Material Change to Landscape or Footprint Change (under \$5 million total project cost)

Begin Authorization to Proceed

Principle Brings Forward Project Priority

(Proposed to be considered for Board of Trustee (BOT) action)

• Campus Planner makes recommendation if it is a material change to landscape or footprint change

CPAPWG

- CIPWG and ECBFS agenda requests
- Collects project tracking information
 - Facilitates material preparation

ECBFS

Reviews and develops a recommendation for the President

CIPWG

• Reviews and advises Provost and Office of the Executive Vice President (EVPA)

Provost

- Prepares a memo to communicate ECBFS's recommendation to the President whether or not there is a material change to landscape or footprint change
 - If not, memo indicates reviewed/no Board action required;
 follow non-BOT capital planning process

President

• Determines the project placement on the BOT agenda for action

BOT Reviews and Makes Final Determination

If Authorization to Proceed is granted, regular Capital Planning Process may begin
