I, Kathleen Brauns, declare as follows:

1. I am a Project Manager of the Class Action Administration Division of A.B. Data, Ltd. ("A.B. Data"), whose corporate office is located in Milwaukee, Wisconsin. Pursuant to the Court's Order Granting Preliminary Approval of Class Action Settlement, Approving Form and Manner of Notice, and Setting Date for Hearing on Final Approval of Settlement, entered on August 4, 2026 (the "Preliminary Approval Order," ECF No. 95), A.B. Data was appointed as the Claims Administrator in connection with the Settlement of the above-captioned action (the "Action").[1]

2. I submit this declaration as a supplement to my previously filed declaration, the Declaration of Kathleen Brauns Regarding: (A) Mailing of the Postcard Notice; (B) Publication of the Summary Notice; (C) Establishment of Settlement Website and Call Services; and (D) Report on Exclusions and Objections Received to Date (the "Initial Mailing Declaration," ECF No. 98-2), in order to provide the Court with updated information regarding dissemination of notice of the Settlement to potential Settlement Class Members, as well as updates concerning other aspects of the Settlement administration process. The following statements are based on my personal knowledge and information provided by other employees of A.B. Data, and, if called as a witness, I could and would testify competently thereto.

UPDATE ON MAILING OF THE POSTCARD NOTICE

3. Since the date of the Initial Mailing Declaration, A.B. Data has continued to disseminate copies of the Postcard Notice in response to requests received from potential Settlement Class Members, brokers and other nominees.

[1] Unless otherwise defined herein, all capitalized terms have the meanings set forth in the Stipulation and Agreement of Settlement, dated December 2, 2025 (the "Stipulation," ECF No. 78-3).

4. 5. Since the date of the Initial Mailing Declaration, and as of the date of this declaration, A.B. Data has caused an additional three (3) Postcard Notices to be mailed in response to correspondence received from potential Settlement Class Members and/or nominees.

6. As of the date of this declaration, A.B. Data has disseminated notice of the Settlement to 236,664 potential Settlement Class Members and nominees, which includes 135,709 mailed Postcard Notices, 1,200 emailed Postcard Notices, and 99,755 emailed links to the Settlement Website.

REPORT ON REQUESTS FOR EXCLUSION AND OBJECTIONS

7. The notices informed potential Settlement Class Members that requests for exclusion were to be sent to A.B. Data, such that they were received no later than October 29, 2026. The long-form Notice also set forth the information that must be included in each request for exclusion. As of the date of this declaration, A.B. Data has not received any requests for exclusion.

8. According to the notices, Settlement Class Members wishing to object to the Settlement or any of its terms, the proposed Plan of Allocation of the Net Settlement Fund, and/or Lead Counsel's Fee and Expense Application were required to file their objections with the Court and serve copies on Lead Counsel and Defendants' Counsel, such that the papers were received or filed no later than October 29, 2026.

9. As of the date of this declaration, A.B. Data has not received any mis-directed objections.

10. A.B. Data is aware of an objection filed by James R. Jeffcoat. (ECF Nos. 100-108). The objection included details of Mr. Jeffcoat's transactions in Cronos common stock during the Class Period. (ECF Nos. 100, 101). At the request of Lead Counsel, A.B. Data reviewed the reported transactions to determine whether they would generate a Recognized Claim under the proposed Plan of Allocation.

11. Based on its review, A.B. Data determined that Mr. Jeffcoat purchased 16 shares of Cronos common stock during the Class Period, resulting in a Recognized Claim of $9.59. A.B. Data further confirmed that Mr. Jeffcoat has not submitted a Claim in the Settlement.

CLAIMS PROCESSED TO DATE

Data's Electronic Claim Filing Team ("ECF Team"). A.B. Data is still receiving Claims and is in the early stages of its review process, and, therefore, the information provided herein is preliminary and subject to change.

13. As part of the claims administration process, A.B. Data will evaluate and process all Claims submitted. Claimants will have the opportunity to address any deficiencies or request review if their Claim is denied. Once all Claims have been fully processed, quality assurance reviews conducted, and final administrative determinations made, A.B. Data will prepare its administrative report on the received Claims, along with a proposed distribution plan. Any Claim disputes that cannot be resolved will be presented to the Court. Thereafter, once the Settlement reaches its

Effective Date, A.B. Data will disburse *pro rata* allocations of the Net Settlement Fund to Authorized Claimants, as calculated under the Plan of Allocation, via mail or wire transfer.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
