

B-GREAT APPLICATION FORM

- 1) First and Last Name:
- 2) Department/School:
- 3) College:
- 4) Email:
- 5) Endorsement by advisor (signature):
- 6) **Respond to each prompt (200 words max/prompt)** that addresses the following questions:

One of the primary goals for this fellowship program is to provide graduate students with an opportunity to participate in an experience that builds knowledge and skills aligned with their future professional paths.

- a. Fellows will be mentored in and conduct educational research that centers a participatory approach and informs evidence-based curricular changes. How do your current work or future goals align with this goal?
 - b. Out of the three directions proposed, list your first and second-choice project preferences
 - c. Address how any of the three proposed project directions ([Here](#)) align with your interests and provide 2-3 concrete examples from areas such as teaching, service, mentoring, research, etc.
 - d. Reflect on one of the most impactful things you've learned about engaging students as co-creators (designers, experts, researchers, etc.). Describe how you learned it and the difference it has made in your practice. You could include a formal classroom teaching experience or an informal teaching experience, like mentoring or tutoring.
- 7) Include your CV below or as a separate attachment.
