**All Participants who attend the entire session and complete the evaluation form will receive a certificate for 1.0 contact hours. This will allow physicians to self-claim credit for this program.**

Michigan State University College of Nursing is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Michigan Center for Rural Health has applied for Pharmacy and Pharmacy Technician continuing education credits through the Michigan Board of Pharmacy. Approval Pending.

The Michigan Center for Rural Health is an approved provider with the Michigan Social Work Continuing Education Collaborative. Approved Provider Number: MICEC-0070

The Michigan Center for Rural Health is an approved provider with the Michigan Community Health Worker Association.

## Objectives:

- Describe the medications used for addiction treatment.
- Apply treatment options for opioid use disorder to specific cases.
- Explain office policy that can help support office based treatment of opioid use disorder.

## Learning Outcome:

After attending this session, participants will have increased knowledge in the treatment of opioid use disorder in the outpatient setting and give examples of how to integrate treatment into an office setting.
