

Placing a Referral Order for Telehealth

This tipsheet details the instructions for placing a referral for Telehealth services. (DIABETES)

Try It Out

1. Start by opening the preference list then selecting Referrals and selecting the desired specialty.

The screenshot shows a software interface for placing a referral order. On the left is a navigation menu with categories like 'NMMCI Quick Pick', 'Labs', 'Imaging', 'Procedures', 'Immunizations', 'Referrals', 'Medications', 'Cardiology', 'Mobile', and 'In-Clinic Medications'. The 'Referrals' category is expanded, and 'Referrals' is highlighted. The main area displays a list of specialties, each with a checkbox. 'Diabetes Treatment Center' is checked and highlighted in green. Other specialties include 'Cardiovascular Surgery Starkville', 'Cardiovascular Surgery Tupelo', 'Case Management/Directly Observed Therapy (OUTGOING)', 'Chemical Dependency (OUTGOING)', 'Chiropractic (OUTGOING)', 'Club Foot Clinic (OUTGOING)', 'Colorectal Surgery (OUTGOING)', 'Community Hospital Infusions', 'Counseling (OUTGOING)', 'Dentistry (OUTGOING)', 'Department of Human Services (OUTGOING)', 'Dermatology (OUTGOING)', 'Developmental Pediatrics (OUTGOING)', 'Diabetes Treatment Center Telehealth', 'Discharge Follow-Up', 'Discharge instructions', 'Early Intervention (OUTGOING)', 'Electrophysiology Corinth', 'Electrophysiology Oxford', 'Electrophysiology Tupelo', 'Endocrinology Tupelo (ADMC)', 'Endocrinology Tupelo (Endo Consultants)', 'Endocrinology Tupelo (NM Endo-Oswalt)', 'ENT Tupelo (OUTGOING)', 'Family Practice', 'Feeding Clinic (OUTGOING)', 'Foot Center - OP Rehab (OUTGOING)', 'Fracture Clinic (OUTGOING)', and 'Fyzical ENT Balance Center (OUTGOING)'. At the bottom, there is a search bar, a plus sign, a menu icon (highlighted in yellow with a red arrow pointing to it), and a button that says '+ ADD DX (0)'.

2. When prompted, select that the referral is a “Telehealth” referral on the order composer Screen.
