

Treatment Planning in Behavioral Healthcare

November 3, 2026
12 pm – 1 pm EST
Zoom Webinar

Behavioral Health Grand Rounds

SPEAKER:

**Genevieve Groover,
MSW**

Behavioral Health Specialist,
Michigan Center for Rural Health

Who should attend?

Addiction Professionals

Social Workers

SUD Counselors

Continuing Education Information

Participants who attend the entire session and complete an evaluation form will receive a certificate for 1.0 contact hours.

MCRH is applying for Social Work credits through NASW-MI.

Objectives:

- Translating Assessment Findings into Clinical Formulation
- Establishing SMART Treatment Goals
- Evidence-Based Interventions for Common Diagnoses
- Incorporating Client Preferences and Shared Decision-Making
- Prioritizing Treatment Goals and Addressing Co-occurring Disorders
- Documenting Client Understanding and Treatment Plan Agreement
- Monitoring Progress and Adjusting Treatment Plans
- Communicating Plans Across the Treatment Team

Learning Outcome:

After attending this session, participants will report an increase in knowledge of developing individualized, evidence-based treatment plans that incorporate client preferences, address co-occurring disorders, and establish measurable goals with appropriate clinical interventions and monitoring strategies.
