

Solutions Collaborative

May 22, 2023

Funded by the Michigan Health Endowment Fund

Source for Statewide Strategy

Solutions Collaborative Launched January 1, 2023

Who?	State departments (Education, LEO, Corrections, HHS) MHC councils (Employer, Academic, Professions) and board Policymakers (administrative and elected officials) Other organizations and individuals to be added
What?	Data: shortages by profession, geography, setting Inventory: existing capacity-building activities, best practices Plan: statewide health workforce priorities and gaps Briefs: detail specific solutions and implementation steps
When?	Start: January 1, 2023 End: December 31, 2024 (Health Fund grant end date)
Where?	The plan and other deliverables will “live” at MHC
Why?	Use data to measure workforce gaps and progress closing gaps Expedite information sharing to maximize existing resources Secure investments for solutions addressing prioritized gaps
