Veteran Resources

Providers play a key role in connecting Veterans and their families with resources

Less than 50% of Veterans are connected to all their earned military benefits.

Connection to benefits saves lives and improves quality of life.

Help connect those who have served.

Numerous organizations and individuals provide service, support and programs to Veterans, their families, and their caregivers.

The Veterans Administration offers many programs designed to benefit Veterans, their families, and their Caregivers.

- Encourage use of the new VA Health and Benefits mobile app.
- VA Telehealth Services. telehealth.va.gov
- VA Caregiver Support Program (CSP) clinical services for caregivers. caregiver.va.gov
- Native American Veterans. High representation in the armed forces. benefits.va.gov/persona/veteran-tribal.asp
- Center for Women Veterans. va.gov/womenvet

The Michigan Veterans Affairs Agency

provides support and service to Veterans and their families.
