

R.E.A.C.H. for RECOVERY

Recovery is for everyone.

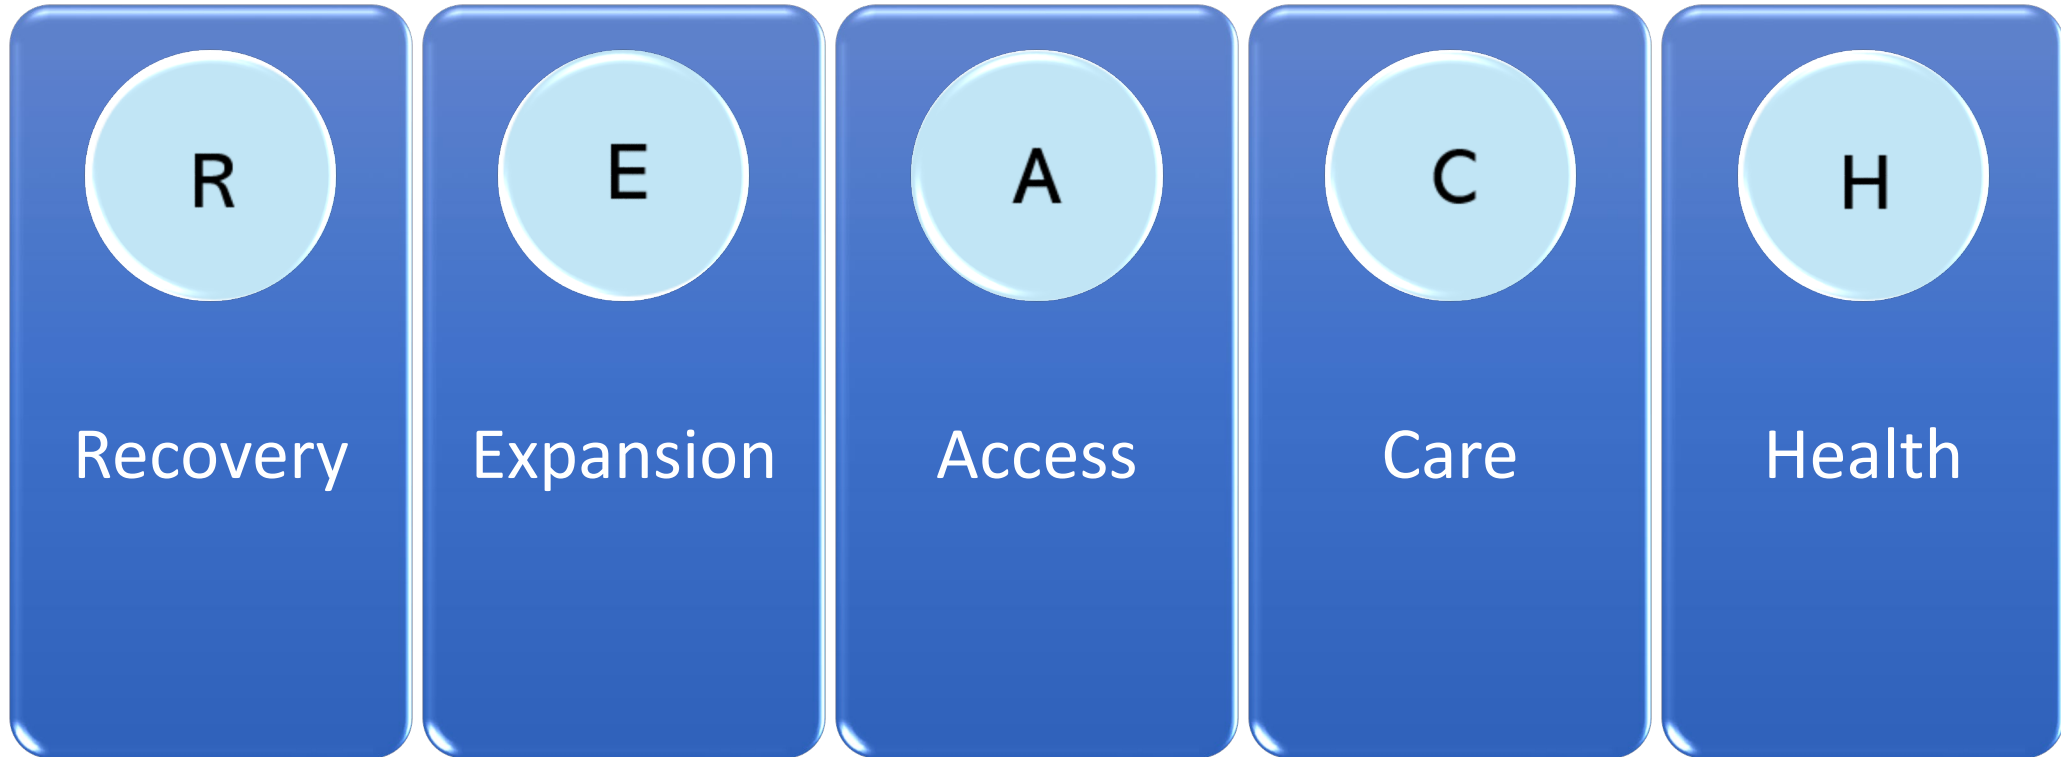

Every person. Every family. Every community.

Susan Kramer, LMSW, CCS

Munson Healthcare
Behavioral Health Practice Administrator
R.E.A.C.H. Project Director

R.E.A.C.H. Initiative

R

RECOVERY

"Addiction is a treatable, chronic medical disease"

-American Medical Association, 1987

- Rural Health
- Bring recovery *into* healthcare
- Recognize & celebrate Recovery Voices

"Hope"

"Recovery is Hard"

"Beautifully Broken"

- Current State - July 2025:**
9 clinics, 18 providers

"It's Possible"

Developing access points:

- Hospital
- Emergency Department
- Peer Recovery Coach Expansion
- Digital Screening for recovery support services

"Transformation happens when we finally have the hope of recovery."

- Building community
- Collaborations & partnerships
- Hope & healing

"It's hard work, but recovery is very possible."

"I Can Do This"

- Whole-person care
- Social determinants of health
- Sustainability through healthcare transformation

A Call to Action:

Where do YOU have influence?

"REACH" out with your ideas for:

- Partnership & collaboration
- Strengthening your community
- Advocacy and innovation
