GradPlan Student View—Lockstep Programs

Students in the Graduate Career will see the GradPlan tile on their home page. GradPlan is where students complete an annual activity guide of questions and are able to view annual review confirmation. This job aid shows what a GradPlan looks like from a student perspective for students in Lockstep Programs. Lockstep programs are those with a cohort of students who all take the same courses at the same time and there is no individuality in the program of study.

Log-in to <https://student.msu.edu>.

When you click the **GradPlan** tile, the page opens with a list of menu items on the left, with the components of GradPlan listed: Committee, Course Plan, Research Overview, Annual Review, and Requests.

Research Overview

The Research Overview is an annual component of GradPlan. Every Fall, graduate students will be assigned an Activity Guide where they acknowledge they will complete required RECR (Responsible and Ethical Conduct of Research) training and acknowledge they will follow their department handbook's requirements.

The Research Overview page keeps a record of activity guides In Progress as well as the Completed guides students may have submitted in prior years.

Graduate Handbook

I understand I am responsible for following the policies and practices stated in the [Academic Programs Catalog](#), which is the University's official record of regulations and program requirements. In addition, I am also bound by college and department policies and rules found in my program's Graduate Program Handbook.

Additional policies are described in [Graduate Student Rights and Responsibilities](#).

Responsible Conduct of Research

Every student conducting research/scholarship is required to be educated on the responsible methods, interpretations, citations, analysis, and dissemination of that work. The faculty in your graduate program and college offer courses and other programs to assist you in conducting your work with scholarly integrity.

- You are responsible for tracking your progress in fulfilling the requirements of your program and/or college. You can find your program or college plan here: [Departments and Programs](#).
- For general information, please visit: [Research Integrity](#).
- Contact your program for more details.

I understand that completion of Responsible Conduct of Research training as defined by my college or program is required on an annual basis.

Annual Review

The Graduate School has a requirement that students complete an Annual Review each year with their program. The Annual Review page will be a repository of those required reviews.

Departments will complete an annual review of student progress each academic year and they will indicate whether students are making satisfactory progress or not. The Annual Review **is mandatory** and must be completed by May 15 year for programs following the Academic year or by January 15 for programs following the calendar year.

Staff and graduate advisors with administrative access to GradPlan can see when annual reviews are complete and they can affirm academic progress.

Academic Year	The student is making satisfactory academic progress	Reviewed By
2021-2022	Y	dkh 4/14/22

Requests

The Requests page allows students to request changes or updates to their enrollment or program. Depending on the Request Type selected, students will be asked to enter details before submitting the request or be provided with instructions for completing the request outside of Campus Solutions.

When selecting the Request Type drop-down, the available options vary depending on degree level and type. Options may include:

- Extension—Program (additional time to complete degree)
- Leave of Absence Request
- Plan Change—Add a Specialization
- Foreign Language Requirement (completion of language requirement)
- Plan A/Plan B (Master's students switching between thesis/non-thesis option)

Example:

*Request Type

- Dual Major Request
- Excess Credit Override Request
- Extension - Comp Exam
- Extension - Program
- Foreign Language Requirement
- Leave of Absence Request
- Plan Change - Master's/PhD
- Plan Change - Specialization

The format is essentially the same for all requests; the following page illustrates an example.

Program Extension

GradPlan

Requests can be made here for certain updates to your academic record. The drop-down list shows the options that are possible for your program. When you submit a request, it will be routed for the required approvals, and you will be notified when the process is complete.

*Request Type: Extension - Program Create Request

- Annual Review
- Requests**

Once a Request Type is selected from the drop-down, click Create Request. A New Request page will open where students can review information or enter details to submit a request. In the example below, the *Program Extension* Request Type requires students to complete a few required fields before submitting a request.

New Request

Program Extension Request

Time extensions are generally expected to be requested prior to the deadline expiration. A second extension is usually not granted. Please work with your program to prepare the required form and any supporting documentation, and attach those materials to your request here.

This request requires approval by your program, college, and the Graduate School.
