

Treatment Planning Assessments in Addiction Treatment

April 7, 2026
12 pm – 1 pm EST
Zoom Webinar

Behavioral Health Grand Rounds

SPEAKER:
Genevieve Groover,
MSW
NMORC Project Associate,
Michigan Center for Rural Health

Objectives:

- Introduction to Assessments in Addiction Treatment
- Utilizing Level of Care Assessment Data
- The ASAM Dimensions
- Clinical Impressions and Diagnoses
- Recommendations for Treatment
- Client-Centered Approaches During the Assessment Process

Learning Outcome:

After this session, participants will be able to demonstrate increased knowledge of applying the biopsychosocial model in addiction treatment, using supplementary assessment tools, and developing comprehensive assessments that inform client treatment plans.

Continuing Education Information

Social Workers

SUD Counselors

Nurses

Addiction Professionals

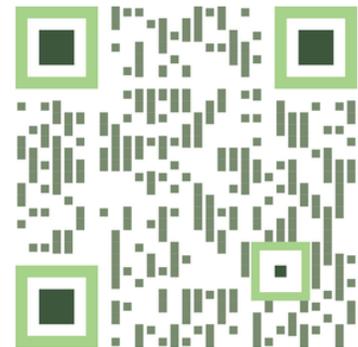

All Participants who attend the entire session and complete the evaluation form will receive a certificate for 1.0 contact hours. This will allow physicians and other professionals to self-claim credit for this program.

The Michigan Center for Rural Health is applying to NASW-MI for Social Work credits. The Michigan Center for Rural Health is applying to MCBAP for Addiction Professionals.
