in accordance with the terms of the Stipulation, or the Effective Date does not occur, or in the event that the Settlement

Fund, or any portion thereof, is returned to the Defendants or their insurers, then this Judgment shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated; and in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Stipulation.

16. The Parties shall bear their own costs and expenses except as otherwise provided in the Stipulation or in this Judgment.

17. Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any of the provisions of the Stipulation.

18. Lead Counsel (1) is awarded attorneys' fees in the amount of 33.4% of the Settlement Amount, or \$12,358,000, plus interest at the same rate and for the same periods as earned by the Settlement Fund (until paid), and (2) expenses in the amount of \$198,380.16, plus interest at the same rate and for the same periods as earned by the Settlement Fund (until paid). Such amounts are to be paid out of the Settlement Fund immediately upon entry of this Order, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof, subject to Plaintiffs' Counsel's obligation to make appropriate refunds or repayments to the Settlement Fund or (if the Settlement is vacated or modified) to 2U, plus accrued interest at the same net rate as is earned by the Settlement Fund, if the Settlement is terminated pursuant to the terms of this Stipulation or if, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the award of attorneys' fees, Litigation Expenses, or reasonable costs or expenses to Plaintiffs is reduced or reversed and such order reducing or reversing the award has become Final, or the Judgment, or Alternative Judgment, approving the Settlement is vacated or modified. Lead Counsel shall thereafter be solely responsible for allocating the attorneys' fees and expenses among itself, Labaton Sucharow LLP, Goldman & Minton P.C., and Bronstein, Gewirtz & Grossman, LLC in

the manner in which Lead Counsel in good faith believes reflects the contributions of such counsel to the initiation, prosecution, and resolution of the Action. In the event that this Judgment does not become Final, and any portion of the fee and expense award has already been paid from the Settlement Fund, Lead Counsel and all other counsel to whom Lead Counsel has distributed payments shall within thirty (30) calendar days of (i) entry of the order rendering the Settlement and Judgment non-Final, (ii) receiving from 2U's Counsel notice of the termination of the Settlement; (iii) any order reducing or reversing the award of attorneys' fees, Litigation Expenses, or reasonable costs or expenses to Plaintiffs has become Final, or (iv) the occurrence of any other event that precludes the Effective Date from occurring, refund the Settlement Fund the fee and expense award paid to Lead Counsel and, if applicable, distributed to other counsel.

19. Lead Plaintiff Fiyyaz Pirani is awarded \$30,000 and Additional Named Plaintiff Oklahoma City Employee Retirement System is awarded \$5,121.65 for their reasonable costs and expenses directly relating to the representation of the Settlement Class as provided in 15 U.S.C. § 78u-4(a)(4), with such amounts to be paid from the Settlement Fund upon the Effective Date of the Settlement.

20. The Court directs immediate entry of this Judgment by the Clerk of the Court.

21. The Court's orders entered during this Action relating to the confidentiality of information shall survive this Settlement.

Accordingly, it is hereby ORDERED that:

1. Plaintiffs' Motion for Final Approval of Class Action Settlement and Approval of Plan of Allocation of the Net Proceeds of the Settlement, ECF No. 239, is GRANTED.
2. Lead Counsel's Motion for Attorney's Fees, Payment of Litigation Expenses, and Reimbursement to Plaintiffs, ECF No. 241, is GRANTED.

3. Final Judgment is entered and this case is DISMISSED WITH PREJUDICE.

This matter came before the Court upon a Final Approval Hearing on July 25, 2022. During the Final Approval hearing, the Court considered, among other things, Plaintiffs' Motion for an Award of Attorneys' Fees and Expenses. At the Final Approval Hearing, the Court instructed Plaintiffs to submit certain supplemental information regarding, *inter alia*, Plaintiffs' request for attorneys' fees. The motion is unopposed by Defendants and no objections were made to it. Having considered the motion papers, Plaintiffs' supplemental submission, the Stipulation of Settlement which the Court preliminarily approved on February 7, 2022 and has now finally approved, the arguments of counsel, and all files, records, and proceedings in this Action, and otherwise being fully informed in the premises as to the facts and the law.

THEREFORE ORDERED, ADJUDGED, AND DECREED:

1. Pursuant to 15 U.S.C. § 78u-4(a)(4), Plaintiffs' Counsel's request for an award of \$14,666,667 in attorneys' fees, plus accrued interest on that amount, is approved. Having reviewed Plaintiffs' Counsel's application and all applicable legal authorities, the Court finds that a baseline for Plaintiffs' Counsel's attorneys' fees in this case is the comparable median percentage from NERA Economic Consulting, *Recent Trends in Securities Class Action Litigation: 2021 Full-Year*

Review (Jan. 25, 2022), being 27.1%, where the settlement value for securities class actions is between \$25 million and \$100 million. Upon application of the factors set forth by the Second Circuit in *Goldberger v. Integrated Res., Inc.*, 209 F.3d 43 (2d Cir. 2000), and in particular the time and labor expended by counsel (as reflected by Plaintiffs' Counsel's lodestar), for substantially the reasons argued in Plaintiffs' memorandum of law, the Court finds an adjustment of that baseline fee percentage to 33 1/3% to be reasonable and appropriate. 50% of the awarded attorneys' fees shall be payable upon entry of this Order, with the remaining 50% to be payable after substantially all of the Recognized Claims have been paid from the Settlement Fund upon application to the Court.

2. Plaintiffs' Counsel's request for reimbursement of litigation expenses in the amount of \$3,462,683.78, plus accrued interest on that amount, is approved. The Court has reviewed these expenses and finds that they are reasonable and appropriate. The awarded expenses shall be payable to Plaintiffs' Counsel upon entry of this Order.

SO ORDERED.

FINAL ORDER AND JUDGMENT

WELLS FARGO BANK, N.A.,

Defendant.

WHEREAS, the Named Plaintiffs The City of Farmington Hills Employees Retirement System, The Board Of Trustees Of The Arizona State Carpenters Pension Trust Fund and The Arizona State Carpenters Defined Contribution Trust Fund (collectively, the “Named Plaintiffs”) on behalf of themselves and the members of the Class, and Wells Fargo Bank, N.A. (“Wells Fargo”) entered into a Settlement Agreement dated May 28, 2014, that provides for the payment of \$62,500,000 and a complete dismissal with prejudice of the claims asserted in the above-referenced litigation against Wells Fargo on the terms and conditions set forth in the Settlement Agreement, subject to the approval of this Court (the “Settlement”);

WHEREAS, by Order dated June 5, 2014 (the “Preliminary Approval Order”), this Court (a) preliminarily approved the Settlement; (b) ordered that notice of the

proposed Settlement be provided to members of the Class; (c) provided Class Members with the opportunity to object to the proposed Settlement; and (d) scheduled a hearing regarding final approval of the Settlement;

WHEREAS, due and adequate notice has been given to the Class; and

WHEREAS, the Court conducted a hearing on August 14, 2014 (“Final Approval Hearing”) to (a) determine whether the Settlement should be approved by the Court as fair, reasonable and adequate; (b) determine whether judgment should be entered pursuant to the Settlement Agreement, *inter alia*, dismissing the Action against Wells Fargo with prejudice and extinguishing and releasing all Settled Claims (as defined therein) against all Wells Fargo Releasees and all Class Member Releasees (“Released Parties”); (c) rule on Class Counsel’s application for an award of attorneys’ fees and the reimbursement of Litigation Expenses; (d) rule on the Named Plaintiffs’ requests for Service Awards; and (e) rule on such other matters as the Court may deem appropriate.

The Court has considered all matters submitted to it at the Final Approval Hearing and otherwise, the pleadings on file, the applicable law, and the record.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. The Court, for purposes of this Final Order and Judgment (the “Judgment”) adopts all defined terms as set forth in the Settlement, and incorporates them herein by reference as if fully set forth.

2. The Court has jurisdiction over the subject matter of the Action, and all matters relating to the Settlement, as well as personal jurisdiction over all of the Settling Parties and each of the Class Members.

3. The Notice, the publication of Notice on a dedicated website and the notice methodology implemented pursuant to the Settlement Agreement and the Court's orders: (i) constituted the best notice practicable under the circumstances to all persons within the definition of the Class; (ii) constituted notice that was reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Action, of the effect of the Settlement Agreement, including releases, of their right to object to the proposed Settlement, of their right to participate in the Settlement, and of their right to appear at the Final Approval Hearing; (iii) were reasonable and constituted due, adequate and sufficient notice to all persons or entities entitled to receive notice; and (iv) met all applicable requirements of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Rules of the Court and any other applicable law.

4. Pursuant to and in accordance with Rule 23 of the Federal Rules of Civil Procedure, the Settlement, including, without limitation, the Settlement Amount, the releases set forth therein, and the dismissal with prejudice of the Settled Claims against the Released Parties set forth therein, is finally approved as fair, reasonable and adequate. The Settling Parties are hereby authorized and directed to comply with and to consummate the Settlement in accordance with the Settlement Agreement, and the Clerk of this Court is directed to enter and docket this Judgment in the Action.

5. The Action and the Complaint and all claims included therein, as well as all Settled Claims (defined in the Settlement Agreement), are dismissed with prejudice as to the Class Member Releasees (defined in the Settlement Agreement), and as against each and all of the Wells Fargo Releasees (defined in the Settlement Agreement).

(a) All Class Members on behalf of themselves and their respective predecessors, successors and assigns, are hereby deemed to have finally, fully, and forever released, relinquished, and discharged all of the Wells Fargo Releasees from the Settled Claims.

(b) Wells Fargo, on behalf of itself and its predecessors, successors and assigns, is hereby deemed to have finally, fully, and forever released, relinquished, and discharged all of the Class Member Releasees from the Settled Claims.

The Parties are to bear their own costs, except as otherwise provided in the Settlement Agreement.

6. Notwithstanding Paragraph 5, nothing in this Judgment shall bar any action or claim by any of the Settling Parties to enforce or effectuate the terms of the Settlement Agreement or this Judgment.

7. This Judgment and the Settlement Agreement, including any provisions contained in the Settlement Agreement, any negotiations, statements, or proceedings in connection therewith, or any action undertaken pursuant thereto:

(a) shall not be admissible in any action or proceeding for any reason, other than an action to enforce the settlement terms; and

(b) is not, and shall not be deemed, described, construed, offered or received as evidence of any presumption, concession, or admission by any person or entity of the truth of any fact alleged in the Action; the validity or invalidity of any claim or defense that was or could have been asserted in the Action or in any litigation; the amount of damages, if any, that would have been recoverable in the Action; or any liability, negligence, fault, or wrongdoing of any person or entity.

8. The Court hereby appoints Garden City Group as Settlement Administrator and Wells Fargo Bank, N.A. and Glancy Binkow & Goldberg LLP as Joint Escrow Agents.

9. The Plan of Allocation is approved as fair and reasonable, and Class Counsel and the Settlement Administrator are directed to administer the Settlement in accordance with the terms and provisions of the Settlement Agreement.

10. The Court finds that the Settling Parties and their counsel have complied with the requirements of Rule 11 of the Federal Rules of Civil Procedure as to all proceedings herein, and that Named Plaintiffs and Class Counsel at all times acted in the best interests of the Class and had a good faith basis to bring, maintain and prosecute this Action in accordance with Federal Rule of Civil Procedure 11. The Court further finds that the Named Plaintiffs and Class Counsel adequately represented the Class Members in entering into and implementing the Settlement.

11. No Class Member shall have any claim against Class Counsel, the Claims Administrator, or other agent designated by Class Counsel based on the distributions made substantially in accordance with the Settlement and Plan of Allocation as approved by the Court and further orders of the Court.

12. Subject to the Settlement Agreement, neither Wells Fargo nor its counsel, shall have any responsibility for, interest in, or liability whatsoever with respect to, and no Class Member shall have any claim against the Wells Fargo Releasees or Wells Fargo's Counsel with respect to: (a) the provisions of the Notice, including identifying and locating Class Members; (b) the design, administration or implementation of the Plan of Allocation; (c) the determination or administration of Taxes; (d) any act, omission or determination of Class Counsel, the Joint Escrow Agents or the Claims Administrator, or any of their respective designees or agents, in connection with the administration of the Settlement or otherwise; (e) the management, investment or distribution of the Gross Settlement Fund and/or the Net Settlement Fund; (f) the Plan of Allocation; (g) the determination, administration, calculation or payment of claims asserted against the Gross Settlement Fund and/or the Net Settlement Fund; (h) the administration of the Settlement Escrow Account; (i) any losses suffered by, or fluctuations in the value of, the Gross Settlement Fund and/or the Net Settlement Fund; or (j) the payment or withholding of any Taxes, expenses and/or costs incurred in connection with the taxation of the Gross Settlement Fund and/or the Net Settlement Fund or the filing of any tax returns; or (k) any expenses, costs, or losses incurred in connection with any of the above.

13. Any order approving or modifying the Plan of Allocation set forth in the Notice, the application by Class Counsel for an award of attorneys' fees and reimbursement of expenses, or the application for Class Representative Service Awards, shall not disturb or affect the Finality of this Judgment or the Settlement Agreement.

14. The Notice stated that Class Counsel would move for attorneys' fees in an amount not to exceed 33- $\frac{1}{3}$ % of the Gross Settlement Fund, and Litigation Expenses in an amount not to exceed \$2,450,000. In their Motion for Final Approval, Class Counsel requested attorneys' fees of 33- $\frac{1}{3}$ % of the Gross Settlement Fund, totaling \$20,833,333, and Litigation Expenses of \$2,064,548.45.

15. Class Counsel is hereby awarded a total of \$ 20,833,333 in fees and \$2,064,548.45 in Litigation Expenses, which sum the Court finds to be fair and reasonable. The foregoing award of fees and expenses shall be paid to Glancy Binkow & Goldberg, LLP from the Gross Settlement Fund, and such payment shall be made at the time and in the manner provided in the Settlement Agreement, with interest from the date the Gross Settlement Fund was funded to the date of payment at the same net rate that interest is earned by the Gross Settlement Fund. The appointment and distribution among Plaintiffs' Counsel of any award of attorneys' fees shall be within Glancy Binkow & Goldberg, LLP and the Miller Law Firm, PC's sole discretion.

16. The Named Plaintiffs, Farmington and Arizona, are each awarded \$50,000 (for a total combined award of \$100,000) for their service, costs and expenses directly relating to the representation of the Class, which sum the Court finds to be fair and reasonable. The foregoing award shall be paid to the Named Plaintiffs from the Gross

Settlement Fund, and such payment shall be made at the time and in the manner provided in the Settlement Agreement, with interest from the date the Gross Settlement Fund was funded to the date of payment at the same net rate that interest is earned by the Gross Settlement Fund.

17. In making this award of attorneys' fees and Litigation Expenses and the Class Representative Service Awards to be paid from the Gross Settlement Fund, the Court has considered and found that:

(a) the Settlement has created a fund of \$62,500,000 in cash that is already on deposit, plus interest thereon, and that numerous Class Members will benefit from the Settlement;

(b) Notice was disseminated to Class Members stating that Class Counsel were moving for attorneys' fees not to exceed 33- $\frac{1}{3}$ % of the Gross Settlement Fund in a total amount not to exceed \$20,833,333, and for Litigation Expenses in an amount not to exceed \$2,450,000. Class Counsel filed their application for attorneys' fees and reimbursement of expenses 14 days prior to the deadline for objections in this Action, and one (1) objection was filed by a Class Member against the terms of the proposed Settlement or the fees and expenses contained in the Notice and Class Counsel's application;

(c) Class Counsel has conducted the litigation and achieved the Settlement in good faith and with skill, perseverance and diligent advocacy;

(d) The Action involves complex factual and legal issues and was actively prosecuted for over three years, proceeded until trial was imminent, and, in the absence of a settlement, would involve further lengthy proceedings with uncertain resolution of the complex factual and legal issues;

(e) During discovery in this case, the Plaintiffs' Counsel produced and/or reviewed over approximately 7,000,000 pages of documents: in total, approximately 6,800,000 pages were produced by Wells Fargo, more than approximately 130,000 pages by Named Plaintiffs, and more than approximately 135,000 pages by third parties. Plaintiffs' Counsel took, defended and/or had access to more than 90 depositions. These depositions resulted in approximately 22,725 pages of recorded testimony and the inclusion of approximately 2,399 exhibits. The parties filed various motions including motions for partial summary judgment;

(f) Had Class Counsel not achieved the Settlement there would remain a significant risk that the Named Plaintiffs and the Class may have recovered less or nothing from the Defendants;

(g) The amount of attorneys' fees and Litigation Expenses awarded from the Gross Settlement Fund are fair and reasonable under all of the circumstances and consistent with awards in similar cases; and

(h) The Class Representative Service Awards are fair and reasonable considering the time commitment and diligence of the Named Plaintiffs in prosecuting this action on behalf of the class members and is consistent with service awards in similar cases.

18. Without affecting the Finality of this Judgment in any way, the Court reserves exclusive and continuing jurisdiction over the Action, the Class Member Releasees and the Wells Fargo Releasees for purposes of: (a) supervising the implementation, enforcement, construction, and interpretation of the Settlement Agreement, the Plan of Allocation, and this Judgment; (b) supervising the distribution of the Gross Settlement Fund and/or the Net Settlement Fund; and (c) resolving any dispute regarding a party's right to terminate pursuant to the terms of the Settlement Agreement.

19. In the event that the Settlement is terminated or does not become Final in accordance with the terms of the Settlement Agreement for any reason whatsoever, then this Judgment shall be rendered null and void and shall be vacated to the extent provided by and in accordance with the Settlement Agreement, including with respect to the repayment by Class Counsel of attorneys' fees and Litigation Expenses awarded by the Court, and, in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Settlement Agreement.

20. There is no reason for delay in the entry of this Judgment and immediate entry by the Clerk of the Court is expressly directed pursuant to Rule 54(b) of the Federal Rules of Civil Procedure.

21. Therefore, the Motion for Attorney Fees and Costs and Class Representative Service Awards (Doc. No. [670]) and the Motion for Approval of Settlement and Plan of Allocation of Settlement Proceeds (Doc. No. [675]) are **GRANTED.**

LET JUDGMENT BE ENTERED ACCORDINGLY.

2. This Court has jurisdiction over the subject matter of this application and all matters relating thereto, including all Members of the Class who have not timely and validly requested exclusion.

3. The Court hereby awards Class Counsel attorneys' fees of one-third of the Settlement Amount, and litigation expenses in the amount of \$1,949,862.24, together with the interest earned thereon for the same time period and at the same rate as that earned on the Settlement Fund until paid. Said fees and expenses shall be allocated amongst counsel in a manner which, in Class

Counsel's good faith judgment, reflects each such counsel's contribution to the institution, prosecution and resolution of the Litigation. The Court finds that the amount of fees awarded is fair and reasonable under the "percentage-of-recovery" method considering, among other things, the following: the highly favorable result achieved for the Class; the contingent nature of Class Counsel's representation; Class Counsel's diligent prosecution of the Litigation; the quality of legal services provided by Class Counsel that produced the Settlement; that the Plaintiff appointed by the Court to represent the Class supports the requested fee; the reaction of the Class to the fee request; and that the awarded fee is in accord with Sixth Circuit precedent.

4. The awarded attorneys' fees and expenses shall be paid to Class Counsel immediately after the Court executes the Judgment and this Order is executed subject to the terms, conditions and obligations of the Stipulation and in particular ¶6.2 thereof, which terms, conditions and obligations are incorporated herein.

5. Pursuant to 15 U.S.C. §78u-4(a)(4), Plaintiff Amalgamated Bank, as Trustee for the LongView Collective Investment Fund, is awarded \$17,525 as payment for its time and expenses representing the Class.

IT IS SO ORDERED.

vs.	:	DISMISSAL WITH PREJUDICE

_____	x	

This matter came before the Court for hearing pursuant to the Order Preliminarily Approving Settlement and Providing for Notice to the Class ("Notice Order") dated August 30, 2013, on the unopposed application of Lead Plaintiffs for approval of the Settlement set forth in the Settlement Agreement, dated August 28, 2013 ("Stipulation"), and following a hearing on December 18, 2013. Due and adequate notice having been given to the Class as required in said Order, and the Court having considered all papers filed and proceedings had herein and otherwise being fully informed in the premises and good cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED that:

1. This Final Judgment incorporates by reference the definitions in the Stipulation, and all terms used herein shall have the same meanings as set forth in the Stipulation, unless otherwise set forth herein.
2. This Court has jurisdiction over the subject matter of the Action and over all Settling Parties to the Action, including all members of the Class.
3. For purposes of this Judgment, as certified by the Court's August 13, 2013 Order, the Class is defined as all Persons who purchased the common units of The Blackstone Group L.P. ("Blackstone") in Blackstone's initial public offering ("IPO") or in the open market on the New

York Stock Exchange between June 21, 2007 and March 12, 2008, inclusive, and who sustained compensable damages in connection with any such purchase of Blackstone units pursuant to Sections 11 and 15 of the Securities Act of 1933.

Excluded from the Class are: (i) the persons who submitted valid and timely requests for exclusion from the Class, who are listed on Exhibit A hereto; (ii) Defendants; (iii) members of the immediate family of each of the Defendants; (iv) any Person that acted as an underwriter of the IPO; (v) any natural Person who sold Blackstone common units to the public in the IPO or who serves or served as an officer or director of Blackstone or as a partner of any predecessor to Blackstone, the members of the immediate families of any such persons, and any entity in which any of Defendants have or had a controlling interest; and (vi) the legal representatives, agents, affiliates, heirs, successors-in-interest or assigns of any such excluded Person (collectively, "Excluded Persons").

For the avoidance of doubt, the Excluded Persons are excluded from the Class only to the extent they purchased Blackstone common units in the IPO for their own account and not for or on behalf of a third-party customer or for resale to customers. Further, to the extent that any of the Excluded Persons was a statutory "seller" who resold the Blackstone common units to a third-party customer, client, account, fund, trust, or employee benefit plan that otherwise falls within the Class, or purchased Blackstone common units in a fiduciary capacity or otherwise on behalf of any third-party customer, client, account, fund, trust, or employee benefit plan that falls within the Class, the Excluded Person is excluded from the Class but the third-party customer, client, account, fund, trust, or employee benefit plan is not excluded from the Class with respect to such purchases of Blackstone common units.

4. For purposes of this Judgment, as certified by the Court's August 13, 2013 Order, Lead Plaintiffs Martin Litwin and Francis Brady are Class Representatives, and Lead Counsel

Robbins Geller Rudman & Dowd LLP and Brower Piven, A Professional Corporation, are Class Counsel.

5. Pursuant to Federal Rule of Civil Procedure 23, this Court hereby approves the Settlement set forth in the Stipulation and finds that the Settlement is, in all respects, fair, reasonable, and adequate to the Class. There are no objections to the proposed Settlement.

6. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court finds that the Stipulation and Settlement are fair, reasonable, and adequate as to each of the Settling Parties, and that the Stipulation and Settlement are hereby finally approved in all respects, and the Settling Parties are hereby directed to perform its terms.

7. Accordingly, the Court authorizes and directs implementation of all the terms and provisions of the Stipulation, as well as the terms and provisions hereof. The Court hereby dismisses, as to Defendants, the Action and all Released Claims of the Class with prejudice, without costs as to any Settling Party, except as and to the extent provided in the Stipulation and herein.

8. Upon the Effective Date hereof, and as provided in the Stipulation, Lead Plaintiffs shall, and each of the Class Members shall, be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims against the Released Persons, whether or not such Class Member executes and delivers the Proof of Claim and Release.

9. Upon the Effective Date hereof, and as provided in the Stipulation, each of the Released Persons shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished, and discharged Lead Plaintiffs, each and all of the Class Members, Lead Counsel and Abraham Fruchter & Twersky LLP from all claims (including, without

limitation, Unknown Claims) arising out of, relating to, or in connection with, the institution, prosecution, assertion, settlement, or resolution of the Action.

10. Upon the Effective Date hereof, and as provided in the Stipulation, Lead Plaintiffs and each of the Class Members who have not validly opted out of the Class, and their respective predecessors, successors, agents, representatives, attorneys, and affiliates, and the respective heirs, executors, administrators, successors, and assigns of each of them, directly or indirectly, individually, derivatively, representatively, or in any other capacity, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged against the Released Persons (whether or not such Class Members execute and deliver the Proof of Claim and Release forms) any and all Released Claims (including, without limitation, Unknown Claims), as well as any claims arising out of, relating to, or in connection with, the defense, settlement, or resolution of the Action or the Released Claims.

11. Upon the Effective Date, Lead Plaintiffs and each of the Class Members who have not validly opted out of the Class, and their respective predecessors, successors, agents, representatives, attorneys, and affiliates, and the respective heirs, executors, administrators, successors, and assigns of each of them, directly or indirectly, individually, derivatively, representatively, or in any other capacity, shall be permanently barred and enjoined from the assertion, institution, maintenance, prosecution, or enforcement against any Released Person, in any state or federal court or arbitral forum, or in the court of any foreign jurisdiction, of any and all Released Claims (including, without limitation, Unknown Claims), as well as any claims arising out of, relating to, or in connection with, the defense, settlement, or resolution of the Action or the Released Claims.

12. The Notice of Proposed Settlement of Class Action (“Notice”) given to the Class in accordance with the Notice Order, entered on August 30, 2013, was the best notice practicable under the circumstances, including the individual notice to all members of the Class who could be identified through reasonable effort, of the proceedings and of the matters set forth therein, including the proposed Settlement set forth in the Stipulation, the proposed Plan of Distribution of the proceeds of the Settlement set forth in the Notice, Lead Counsel’s application for attorneys’ fees and reimbursement of expenses, and Lead Plaintiffs’ request for an award of reasonable costs and expenses relating to their representation of the Class, and said Notice and notice procedures fully satisfied the requirements of Federal Rule of Civil Procedure 23, the Private Securities Litigation Reform Act of 1995, and the requirements of due process. There are no objections to the Notice and/or notice procedures.

13. The Court hereby approves the Plan of Distribution as set forth in the Notice as fair and equitable. The Court directs Lead Counsel to proceed with processing Proofs of Claim and the administration of the Settlement pursuant to the terms of the Plan of Distribution and, upon completion of the claims processing procedure, to present to this Court a proposed final distribution order for the distribution of the Net Settlement Fund to eligible Class Members, as provided in the Stipulation and the Plan of Distribution. There are no objections to the Plan of Distribution.

14. The Court hereby awards Lead Counsel attorneys’ fees equal to 33.33% percent of the Settlement Fund (including interest accrued thereon), and litigation expenses in the amount of \$1,047,005.77, with interest to accrue thereon at the same rate and for the same periods as has accrued by the Settlement Fund from the date of this Judgment to the date of actual payment of said attorneys’ fees and expenses to Lead Counsel as provided in the Stipulation. The Court finds the amount of attorneys’ fees awarded herein are fair and reasonable based on: (a) the work performed

and costs incurred by Lead Counsel; (b) the complexity of the case; (c) the risks undertaken by Lead Counsel and the contingent nature of their employment; (d) the quality of the work performed by Lead Counsel in this Action and their standing and experience in prosecuting similar class action securities litigation; (e) awards to successful plaintiffs' counsel in other, similar litigation; (f) the benefits achieved for Class Members through the Settlement; and (g) the absence of any objections from any Class Members to either the application for an award of attorneys' fees or expenses to Lead Counsel.

15. The Court also finds that the requested expenses are proper as the expenses incurred by Lead Counsel, including the costs of experts, were reasonable and necessary in the prosecution of this Action on behalf of Class Members. There are no objections to Lead Counsel's application for reimbursement of their expenses.

16. The Court approves payment of \$15,000.00 to Lead Plaintiff Martin Litwin for his reasonable time and expenses (including lost wages) relating to their representation of the Class. Such payment shall be paid out of the Settlement Fund. There are no objections to Lead Plaintiff Litwin's application for reimbursement of his costs and expenses.

17. All fees and expenses awarded or allowed in this Judgment shall, except as otherwise expressly provided in the Stipulation, be paid from the Settlement Fund.

18. Lead Counsel may apply, from time to time, for any fees and/or expenses incurred by them solely in connection with the administration of the Settlement and distribution of the Net Settlement Fund to Class Members which, except as expressly provided in the Stipulation, shall be paid from the Settlement Fund.

19. Neither appellate review nor modification of the Plan of Distribution set forth in the Notice, nor any action in regard to the motion by Lead Counsel for attorneys' fees and/or expenses

and the award of costs and expenses to Lead Plaintiffs, shall affect the finality of any other portion of this Judgment, nor delay the Effective Date of the Stipulation, and each shall be considered separate for the purposes of appellate review of this Judgment.

20. Neither the Stipulation nor the Settlement contained therein, nor any act performed or document executed pursuant to or in furtherance of the Stipulation or the Settlement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Claim, or of any wrongdoing or liability of the Released Persons, or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Defendants or the Released Persons in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. Defendants and/or the Released Persons may file the Stipulation and/or this Judgment from this Action in any other action in which they are parties or that may be brought against them in order to support a defense, claim, or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim.

21. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing exclusive jurisdiction over: (a) implementation of this Settlement and any award or distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the Settlement Fund; (c) hearing and determining applications for attorneys' fees, interest, and expenses in the Action; (d) payment of taxes by the Settlement Fund; (e) all Settling Parties hereto for the purpose of construing, enforcing, and administering the Stipulation; and (f) any other matters related to finalizing the Settlement and distribution of proceeds of the Settlement.

22. In the event that the Settlement does not become effective in accordance with the terms of the Stipulation, or the Effective Date does not occur, or in the event that the Settlement

Fund, or any portion thereof, is returned to Defendants, then this Judgment shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated and, in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Stipulation.

23. Without further order of the Court, the Settling Parties may agree to reasonable extensions of time to carry out any of the provisions of the Stipulation.

24. The Court finds that during the course of the Action, the Settling Parties and their respective counsel at all times complied with the requirements of Rule 11 of the Federal Rules of Civil Procedure.

25. The Court directs immediate entry of this Final Judgment by the Clerk of the Court.

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

IN RE PERRIGO COMPANY PLC SECURITIES
LITIGATION

19-CV-70 (DLC)

**PROPOSED ORDER AWARDING ATTORNEYS' FEES AND REIMBURSING
LITIGATION EXPENSES**

WHEREAS, this matter came on for hearing on February 16, 2022 (the "Settlement Hearing") on Lead Plaintiffs' Motion for an Award of Attorneys' Fees and Reimbursement of Litigation Expenses. The Court having considered all matters submitted to it at the Settlement Hearing and otherwise; and it appearing that a notice of the Settlement Hearing, substantially in the form approved by the Court, was mailed to all Class Members who or which could be identified with reasonable effort, and that a summary notice of the Settlement Hearing, substantially in the form approved by the Court, was published in *Investor's Business Daily* and was transmitted over the *PR Newswire* pursuant to the specifications of the Court; and the Court having considered and determined the fairness and reasonableness of the award of attorneys' fees and reimbursement of litigation expenses requested;

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. This Order incorporates by reference the definitions in the Amended Stipulation and Agreement of Settlement, dated October 22, 2021 (ECF No. 317-1) (the "Stipulation"), and all capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation.
2. The Court has jurisdiction to enter this Order and over the subject matter of the Action and all parties to the Action, including all Class Members.

3. Notice of Lead Plaintiffs' request for attorneys' fees and reimbursement of litigation expenses was given to all Class Members who or which could be identified with reasonable effort. The form and method of notifying the Class of the request for attorneys' fees and reimbursement of litigation expenses satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure, the Private Securities Litigation Reform Act of 1995 (15 U.S.C. § 78u-4(a)(7)), due process, and all other applicable laws and rules, constituted the best notice practicable under the circumstances, and constituted due and sufficient notice to all persons and entities entitled thereto.

4. Lead Counsel are hereby awarded attorneys' fees in the amount of 33 and 1/3% of the Settlement Fund (the "Fee Award") and \$978,116.75 in reimbursement of litigation expenses (which fees and expenses shall be paid from the Settlement Fund), which sums the Court finds to be fair and reasonable. One half of the Fee Award and all reimbursable litigation expenses shall be payable to Lead Counsel immediately upon entry of this Order. The remainder of the Fee Award shall be payable to Lead Counsel upon this Court's entry of an order granting Lead Plaintiffs' forthcoming motion for distribution of the Settlement Fund.

5. In making this award of attorneys' fees and reimbursement of litigation expenses to be paid from the Settlement Fund, the Court has considered and found that:

- a) The Settlement has created a common fund of \$31,900,000 that has been funded into escrow pursuant to the terms of the Stipulation, and that numerous Class Members who submit acceptable Claim Forms will benefit from the Settlement that occurred because of the efforts of Lead Counsel;

- b) The fee sought has been reviewed and approved by Lead Plaintiffs, sophisticated institutional investors that oversaw the Action and have a substantial interest in ensuring that any attorneys' fees paid are duly earned and not excessive;
- c) No objections to the fee request have been made by Class Members;
- d) Lead Counsel has conducted the litigation and achieved the Settlement with skill, perseverance and diligent advocacy;
- e) The Action involves complex legal and factual issues and was actively prosecuted for nearly three years, and in the absence of a settlement, would involve further lengthy proceedings with uncertain resolution of the complex legal and factual issues;
- f) Had Lead Counsel not achieved the Settlement, a significant risk would remain that Lead Plaintiffs and the other members of the Class may have recovered less or nothing from the Defendants;
- g) Lead Counsel pursued the Action on a contingent basis, having received no compensation during the Action, and any fee amount has been contingent on the result achieved;
- h) Public policy concerns favor the award of reasonable attorneys' fees and expenses in securities class action litigation; and
- i) The amounts of attorneys' fees and expenses reimbursed from the Settlement Fund are fair and reasonable.

6. Any appeal or any challenge affecting this Court's approval regarding attorneys' fees and reimbursing Litigation Expenses shall in no way disturb or affect the finality of the Judgment and shall not affect or delay the Effective Date of the Settlement.

7. Exclusive jurisdiction is hereby retained over the parties and Class Members for all matters relating to this Action, including the administration, interpretation, effectuation or enforcement of the Stipulation and this Order.

8. In the event the Settlement is terminated or the Effective Date of the Settlement otherwise fails to occur, this Order shall be rendered null and void to the extent provided by the Stipulation.

9. There is no just reason for delay in the entry of this Order, and immediate entry by the Clerk of the Court is expressly directed.

SO ORDERED this 18th day of February, 2022.

The Honorable Denise Cote
United States District Judge
