

2026 Graduate Student Success Conference

November 6–8, 2026 | Michigan State University

Where Research Becomes Impact & Scholars Become Leaders

An intentionally sized, high-impact research conference for **ambitious undergraduates, graduate students, and postdoctoral scholars** who want more momentum, mentorship, and measurable outcomes.

Who Should Attend?

- Undergraduates & post-baccalaureate researchers considering MS or PhD programs
- Graduate students seeking research exposure, funding strategies, and career direction
- Medical and business students interested in presenting case studies
- Postdoctoral scholars preparing for academic and non-academic careers
- Faculty, advisors, and recruiters supporting high-potential proteges and looking for talent

Why Participate?

- High-quality mentorship and direct expert access
- Research visibility through poster sessions, oral presentations
- Career pathways across academia, industry, policy, and nonprofit sectors

Conference Highlights

- Interdisciplinary research posters and oral presentations
- Career expos with academic, industry, and nonprofit employers
- Grant writing, dissertation strategy, and publication workshops
- Recruiter & alumni networking reception
- MSU department tours and research showcase opportunities

Take the Next Step

- Register to attend (in person or virtual)
- Submit a poster or oral presentation abstract
- Build your network and research visibility
