

HOW MANY PRIMARY CARE PROVIDERS DO YOU NEED?

A Framework for Growth and Access Planning

WEDNESDAY, OCTOBER 28, 2026

12:00–1:00 PM ET

LIVE WEBINAR

Primary care supports community health, hospital growth and success in value-based contracts. This session offers a practical framework for building a primary care plan that connects board strategy with appointment access.

A STRONG PRIMARY CARE PLAN ANSWERS:

01

How many primary care providers do you need?

02

Where do you need them?

03

How much capacity do you have today?

FEATURED SPEAKER

JASON HARRIS

Founder and President, PanelWise

Jason is a former medical group COO and VP of Strategy with 15 years of leadership experience at Trinity Health Michigan Medical Group. He helps hospitals and health centers size primary care networks, plan patient panels and expand access.
