

Initial Level of Care Assessments in Addiction Treatment

February 3, 2026
12 pm – 1 pm EST
Zoom Webinar

Behavioral Health Grand Rounds

SPEAKER:
Genevieve Groover,
MSW

NMORC Project Associate,
Michigan Center for Rural Health

Objectives:

- The Different Levels of Care in Addiction Treatment
- The ASAM Dimensions
- Screening Tools
- Admission Criteria for Each Level of Care
- Interviewing Tips to Obtain Information Efficiently
- Assessing for Risk Factors
- Providing Recommendations for Care

Learning Outcome:

After attending this session, participants will report an increase in knowledge of the different levels of care in addiction treatment and utilizing admission criteria to determine the initial level of care.

Continuing Education Information

Social Workers

SUD Counselors

Addiction Professionals

All Participants who attend the entire session and complete the evaluation form will receive a certificate for 1.0 contact hours. This will allow physicians and other professionals to self-claim credit for this program.

The Michigan Center for Rural Health is applying to NASW-MI for Social Work credits. The Michigan Center for Rural Health is applying to MCBAP for Addiction Professionals.
