

Placing a Referral Order for Telehealth

This tipsheet details the instructions for placing a referral for Telehealth services (**BARIATRIC**).

Try It Out

1. Start by opening the preference list then selecting Referrals and selecting the desired specialty.

BARIATRIC

The screenshot shows a software interface for placing referral orders. On the left, a sidebar contains a list of categories: 'Only Favorites', 'NMMCI Quick Pick', 'Labs', 'Imaging', 'Procedures', 'Immunizations', 'Referrals' (highlighted in yellow), 'Medications', 'Cardiology', 'Mobile', and 'In-Clinic Medications'. The 'Referrals' category is expanded, showing a sub-list of specialties. In the main area, a list of specialties is displayed under the heading 'Referrals'. The 'Bariatric Surgery Clinic' is highlighted in green and has a checkmark next to it. Other specialties include Acupuncture (OUTGOING), Addictionology, Admit to Hospice, Admit to Inpatient, Admit to L&D, Adolescent Day School (OUTGOING), Allergy (OUTGOING), Allergy and Immunology Starkville, Allergy and Immunology Tupelo, Anesthesiology (OUTGOING), Anticoagulation - Other (DOAC) Monitoring (OUTGOING), Anticoagulation - Warfarin Monitoring (FMRC), Anticoagulation - Warfarin Monitoring (IMA), Applied Behavioral Therapy ABA (OUTGOING), Asthma Education Referral (OUTGOING), Audiology (OUTGOING), Autism Clinic UAB McWane (OUTGOING), Behavioral Health (OUTGOING), Behavioral Health Counseling, Behavioral Health Telehealth, Behavioral Health Tupelo, Bone Marrow Transplant Team (OUTGOING), Brunson infusion, Burn Clinic (OUTGOING), Cardiac Rehab, Cardiology (OUTGOING), Cardiology Columbus, and Cardiology Corinth. At the bottom of the interface, there is a search bar for new orders, a menu icon (highlighted in yellow with a red arrow pointing to it), and a button labeled '+ ADD DX (0)'.

- When prompted, select that the referral is a "Telehealth" referral on the order composer Screen.
